## **MCNAIR ELEMENTARY PARENT INVOLVEMENT**

### **Mission**

McNair Elementary is dedicated to providing a quality education for all students and promoting a life-long learning environment to produce responsible students.

## How can you get involved in your child's education?

- Ensure that your child arrives on time at school, ready to learn each day.
- Become a partner in education with your child's teacher. Ask questions and keep open lines of communication—attend conferences.
- Participate in activities throughout our campus.
- Volunteer in your child's classroom .
- Join PTA
- Ask your child about their day
- Encourage your child to do their best both academically and behaviorally
- Encourage your child to become involved in activities at school.

## What is Title I?

Title 1 is a federally funded program to ensure that a high-quality education is offered to every child. Title 1 programs can offer additional staff, specialized staff development and varied opportunities for parental involvement.

The community will take an integral part in the design, development and implementation of our Title 1 funding. This will happen through our campus leadership team meeting which has parents and community members to assist in the decision making of our school.
