- ❖ Beginning Sounds (Alliteration)

Next Week's Focus

- ❖ Zoo/Zoo Animals
- ❖ Letter Rr
- ❖ Simple Subtraction
- ❖ Letters/Letter Sounds
- ❖ Writing Name
- ❖ Rhyming/Syllables/Beginning Sounds

Easter Eggs

Due by Friday, April 18th

We will have an Easter Egg Hunt on April 18th. To be able to pull this off, I need each child to bring **12 filled plastic eggs**. After filling the eggs with candy, please tape the eggs shut so that they will not open on the ground.

This can be a homework assignment for your child—allow your child to fill the eggs, tape the eggs shut and have him/her count to make sure that there are 12 eggs.

Spring Home Visits

It's time for Spring Home Visits ☺ Please return the address verification forms as soon as possible.

A sign-up sheet is posted (on the sign-in table) so that you can sign up for the day that you would like me to come to your home and discuss your child's progress.

Reminders

No Flip Flops are allowed. Please make sure that all sandals worn to school have a strap around the ankle.

The room does get cold so please consider bringing a light jacket to keep in your child's cubby.

Homework

Your homework this week is to help your child complete the two Beginning Consonants Worksheets. We have been working on alliteration (recognizing that words such as bear, ball, boat, blue all start with the same letter) for the past 2 weeks. Some of the kids have picked this skill up easily and some are having difficulties. Therefore, I need your help!

On the 2 worksheets: have your child name the pictures in each row. Ask your child which two pictures start with the same letter/sound. Your child will circle the two that start with the same letter. For example: turtle, pail, cow and tree. The child would circle turtle and tree.

Note: an answer key has been provided.
