

It's Elementary

School Rewards

Dear Parents of EP Rayzor Elementary,

Our It's Elementary School Rewards Program is back! From **August 18-October 12**, your shopping trips to The Shops at Highland Village could earn our school the chance to win up to \$3000!

Here is how it works:

1. Simply shop at any retailer/restaurant at The Shops at Highland Village with the exception of Whole Foods Market. Write E.P. Rayzor Elementary on the receipt.
 - Drop original receipts at an "It's Elementary" collection box if you do not need a copy of the receipts.
 - If you wish to retain your receipts, you may log your receipts with Mrs. Bozeman, our designated school coordinator.
2. Our school sales will be tracked during the 8-week rewards program. Weekly results will be posted on the website and Facebook page for The Shops at Highland Village.
3. At the end of the rewards program, schools will receive a donation based upon points-per-student. Points are accumulated through purchases and other opportunities as outlined on the website. Rewards range from \$3,000-\$500.

To make this program as successful as possible, please tell your friends and family about the program and come shop at The Shops at Highland Village.
