Welcome Back!!!

Welcome back to a new school year. We are very excited about this school year. Our theme this year is, "What's in your toolbox?" All students and teachers come to school and work every day with strengths. We want to celebrate and build their strengths, while at the same time adding new ones to their toolbox. We are also going to be working with our students and staff on their habitudes. Habitudes are the thinking, problem-solving, innovation, and creativity skills critical to student learning and academic success. We are going to be doing short lessons on imagination, curiosity, self-awareness, perseverance, courage, zeal, and adaptability. We are looking forward to a great school year!

Volunteering in our school

If you would like to volunteer in our school, chaperone on field trips, be more involved, please complete a volunteer application.

All volunteers in Denton ISD must first complete a background check every year. We have a new process for the background check this year. Please visit the volunteer application/background check website at <http://www.dentonisd.org/Page/48779>. You can also navigate to this site by going to the Wilson Website, clicking on the For Parents tab and scrolling down and clicking on Volunteer. Please take the time to read the volunteer instructions that you will find at the bottom of the page, as this will help you throughout the process.

Cafeteria meal plan

Our goal is to have all students that qualify for free or reduced lunch receiving their services by the first day of school. If you think your child might qualify, please complete an application. The applications can be found at this link:
