Parent Conference Week

This week is parent
conference week. Here
are a few great questions
for parents to ask during
the conference.

- What do you see as my child's strengths?
- What do you see as an area that s/he can work on?
- How can I as a parent help my child improve in this area?
- What can I do to support your efforts with my child?

A Note from Mr. Leath...

Volunteering in our school

A hundred years from now, it won't matter how much money you made ... or what kind of car you drove ... or how big your house was ... But making a difference in a child's life will matter. Give your time. Give part of yourself. Take time to make a difference! Become a school volunteer! We have several different opportunities for you to volunteer in our school. We are always in need of mentors, Watch D.O.G.S, volunteers to help with field trips, etc... If you would like to find out more about volunteering, please send your classroom teacher a quick note.

All volunteers in Denton ISD must first complete a background check every year. We have a new process for the background check this year. Please visit the volunteer application/background check website at <http://www.dentonisd.org/Page/48779>. You can also navigate to this site by going to the Wilson Website, clicking on the For Parents tab, scrolling down and clicking on Volunteer. Please take the time to read the volunteer instructions that you will find at the bottom of the page as this will help you throughout the process.
