

PTA

A first step in becoming involved is to join our PTA. Many volunteer opportunities are available for adult family members. WATCH D.O.G.S. (dads of great students) gives fathers the opportunity to be a part of their child's education. Parents may sign up to be a room parent to assist the classroom teacher as needed throughout the year. Help is often needed to prepare materials at home. Contact your child's teacher to find out how you can help. In order to volunteer on campus or to chaperone for a field trip, a background check must be completed. All volunteers must sign in at the office on the computer.
