DENTON ISD

Kindergarten registration events set for early May at all campuses

Families of kindergarteners new to the Denton Independent School District will be able to get assistance with the enrollment process for the upcoming school year at their home campuses May 1 or 2.

Denton ISD is rolling out infosnap – the district’s online student registration system – for new students beginning Monday, April 21.

Infosnap allows parents/guardians to complete the student registration process from anywhere they can connect to the Internet by computer or mobile device. The system is designed to help replace hard copy registration and permission forms, while also reducing the long lines normally associated with student registration.

Parents that need access to a computer, printer or simply need assistance to register their students online will be able to register at their home campuses through scheduled kindergarten registration events. Every Denton ISD elementary campus except E.P. Rayzor and Rivera will host a kindergarten registration event May 2.

Families of new kindergartners will need to access infosnap through the “infosnap registration” link or the “New to Denton ISD?” button on the right side of the Denton ISD homepage at www.dentonisd.org.

Both avenues will lead to a page with basic registration information and a link titled “2014-15 New Student Registration” that parents can use to directly access the infosnap server. Once an account is set up parents can sign in and complete the registration process online.

The registration events will help most new kindergarten families complete the enrollment process in one step. This can be done by submitting a printed infosnap verification form and home language survey to the campus along with:

- proof of residency (current electric/water bill or lease agreement)
- valid identification
- student immunization records
- student social security card.

Families that complete infosnap registration from home, work or anywhere other than the campus will still need to submit those documents to complete the enrollment process. The kindergarten registration events will also provide additional information about classes, teachers, supplies, etc.

The kindergarten registration dates for each specific Denton ISD campus are:

Thursday, May 1

Houston – 6 to 7:30 p.m.
Nelson – 6 to 7:30 p.m.
Newton Rayzor – 5:30 to 6:30 p.m.
Ryan – 6 to 7 p.m.

Friday, May 2
