

# I PICK "Just Right" Books

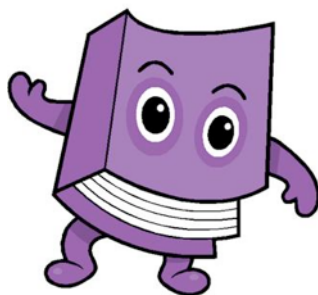

**I** choose a book.

**P**urpose: Why do I want to read this book?

**I**nterest: Does this book interest me?

**C**omprehend: Do I understand what I am reading?

**K**now: I know most of the words (use 5-finger rule).

# The 5-Finger Rule

1. Open to a page in the book with many words.
2. Read the page to yourself.
3. Count the number of words you don't know.
