Expectations

In order to ensure the learning of all, here is a summary of the expectations and guidelines that should be followed throughout the school year by students. Students are expected in class on time with supplies (ID, binder, Agenda, etc.) to make the most of their learning time. Tardies will be entered in the official attendance records for each class.

Consequences for repetitive tardiness (collected from all classes and reset every 9 weeks):

- 6th Time Tardy – Team conference with student
- 7th Time Tardy – Team conference with parent (team will document conversation)
- 8th Time Tardy – Detention and parent contact (parent will need to sign detention slip)
- 9th Time Tardy – Office Referral to the Principal's office

Students are expected to follow class and school rules at all times.

We are looking forward to a very successful year!
