

2014 Guyer High School Band Wind Audition Requirements:

1. Students will be given 2 minutes to play as many scales as they can or wish to play. Memorization is not required. There is no tempo specification. Students should perform the octaves they are the most comfortable playing.
2. Students will also be asked to play approximately 1 minute of a prepared etude. Students need to prepare the etude in its entirety. Please see your band director ASAP for etude.
3. Finally, students will also count/play from a selection of sight-reading rhythms.
4. GHS directors will begin listening to individual students on April 21st. We hope to have auditions completed and band assignments finalized by Friday, May 9th.
5. GHS directors will take the responsibility of making sure any ensemble changes that need to occur based on the audition results will take place with the counselors.
6. These are "No Pressure" auditions. Just relax and do your best.
7. Do not hesitate to visit the GHS Band Website:
www.dentonisd.org/wildcatband if any questions arise.
