Primary Goal

Achieve quality performance in the management of school districts' financial resources, a goal made more significant due to the complexity of accounting associated with Texas' school finance system.

Ratings

- Superior Achievement
- Above Standard Achievement
- Standard Achievement
- Substandard Achievement
- Suspended-data Quality

Determination of Rating

- If the District answers NO to indicators 1, 2 or 3, then the rating is Substandard Achievement.
- If the District answers No to both indicators 4 and 5, then the rating is Substandard Achievement.

Determination of Ratings - continued

Determine rating by applicable range for the number of indicators answered 'NO':

Superior Achievement	0 - 2
