Blanton Fifth Grade

October 26-30, 2015

Look What We're Learning...

Language Arts: We will discover what makes a strong summary!

Math: We will solve real world, multi-step problems using adding, subtracting, multiplying and dividing with decimals.

Science: We will continue to explore and build electrical circuits and begin to learn about and discover light energy. Students need to be studying notes and vocabulary as we will have quizzes and assessments in the next few weeks.

Social Studies: We will study the first 3 English Settlements in the New World as well as the first 13 British Colonies.

What's Going On in 5th Grade?

The 5th Grade will be given a ½ hour next week to visit the Book Fair with their Homeroom. Each Homeroom is scheduled to visit, as follows:

Sewell	Monday 10:40-11:10
Mauldin	Monday 2:05-2:35
Brent	Thursday 10:40-11:10
Passons	Thursday 10:40-11:10

A Note from Your Teacher

Good Character Week is this week! See email for details about daily themed dress and activities!

With the weather changing, please remember to email your child's teacher before 1:00 with any changes to the usual transportation mode. After 1:00 we cannot ensure that your message will have been received. Even better, send a note with your child in the morning, then stick with the plan. Thanks for your cooperation.

Blanton will be starting our 2nd annual candy drive the week of Nov 2nd-Nov 6th. We will collect unwanted Halloween candy for the Salvation Army (Individually wrapped only please). We will place collection boxes in each hallway that week and students can donate bags of candy, or pieces of candy to their box. The Salvation Army uses this candy to fill the Christmas Stockings for their Angel Tree.
