

STATEMENT OF RECEIPT

STUDENT AND PARENT HANDBOOK/STUDENT CODE OF CONDUCT

Commented [HDA1]: Parents and students review the Code of Conduct and acknowledge receipt during the annual electronic registration process.

The Denton Independent School District requires that students and parents indicate by signature that they have accessed and read a copy of the Student and Parent Handbook and Student Code of Conduct including the district's Electronic Communication and Data Management Acceptable Use Policy.

We (student and parent) have received and reviewed the Denton Independent School District Student and Parent Handbook/Student Code of Conduct. We understand that we are expected to become familiar with the policies, procedures, and consequences explained in these documents. We understand that students will be held accountable for the behavior and consequences outlined in the Student Code of Conduct at school and at school-sponsored/ school related activities, including school-sponsored travel, and for any school-related misconduct regardless of time or location. We understand that a lack of knowledge of the policies listed herein will not be an acceptable defense in the event of a policy violation.

We understand that in science courses my child will be required to identify, use, and apply all laboratory safety procedures and guidelines and to successfully complete a safety assessment. Students will receive detailed information regarding specific safety procedures as they apply to each individual course and will be held accountable for their behavior and safety during laboratory activities.

We understand that the district assumes my consent to display my child's artwork, special projects, photographs taken by my child, and similar work on the district's website, in printed material, in video, or by any other method of mass communication. If I do not wish to give consent, I will notify my child's principal in writing within 10 school days of enrollment.

We have read and discussed the Electronic Communication and Data Management Acceptable Use Policy together and understand that these expectations apply to the use of the district's computers, telephones, and any other communication technology that is used at school. We understand that the Internet will be used in class activities and that safeguards have been taken to minimize the chance of accessing inappropriate materials. We know that all students will be expected to follow specific directions regarding the use of the Internet whether during class or leisure time, and that deliberately accessing a site that is unacceptable for a given assignment will subject them to disciplinary action.

We agree to support and promote the goals of the Student Code of Conduct and make every effort to work with school officials to resolve any disciplinary issues that may arise.

CONSENT TO THE USE OF STUDENT DIRECTORY INFORMATION

The Family Educational Rights and Privacy Act (FERPA), a federal law, requires that school districts, with certain exceptions, obtain a parent's written consent prior to the disclosure of personally identifiable information from your child's educational records. The primary purpose of using limited information is to allow school districts to include this type of information from your child's education records in certain district publications. A written explanation of the provisions of the Family Educational Rights and Privacy Act of 1874 (20 U.S.C. Sec.1232g) can be found in the student handbook.

Denton ISD has designated the following as "directory information" and it will use to promote school programs and student achievements: Student's name, photograph/image, grade level, enrollment status, participation in officially recognized activities and sports, weight and height of members of athletic teams, honors and awards received, and the name of schools attended. Denton ISD has designated the following as "directory information" for release to third-party requestors: "student name." This information will be released if the request follows proper procedures and is in accordance with the Texas Public Information Act. Section 552.101 of the Texas Public Information Act does not mandate the disclosure of information that other law requires be kept confidential. In addition, the district does not associate a student's full name with their image on public websites or channels unless we check with the parent for permission.

If you do not want Denton ISD to release "directory information" from your child's educational records without your prior written consent, you must notify the district in writing within 10 school days of enrollment by submitting this form electronically with your registration materials.
