- 2. <u>Date & Place</u>. This competition will be held on **Saturday**, **20 September 2014**, at **C.H. Collins Athletic Complex & Stadium**. All entry forms should be received by **12 September 2014**.
- 3. **Events.** We're sponsoring the following (11) Events:
 - a. Inspection (NO Military Knowledge Questions)
 - b. Unarmed Regulation & Exhibition
 - c. Armed Regulation & Exhibition Drill (Demil and/or Facsimile)
 - d. Female (or Mixed) Color Guard
 - e. Male Color Guard
 - f. First Year Unarmed Regulation Drill with 2nd Year Commanding (30 Commands)
 - g. Saber/Sword Regulation Team Drill
 - h. Male & Female PT Competition
- 4. **Awards. Trophies will be awarded for** 1st, 2nd and 3rd places **in each of the 11 events.** FOR THE OVERALL TROPHIES, YOU MUST HAVE PARTICIPATED IN INSPECTION, UNARMED REGULATION, AT LEAST ONE COLOR GUARD, AND AT LEAST ONE PT TEAM. **To reward quantity and quality, scoring for overall ranking is based on the following rankings:** 1st = 20 points, 2nd = 15 points, 3rd = 10 points, 4th = 7 points, 5th = 6 points. There will be no points awarded toward the overall trophies to teams placing 6th or lower in any individual event. The teams (schools) with the top three scores will be eligible for the overall trophies. Cadets may participate in as many categories as they wish, but they may not participate in the same category more than once.
- 5. **Limits in number of teams. You are limited to one team in each event**, which means you may enter a maximum of **11** teams. You may not compete more than one team in the same event. Just so that there is no confusion, for Color Guard and PT (all other teams may be Co-Ed) this means that you may have:
 - a. 1 male and 1 female or 1 male and 1 mixed. Color Guard Team You may **not** enter 2 male, 2 female or a mixed and a female. (As indicated, Mixed Color Guard will be judged as Female.)
 - b. 1 male and 1 female PT team. You **cannot** have 2 male or 2 female teams.
- 6. Basic Guidelines/constraints.
 - a. Drill teams must have <u>at least 10 members</u>, counting the commander. Inspection consists of 10 cadets (commander + 9 members). Saber/Sword Regulation has 9 cadets (commander + two 4-person elements).
 - b. The uncasing of the colors will be done according to Army TC 3-21.5, Paragraph 15-6, a, (1) through (5), b. (note: this IAW with AF JROTC Nationals guidance).

- c. Unarmed drill will be judged in accordance with Air Force Manual 36-2203.
- d. Except for PT, Male and Female Color Guards, all teams may be co-ed.
- e. The same cadets may not compete in both mixed and female color guards.
- 7. Entry fees. The fee for each team is \$30.00. Please make checks payable to Billy Ryan HS AFJROTC.
- 8. How to enter.
 - a. Email or call to tell us which teams you will enter.
 - b. Then **complete the attached entry form** and **return it, with a check for your entry fees, as soon as possible, but, NLT 12 September 2014**. Please try to pay your entry fees when you enter. Because we pay almost all of the expenses up-front, it helps us if you do that. However, you may bring payment with you as long as we have a **definite commitment from you**. The deadline for canceling, if you have already paid before the NLT date is 18 September 2014. After that date we will not be able to refund your money.
- 9. Availability of slots and requests for specific competition times. The first event start time will be at 0800. In keeping the schedule realistic, we try to schedule times between a school's events to allow cadets who are on more than one team to make it from one event to another. Also, we'll attempt to meet any start and finish time constraints for a school traveling a long distance. We're happy to meet all of these needs, but as the schedule fills up, it becomes harder and harder. Worst-case, we may not be able to schedule all teams from a late entering school. Therefore, the sooner you contact us the better. One last thing about the schedule: because it is tight for some events, it is important that teams show up on time. If a team is more than one minute late, we may have to move it to a later time slot (no penalty is assessed for late arrival...the only "penalty" is getting moved to a later slot).
- 10. Included in this package are the following:
 - a. Drill Meet Entry Form
 - b. General Information about the Meet
 - c. Competition Rules
 - d. Separate Score Sheets for the 11 events.
 - e. PT Statement of Waiver Form
 - f. Saber Arch guidance
 - g. Directions to C. H. Collins Athletic Complex & Stadium
- 11. As the host of this event, TX-093 will not compete in this meet. We look forward to providing this competition for **your** teams.
- 12. If you have any questions we have not answered in the information above, please contact us at the above phone number or via email at **TX-093@afjrotc.net** or direct to Col (ret) David Lee at **dlee@dentonisd.org**. We look forward to seeing you in September!

GENERAL INFORMATION

- **1. REGISTRATION:** Teams may begin reporting in at 0730, 20 September 2014 at C.H. Collins Athletic Complex & Stadium (enter by Concessions on the northwest side of the stadium).
- 2. DRESSING AREAS: Dressing areas are limited to the designated locker room changing areas located at the North end of the Stadium. *AFJROTC TX-093*, *Billy Ryan High School and Denton ISD assume* no responsibility for lost, damaged or stolen equipment. Please ensure all personal valuables (i.e. money, cell phones, IPODs, etc) are secured on buses or with associated school instructors.
- **3. INCLEMENT WEATHER:** In case of bad weather, we will take cover in the locker rooms at the **North** end of the stadium, so be prepared to adjust performances appropriately (i.e. Remove heeltaps, no rifle tapping on ground, etc)
- **4. FOOD:** TX-093 will operate a concession stand until 1600 hours.
- **5. AWARDS CEREMONY:** The awards ceremony will begin NLT 1700 hours.

COMPETITION RULES

- 1. Routines and judging for the events will, as much as possible, be in compliance with national drill competition standards (AFJROTC has taken on authority/guidance for AF Nationals).
- **2. Preparation Area:** Front parking lot (in front of the main entrance).
- **3. Initial Reporting:** Five minutes prior to the designated time for beginning competition, the Team Commander will report to the designated area of competition with his or her team and notify the Head Judge the team is ready for competition. The commander and their team will proceed as directed by the Head Judge. A team may compete early if it is ready and the judge(s) is(are) available.
- **4. Reporting In:** Each team commander will march their team forward and halt, centered on the Head Judge, face their team to the Judge and report. The report will include the Commander's name, the name of the school, and the team name. Grading will begin when the salute is dropped. Platoon may be substituted for flight.
- **5. Military knowledge questions:** There will be **NO** military knowledge questions for Inspection.
- 6. Inspection: Cadets are <u>required to wear their service's</u> Regulation Service Dress uniform, authorized ribbons (NO medals), and appropriate service's JROTC shoulder patch no ascots, gloves, cords, parade belts, or berets. The only headgear allowed will be the garrison cap (flight cap). The inspector will direct the Team Commander to "Prepare for Inspection".

Important Note!

The Inspection Team COMMANDER WILL NOT MOVE TO REVIEW THE CADETS FOR PERFECT DRESS & COVER (Alignment) DURING INSPECTION! Cadets will be instructed to dress & cover only by their commander. Cadets at this level are expected to maintain adequate dress & cover without supplemental instruction from the Team Commander. Removing this time-consuming process will allow more time for face-to-face inspection from judges to cadets. Cadet Commanders who move to review the ranks for correct spacing will be graded down for their efforts - DON'T do it!

When signaled by the head judge, the Cadet Commander will lead his cadets into the inspection area, centering his/her unit on the Judge. The unit should then be instructed to —**Open Ranks**" by the Cadet Commander. The cadet commander then turns, salutes and states, —Sir/Ma'am, XXXXX High School

(school name) XXXX drill team (team name) is prepared for inspection. **NOTE: DO NOT have the entire formation salute the judge!** The unit is then ready to be inspected by the judge. The judge will visually evaluate the Cadet Commander and then command, —**Precede me through the inspection.** At this point, the judge steps off to evaluate element leaders.

<u>Grading includes reporting in</u>. Scoring ceases after the commander <u>reports out</u>. Inspection scores will be calculated by adding all points earned by each team member to include all commander points. Total points earned will be divided by the number of cadets, including the commander, on the inspection team to derive an overall team average.

NOTE: Inspection is a 10 member team (including the Commander). No points are earned for additional team members; points will be deducted for less than 10 members.

7. Regulation Drill:

- a. All drill pads will be measured/sized to 100' x 100.' Judging will begin when the reporting salute is dropped. Judging will cease when the Team Commander reports to the Head Judge that the team has completed the Regulation Drill. Judging will be according to Air Force Manual 36-2203.
- b. We have changed the drill sequences for Unarmed, Demil/Facsimile to standardize them and to move the ending point to the same side as the starting point.

8. Exhibition Drill:

- a. All drill pads will be measured/sized to 100' x 100.' Exhibition routines should be derived from basic drill movements nothing that hints as dancing moves or excessive —ie, hand slapping...professionalism is key. Teams should display their imagination, creativity, pride, and spirit within the content of military bearing. Judging will begin when the reporting salute is dropped and it will end when the team commander reports Exhibition Drill completed. **Routines must be a minimum of five (5) minutes and a maximum of eight (8) minutes.** Teams will be penalized 1 point for each second under or over these time limits.
- b. **Rifles**. IAW Air Force Drill Competition Rules: teams may utilize any rifle (either demilitarized or facsimile). In either case, the drill rifle must: 1) be rendered un-fireable by either "leading
- 'the barrel or removing/ maintaining no firing pin, AND 2) maintain an adjustable sling. Teams who choose to utilize a weapon that weighs less than 8lbs for **Armed Team Exhibition** will receive an 8-point score deduction (5%) from their Armed Exhibition grand total. Judges will be STRONGLY instructed they should score EVERY routine granting full points for all movements regardless of weapon weight.
- **9.** Color Guard: This drill pad is 75' x 75'. When uncasing and casing the colors, TC 3-21.5, paragraph 15-6, a, (1) through (5), b, states that the guards will walk out at a 45 degree angle they take a half-right and a half-left. **The color guard sequence should be done with honor and professionalism nothing that hints of exhibition-type drill should be used.** The Color Guard should march at Quick Time, 100 to 120 steps per minute.
- **10. SABER Team: Composed of 9 team members (Cdr** + **two 4-member elements).** In conjunction with other local AFJROTC Drill Competition rules, we're added commands to the routine this year to make it more challenging. Guidance on the following is included at the end of this SOP:
 - Ceremonial At Ease
 - Commands 30 thru 35 dealing with presenting an arch

- **11. Physical Training Competition:** This competition is for all high school junior ROTC physical fitness teams of all Armed Services. **Competition phases with be conducted IAW Air Force Instruction 36-2905.** Each school participating in the PT portion must enter a four male team **and/or** a four female team. PT events are as follows: Pushups, Sit-ups, Standing Long Jump, and a 4x100 shuttle relay team. The same four cadets must participate in all four events.
 - a. **Push-ups & Sit-ups** are separate, timed events; each competitor has **ONE MINUTE** to accomplish as many push-ups and sit-ups as possible within time limits. There will be a rest period between these two events.
 - b. The **Standing Long Jump** will be conducted after the Push-ups & Sit-ups. There will be no running start. The distance measured is between the starting line and the closest body part of the jumper to the starting line.
 - c. The **Relay Team** is timed; the lead runner will start with a relay baton, handing off the baton to follow-on runners. Each runner will cover approximately 100 yds, with lower times garnering higher points totals.

Inspection/Team TX-093 SkyRaiders Drill Meet 20 Sep 2014

- Overall total points for the team will be divided by the total team members for the team average.
- All movements scored on a scale of 1 5, in 1 pt increments.

The Saber Arch: Instructions adapted from the USAF Honor Guard Manual

To do this movement, the team must be in two elements, four members per element. There should be no problem considering the team should not be more than 9 members including the commander, as per this SOP.

Prior to the command <u>Center Face</u>, have one element take one <u>right</u> step and the other one <u>left</u> step. This will create the extra space needed to do the arch.

The command <u>Dress Center Dress</u>, calls for the team members to snap their heads down, using their peripheral vision to make small adjustments.

On the command <u>Ready, Front</u>, the team members will snap their heads back up and to the front – looking at each other.

On the command <u>Present Arch</u>, the team members form the arch by extending their right arm, forming a straight line with their arm and saber. The saber is at a 45 degree upward angle. At this point, the commander will be the only one to march through the arch. The commander will then halt, do an about face and then give the next command.

The next command is <u>Order Arch</u>. On this command, the team members will return to the position of order arms.

Finally, the command <u>Ready</u>, <u>Face</u> is given. The team members will face in the direction that will create a column formation in preparation for the next command on the command sheet (Column Right). After facing, the elements will again take one left and right step, the opposite of what they did for Center Face, to close the distance between them. The commander will once again position themselves on their flight in preparation for forward march.
