Read to a member of your family.	Read in a funny voice (alien, monster, diva, etc).	Who are the characters in the story? Where did the story happen?	Find words that you didn't know and use a strategy to help you read them.
Read to a stuffed animal or favorite toy.	Read aloud and act it out as you go.	Retell the story talking about what happened in the beginning, middle, and end.	Find a word that you've learned. How many times is that word in the book?
Read in a secret place around your house with a flashlight.	Read each character's part in a different voice.	If you could add one more page to the story (or change a part), what would it be?	Play a rhyming game or syllable game with words in the book.
Read the pictures. Then read the words.	Read the book at a normal speed. Then read it super fast, then turtle slow.	Is this book like another book that you've read before? How are they the same/different?	Play a game outside (catch, hopscotch, jump rope, etc) while spelling sight words from the book.
