SCHEDULE CHANGE POLICY

A complete registration form is due no later than _____ to your zone teacher.

- If you receive the courses you request, or your alternate, you will not be allowed to change your schedule after _____.
- Changes to core class levels after that date will go through the administration.
- In the spring, a verification sheet indicating which classes you have requested will be given to the student and mailed. You may make corrections in writing on that sheet at that time and turn it in to the counseling office.

The signature of student and parent constitutes a mutual agreement that the above selected courses will be taken. Every attempt will be made to give the student the requested classes. Electives are subject to availability. Staffing and instructional materials needed are based on student enrollment, therefore, schedule changes will not occur.
