#### Resources for Success

 These are people you or your students can go to if you need extra help or assistance. The teachers are wonderful helpers, but sometimes you may need one of these other resources to provide extra support.

#### Verification vs Registration

#### **Registration:**

Registration is for new students only. If your student is currently enrolled in DISD, they are already registered.

#### **Verification:**

- •Will occur during the summer via Info Snap (you will need a current email address)
- •Go to Denton ISD homepage. Click the Parent tab and it will take you to the information page.
  - Verification is a two step process.
  - 1. Complete the information as a RETURNING STUDENT (print verification page when completed)
  - 2. When you come up for schedule pick up, you will need to have a copy of your proof of residency, drivers license, and the verification sheet from Info Snap.

## Making the Transition to "Middle School"

## Team Concept

\* What are Teams?

\* Why are they a good idea?

## 6<sup>th</sup> Grade Teams

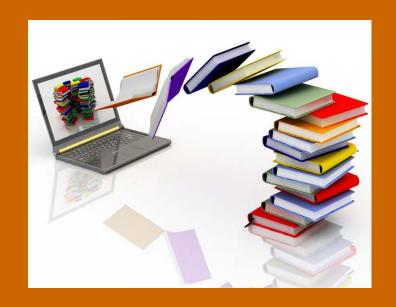

6-1 6-2

## Did you know...?

- Each teacher has a website.
- Many teachers list their daily assignments and sometimes attach homework assignments.
- Go to <a href="https://www.dentonisd.org">www.dentonisd.org</a>
- Choose Harpool at the top of the page.
- Choose the team and then the teacher
- This is a great tool to use if your student is absent! If it's not listed, be sure to have them ASK THEIR TEACHER!!!

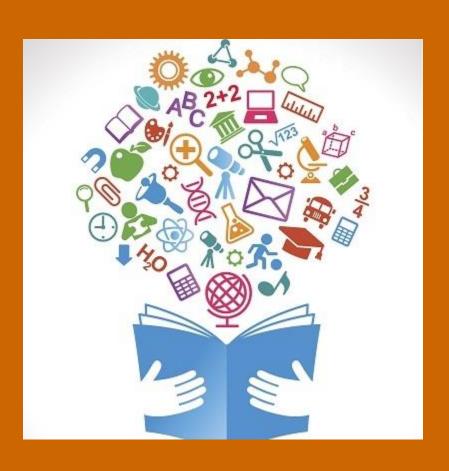

## 6<sup>th</sup> grade hallway....your color of the year is GREEN!

## 6<sup>th</sup> Grade Required Courses

What your student has to take.

- English
- Reading/Expo
- Math
- Science
- Contemporary World Societies
- PE/Wellness
- Advisory
- There are no honors classes at 6<sup>th</sup> grade level.

## Physical Education

Uniforms will only be sold online. Check out the Harpool website for more information starting in April.

There will be two opportunities to purchase uniforms — once during the spring and once during the summer. During the summer, dri-fit and mesh shorts are not available.

Remember, PE clothes must be appropriate length according to school dress code requirements.

Write student's name on uniforms.

Students must dress out everyday. Grade is based on 70% participation and 30% dressing out.

#### Elective Choices

- Beginning Band
- Choir (G=girls) & (B=boys)
  - Beginning Strings or Continuing Orchestra
- Elective Wheel

## There are two parts to the wheel:

#### Part I

Students will be in *one* of the following courses for one semester:

\*Art

\*Theatre Arts

## Course Request Sheets

- Course Request Sheets will be coming home THIS WEEK.
- Please look over the elective courses and discuss with your child.
- They will need to be signed by you AND your child.
- Please return them as soon as possible to your child's elementary school (by February 20th).

## Big Changes Are Coming...

#### The only thing constant in life .... Is change.

- Emotional
  - I won't be able to find my classes.
  - I won't be with my friends.
- Disorganized
  - I'll have 8 classes to keep up with.
- Forgetful
  - I'll forget which class to go to next.
  - I won't be able to get my locker open.

#### Social Media

- Positive vs Negative Effects
- Know what sites your students are using and check them regularly
- Know your students' log-ins and passwords
- Don't be afraid to read texts and check their accounts

#### Social Media

- Snapchat, Musical.ly, and Instagram
  - Each app allows for direct messaging
  - May show your child's location to others
  - May have explicit content
  - May default their posts to being public
- Check the settings to reduce safety risks
- These apps are often used to bully
- If your student is having issues with social media –
   <u>delete the app!</u>

#### Social Media

- Common Sense Media
  - Great site to learn more about apps and other content your student may be interested in
- Be informed!
- Influence of Social Media on Teens

## WEB

#### Where Everybody Belongs!

 WEB is a middle school transition program that welcomes 6th graders and makes them feel comfortable throughout the first year of their middle school experience.

 From 8:30 – 10:00, counselors will host a parent meeting to discuss common middle school issues and concerns.

August 13<sup>th</sup>, 2018

8:00-12:00

#### Success in Middle School

## Organization is <u>VERY</u> important!

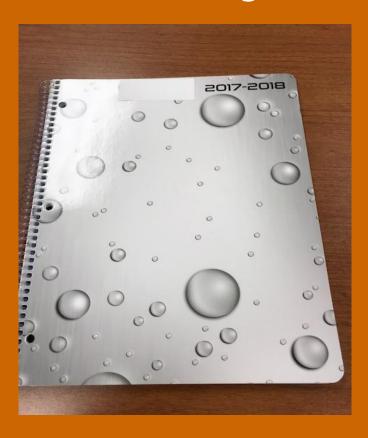

Community Forum: "Get Organized" with Lorraine Brock- professional organizer

Wednesday, March 7<sup>th</sup> 6:30-8:00 Central Services Board Room (postcard reminders available!)

## The 6th Grade Agenda

2017-2018 Agenda

- 6th grade students are required to take their agenda everywhere.
- It is their hall pass and it helps to keep them organized.
- CHECK it every night AND discuss it with your child!
- Tickets are stapled to the back of the agenda.

# Do we get a locker?

- Everyone gets a hall locker with a combination lock on it.
- Students should NOT share their combination or locker with ANYONE!
- Students should cover their lock when putting in the combination.
- Students should keep lockers closed and locked when they aren't getting something out or putting something in. This helps to keep their stuff SAFE!

# Do we have to wear an ID?

- YES, you must have it with you at all times while at school.
- Students will get their picture made for their ID at schedule pickup or the first week of school.
- ID's are needed for lunch
- Students can leave it in their locker overnight so they don't leave it at home!

## Can we bring a cell phone to

school?

- From 8:15 am to 3:35 pm it is teacher discretion when it can be used – BYOD (Bring Your Own Device) – for classroom instruction.
- Cell phones are NOT allowed in the hallways (except before/after school), bathrooms, locker rooms, or cafeteria.
- If heard or seen, can be taken up and \$15 fee to get it back.
- We have phones at school for students to use

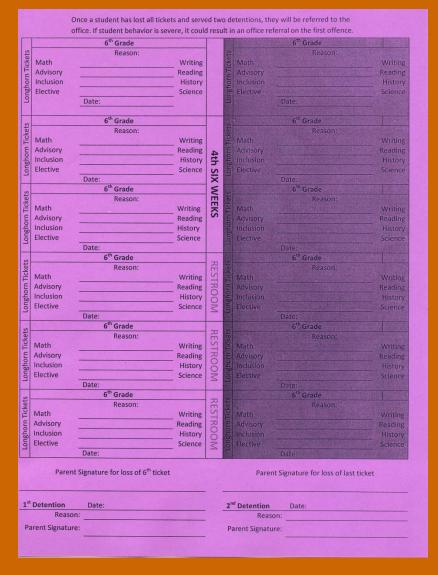

#### We want to "Brand" you......

## School Wide Discipline Policy

## Tickets.....

- Writing detention after losing the 6th ticket.
- Writing detention after losing the 12th ticket.
- Office referral on 13th (not ticket sheet as teacher has taken up)
- Office referral is issued if the ticket sheet is lost.

#### DISCIPLINE

- We have a principal and two assistant principals. These administrators, along with all the teachers and staff, expect students to act appropriately at all times while here at school.
- Students will have more freedom than they had in elementary school, and along with the freedom comes more responsibility.

#### **Dress Code**

- Skirts and shorts must be at least finger tip length- even on "Special Event Days"
- Shirts must be long enough to raise your arms and not show skin.
- Tank tops need to come to the shoulder.
- Pants need to be pulled up ...no sagging!
- No holes in jeans, shorts or skirts
- No flip –flops or athletic slides!
- No leggings, jeggings, or yoga pants!

#### Attendance

- In middle school, all absent notes go to the Attendance Clerk's office which is located at the front of the office.
- Notes have to be turned in within 72 hours, or three days, after the absence or it will be considered unexcused. School excuses may now be submitted by email as a convenient option, hmsnotes@dentonisd.org.
- If you have any questions concerning attendance, please call the Attendance Clerk at: 369-1707.

#### **Attendance Policies**

- What is an excused absence, per the state law?
- \*medical illness
- \*board approved extracurricular activities
- \*medical appointments
- \*death or serious illness of immediate family member (with documentation)
- \*religious holy days
- \*family emergencies (approved by admin)
- \*weather and road conditions that make traveling dangerous
- All other absences, unless excused by admin, will be unexcused. Failure to turn in notes within 72 hours will result in an unverified absence. Unexcused absences will most likely not be addressed unless they exceed 3 in 4 weeks or 10 in 6 months.

## Different from Elementary?

 \*Attendance is taken EVERY period—8 times a day.

 \*Harpool permits 6 parent notes per YEAR. All other absences will need <u>medical</u> documentation.

\*As always, communication is KEY!

#### 4-1 Grading vs Percent Grading

#### **Elementary Grading:**

- Standards Based on a 4-1 Grading measure.
- Looking for Mastery of the Content

#### **Percent Grading:**

- Standards Based on a 100-1 % Grading measure.
- Looking for Mastery of the Content

For example, a 3 in elementary might be equivalent to a 70-85 in middle school. This is only an example and not meant to be exact. These numbers will slide on a scale depending on the assignment, content, etc.

## HMS Grading Policy

\*MINOR grades - 40% of final grade (Formative Assessment—quizzes, daily work, independent practice, etc) Homework is assigned but not a grade. Ticket taken if not complete.

\*MAJOR grades - 60% of final grade

(**Summative Assessment**—tests, essays, projects, etc)

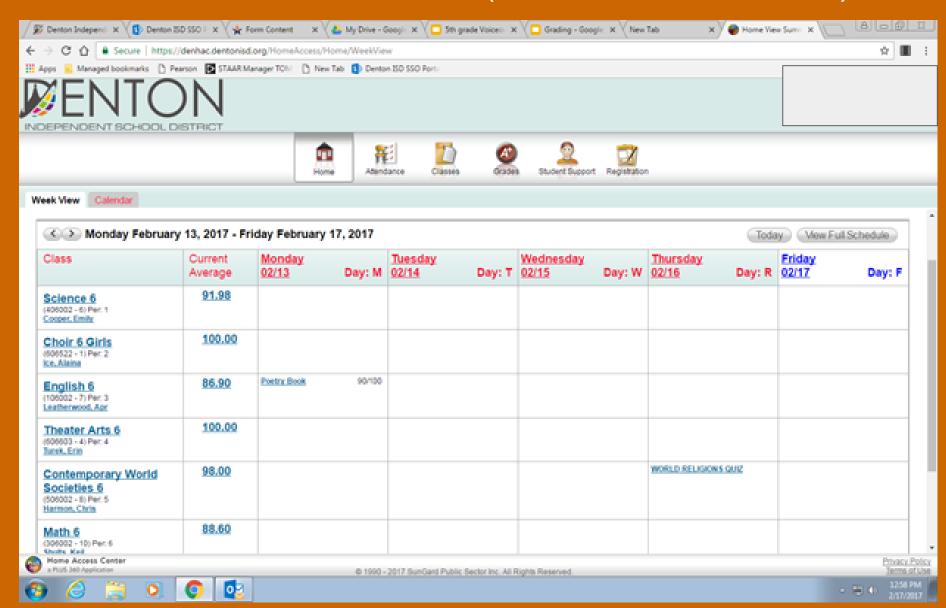

A: 90 – 100

B: 80 - 89

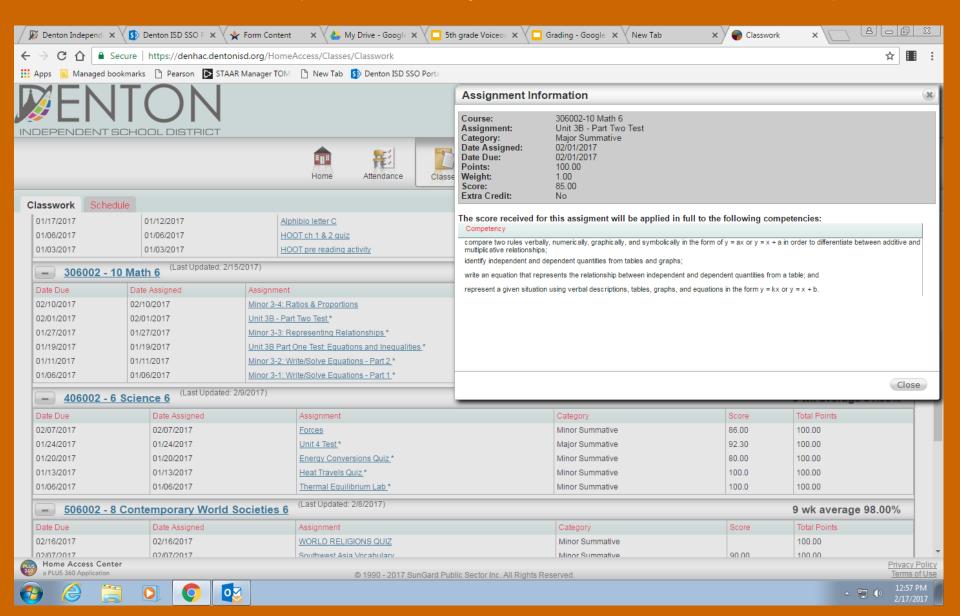

C: 70 - 79

F: 69 and below

#### Home Access Center (HAC - Main Screen)

## Home Access Center (commonly referred to as HAC)

#### Reassessment Policy

- Students have the opportunity to reassess within 10 days of receiving feedback
- All MAJOR summative grades below a 70
   MUST be reassessed if the student is failing
- Students must complete all required components of the reassessment process:
  - \*all formative assessments related to work must be completed
  - \*student engages in additional learning opportunities as designated by teacher
  - \*teacher selects the time for reassessment

#### Discipline

- Students receiving a <u>69 or below</u> on a major assessment will be <u>required</u> to reassess if they are failing. They will have to follow all teacher guidelines (tutorials, extra practice, etc.) to be able to reassess.
- Students who do not reassess within the given time frame (10 day maximum) will be assigned a discipline consequence.
