End of the Year Parties

The end of the school year is quickly approaching. On **Thursday, June 4th**, classes will celebrate the completion of the school year with an end of the year classroom party. Classroom teachers and room coordina-

tors will be sending additional information about end of the year parties soon.

STAAR Results

Confidential Student Reports, CSRs, were sent home with students on **Wednesday, May 27th**.

The CSR provides detailed information for each test taken by a student. If you have any questions about the report, please contact your child's teacher or the campus testing coordinator, Mr. Whileyman.

Last Day of School Activities

Next Thursday, **June 4th**, will be the last day of school. The 5th grade students will have a special ceremony in the cafeteria from **9:00 to 10:00**. Each grade level will conduct end of the year classroom celebrations from **11:45-12:30**. This particular day is also designated as an early release day, so dismissal will take place at **12:50**.

We look forward to sharing these exciting moments with parents and volunteers. Please remember, all visitors must enter through the front doors and present a valid ID/drivers license once entering the building.

Fundraising

The estimated results of the Leukemia & Lymphoma Society Fundraiser are IN and we are blown AWAY!!! Blanton raised over \$4,242 in just 2 weeks!!!! Mrs. Crocco's class raised the most funds with \$391.17!!! We are truly amazed at the generosity of our Blanton families. It's been awesome to hear our students talk about the fundraiser and the difference it will make in the lives of those dealing with this disease.
