

ACT & SAT Test Dates 2016-2017

High school juniors and seniors planning to attend college after graduation will need to take the ACT and/or the SAT as a part of their application process. Students are strongly encouraged to begin taking these tests by the spring of the junior year. This will allow students enough time to take tests over again before college applications are due in the fall of the senior year. Students may take the tests multiple times in the event that they need/want to improve their scores. Parents/students should explore admissions requirements for any colleges of interest to determine if a specific test is needed to complete the respective application.
