Explanation of ticket codes:

- 1 - Unprepared for class can mean anything from not having supplies, pencil isn't sharpened and ready for class to begin, not in assigned seat when the bell rings, etc.
- 2 - Did not have agenda during class. Agendas are to be with a student at all times because this is their hall pass, and way of keeping up with what each class is doing throughout the week.
- 3 - Missing or late work can mean homework and/or projects were not done, turned in late, etc.
- 4 - CHAMPS violation can be anything from behavior, respect, talking, voice level, etc.
- 5 - Phone means the student was on the phone when they were not supposed to, texting/internet/pictures/video or any other activity on the phone that is prohibited.
- 6 - Overdue books means a student has not returned a book to Ms. Smith's classroom library, or in the Rodriguez library.
- 7 - The student did not get their ticket sheet signed when they received either a 3rd, 6th, or 9th ticket.
