Mission Statement

Denton Independent School District's Mission Statement

…in pursuit of excellence…

The mission of the Denton Public Schools, in partnership with home and community, is to provide the best educational opportunities in a challenging yet supportive environment where individuals and cultural diversity are respected, so that our students become knowledgeable and responsible citizens, capable of life-long learning and demonstrate the necessary skills to contribute productively in a complex and ever-changing world.

Hawk Elementary School's Mission Statement

It is the mission of Hawk Elementary is to create successful learners. We believe to accomplish our mission as a staff we will become a school that: Works collaboratively as teams to ensure student success Is willing to constantly engage in professional conversations Discusses our curriculum in vertical teams Demonstrates a personal commitment to the success of our children Models acceptances for all Celebrates the successes of our students and teachers Has fun! In order to achieve our vision we have made the following commitments: We will publicly support our children, staff, and school. We will provide a school environment that promotes learning (orderly hallways and cafeteria). We will model, mentor, teach, and support one another in our professional development. We will maintain a positive attitude. We will engage in professional, open, and honest communication that is built on a foundation of trust. We will design and implement a pyramid of intervention that will prevent students from failing . We will constantly seek to grow and develop as professionals. We will design on-going assessments to assess the TEKS.

Board Goals

Denton Independent School District's Board Goals

I. Vision … In pursuit of excellence, the district will:

- cultivate a network of professional learning communities addressing the educational needs of every child in our district
- develop and maintain a culture where learning remains our first priority
- remain committed to providing equitable and outstanding opportunities for every student on every campus
- establish goals for individual campuses that incorporate both measurable and intangible factors
- develop a budget focused on student and professional learning
- effectively communicate achievements and recognitions to the Denton ISD community
- prepare our students to be successful in a global society while instilling an appreciation for community service

II. Teaching & Learning… In pursuit of excellence, the district will:

- cultivate a consistent, strong, district-wide balanced curriculum based on ongoing needs assessments that supports all students
- establish high expectations with a curriculum that fosters inquiry and critical thinking
- develop academic skills and interpersonal relationships necessary for student success in college, the workplace and for life.
- expect full curriculum implementation on each campus by instructional leaders
- establish quality staff development programs that promote professional learning communities
- strive to deliver all academic programs through teachers possessing advanced degrees and demonstrable competence in their areas of professional responsibility
- stay abreast of and incorporate best practices into teaching, learning, technology and leadership
- advocate and practice true accountability based on measurement of individual student progress over time, regardless of external mandates
- actively pursue, foster and support an advanced digital learning environment

III. Climate… In pursuit of excellence, the district will:

- celebrate, respect, and promote the value of diversity in our Denton ISD Community.
- encourage and nourish a safe learning and compassionate working environment which ensures open and transparent communication and is supportive, cooperative, and ethical.
- establish a high expectation level for success for all students, staff, parents, and community
- instill in students a love of life-long learning
- motivate and prepare students to embrace their full responsibilities and obligations as active citizens of their community, nation, and world

IV. Parent and Community Involvement…In pursuit of excellence, the district will:

- foster a positive and welcoming environment that encourages parent and community partnerships to achieve success for all our students
- work continuously with the community in planning and facility development
- utilize citizens' advisory committees to focus on short and long-term tasks
- provide support services and promote health, wellness and safety for students and families
- establish and promote programs to develop and enhance parenting skills and participation in the schools
- promote child advocacy across the state and nation

V. Human Resources…In pursuit of excellence, the district will:

- develop and expect a consistently high level of, and respect for, professional performance by all staff
- recruit, select, employ and retain teachers in every classroom because of substantive experience in the discipline they teach, rather than in auxiliary functions
- maintain a diverse workforce with respect to qualifications, expertise, and commitment to excellence
- encourage all teachers and staff to pursue advanced professional development and degrees within their specialty area
- promote health and wellness in our workforce

VI. Growth, Change & Fiscal Responsibility…In pursuit of excellence, the district will:

- review and adjust policies and procedures as appropriate to address the challenges of rapid growth and changing demographic characteristics while maintaining and enhancing our strong sense of community
- create and continuously modify strategies to mitigate increasing stresses on our children, our schools, and our community
- be environmentally responsible and aggressively pursue energy efficiency and conservation principles in building design, transportation alternatives, and operating procedures
- work continuously with our community to adjust and enhance district goals as appropriate
- demonstrate effective and efficient management of district resources
- provide leadership and/or oversight to ensure District meets all fiscal, legal and regulatory requirements.

Hawk Elementary School Campus Improvement Plan

2011-12 Comprehensive Needs Assessment Summary

In accordance with state and federal legislative requirements, the staff at Hawk Elementary School conducted a comprehensive needs assessment for the 2011-12 school year. Data and findings from the comprehensive needs assessment were then used to develop the activities/strategies in the additional sections of the Campus Improvement Plan.

Demographics:

Demographics refer to the characteristics or make-up of the school and help us understand who we are currently working with and how we implement strategies, initiatives, programs and services to meet their needs.

Potential Data Sources:

- Enrollment
- Attendence
- Ethnicity
- Gender
- Mobility/Stability
- Special Program Participation
- At-Risk by Category
- Teacher-Student Ratios
- Graduation, Completion, Droupout and GED rates
- Course/Class Assignments
- College/University/Dual Credit/Advanced Placement Enrollment

Data Sources Reviewed

Demographic data are very important for us to understand as they are part of our educational system over which we have no control, but from which we can observe trends and learn for purposes of prediction and planning. – Victoria Bernhardt

List the actual data sources reviewed below.

- AEIS Report
- Data provided by Curriculum on Staff Ethnicity
- E-School Enrollment Data

See page 7 of the guide for probing questions related to demographics.

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Hawk has stable student population

Needs

- Hawk would benefit from more diversity in staffing

Summary of Needs

- A more diverse staff.

Student Achievement

Student Achievement data refers to the annual and longitudinal reviews from varied sources of formal and informal data. These data provide insights about the degree to which students are acquiring the knowledge and skills expected for each grade level and course of study.

Potential Data Sources:

- State Assessment Data
- LEPAS and AMAO Results
- SAT/ACT/PSAT Results
- Advanced Course/Dual Enrollment Data
- Standardized, Norm-Referenced, Criterion-Referenced Tests and Measures
- State and AYP Data Tables
- Texas Success Initiative (TSI) Data
- Course/Class Grades
- Graduation, Completion, Droupout, and GED Rates; Diploma Types
- Promotion/Retention Rates
- Classroom and Program Assessments and Other Data
- Student Work

Data Sources Reviewed

We want to gather and analyze data that will help us understand the system that produces the results we are getting. We also want to move our district continuous improvement efforts from random acts of improvement to focused improvement that centers on our ultimate purpose: improving learning for all students. – Victoria Bernhardt

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Grades Kinder and 4th Intervention
- Reading in K-2
- 4th and 5th grade Math

Needs

- More widespread successful intervention.
- Math in K-2
- 3rd Grade Math
- Better communication of individual achievement throughout the school year

Summary of Needs

- Build capacity of 1st, 2nd, 3rd, and 5th grade teachers to share, tutor, and enrich all students in grade level.
- Communicate more clearly individual student progress towards learning standards.
- Improve upon our enrichment for above average and average students.
- Involve students in the learning progress monitoring.

School Culture and Climate

School culture refers to the organization's values, beliefs, transitions, and customs which shape the personality and climate of the organization. It determines how parents, community, staff and students feel about the school and affects how people interact within the system

Potential Data Sources

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Minimal staff turnover
- High levels of team trust
- High percentage of staff seek training/growth

Needs

- Differentiate needs of staff members for training

Summary of Needs

- Intentional differentiated staff development based on current level of staff performance.

Curriculum, Instruction and Assessment

The curriculum/curricula collectively describes the teaching, learning, and assessment materials and resources available for a given course of study. These are aligned with the TEKS and other standards, incorporating instruction and assessment processes.

Potential Data Sources

- Standards-Based Curriculum Resources and Materials
- Scope and Sequence, Pacing Guides; and/or Other Focus Documents
- Foundation Course/Class Materials
- Enrichment Course/Class Materials
- Technology
- Instructional Design/Delivery; High-Yield Strategies
- Lesson Study/Delivery Processes
- Collaborative Horizontal and Vertical Team Alignment Processes

The mission of the Denton Public Schools, in partnership with home and community, is to provide the best educational opportunities in a challenging yet supportive environment where individuals and cultural diversity are respected, so that our students become knowledgeable and responsible citizens, capable of life-long learning and demonstrate the necessary skills to contribute productively in a complex and ever-changing world.

Hodge Elementary 2011-2012's Mission Statement

To Learn, To Teach, To Grow, To Serve.

Board Goals

Denton Independent School District's Board Goals

I. Vision … In pursuit of excellence, the district will:

- cultivate a network of professional learning communities addressing the educational needs of every child in our district
- develop and maintain a culture where learning remains our first priority
- remain committed to providing equitable and outstanding opportunities for every student on every campus
- establish goals for individual campuses that incorporate both measurable and intangible factors
- develop a budget focused on student and professional learning
- effectively communicate achievements and recognitions to the Denton ISD community
- prepare our students to be successful in a global society while instilling an appreciation for community service

II. Teaching & Learning… In pursuit of excellence, the district will:

- cultivate a consistent, strong, district-wide balanced curriculum based on ongoing needs assessments that supports all students
- establish high expectations with a curriculum that fosters inquiry and critical thinking
- develop academic skills and interpersonal relationships necessary for student success in college, the workplace and for life.
- expect full curriculum implementation on each campus by instructional leaders
- establish quality staff development programs that promote professional learning communities
- strive to deliver all academic programs through teachers possessing advanced degrees and demonstrable competence in their areas of professional responsibility
- stay abreast of and incorporate best practices into teaching, learning, technology and leadership
- advocate and practice true accountability based on measurement of individual student progress over time, regardless of external mandates
- actively pursue, foster and support an advanced digital learning environment

III. Climate… In pursuit of excellence, the district will:

- celebrate, respect, and promote the value of diversity in our Denton ISD Community.
- encourage and nourish a safe learning and compassionate working environment which ensures open and transparent communication and is supportive, cooperative, and ethical.
- establish a high expectation level for success for all students, staff, parents, and community
- instill in students a love of life-long learning
- motivate and prepare students to embrace their full responsibilities and obligations as active citizens of their community, nation, and world

IV. Parent and Community Involvement…In pursuit of excellence, the district will:

- foster a positive and welcoming environment that encourages parent and community partnerships to achieve success for all our students
- work continuously with the community in planning and facility development
- utilize citizens' advisory committees to focus on short and long-term tasks
- provide support services and promote health, wellness and safety for students and families
- establish and promote programs to develop and enhance parenting skills and participation in the schools
- promote child advocacy across the state and nation

V. Human Resources…In pursuit of excellence, the district will:

- develop and expect a consistently high level of, and respect for, professional performance by all staff
- recruit, select, employ and retain teachers in every classroom because of substantive experience in the discipline they teach, rather than in auxiliary functions
- maintain a diverse workforce with respect to qualifications, expertise, and commitment to excellence
- encourage all teachers and staff to pursue advanced professional development and degrees within their specialty area
- promote health and wellness in our workforce

VI. Growth, Change & Fiscal Responsibility…In pursuit of excellence, the district will:

- review and adjust policies and procedures as appropriate to address the challenges of rapid growth and changing demographic characteristics while maintaining and enhancing our strong sense of community
- create and continuously modify strategies to mitigate increasing stresses on our children, our schools, and our community
- be environmentally responsible and aggressively pursue energy efficiency and conservation principles in building design, transportation alternatives, and operating procedures
- work continuously with our community to adjust and enhance district goals as appropriate
- demonstrate effective and efficient management of district resources
- provide leadership and/or oversight to ensure District meets all fiscal, legal and regulatory requirements.

Hodge Elementary 2011-2012 Campus Improvement Plan

2011-12 Comprehensive Needs Assessment Summary

In accordance with state and federal legislative requirements, the staff at Hodge Elementary 2011-2012 conducted a comprehensive needs assessment for the 2011-12 school year. Data and findings from the comprehensive needs assessment were then used to develop the activities/strategies in the additional sections of the Campus Improvement Plan.

Demographics:

Demographics refer to the characteristics or make-up of the school and help us understand who we are currently working with and how we implement strategies, initiatives, programs and services to meet their needs.

Potential Data Sources:

- Enrollment
- Attendence
- Ethnicity
- Gender
- Mobility/Stability
- Special Program Participation
- At-Risk by Category
- Teacher-Student Ratios
- Graduation, Completion, Droupout and GED rates
- Course/Class Assignments
- College/University/Dual Credit/Advanced Placement Enrollment

Data Sources Reviewed

Demographic data are very important for us to understand as they are part of our educational system over which we have no control, but from which we can observe trends and learn for purposes of prediction and planning. – Victoria Bernhardt

List the actual data sources reviewed below.

- AEIS report
- Attendance rate
- Mobility rate
- PEIMS
- LEP report
- 504 participants
- Special Education Manager
- EXPO participants
- Discipline Referrals
- Free and Reduce Lunch participants

See page 7 of the guide for probing questions related to demographics.

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Increased Hispanic EXPO students
- Diverse school population
- Increased family support
- Stable student attendance
- CIS Food for Kids program
- CIS afterschool care for 100 students
- New Hawks program
- New teacher mentors

Needs

- Increase home reading program
- Improve teacher attendance
- Improve student diet
- Improve RTI input
- Improve cum. Folder organization
- Decrease discipline referrals
- Student growth plans for behavior

Summary of Needs

- Monitor correlation between teacher attendance and student performance
- Maintain Latino Family Literacy program and expand to others
- Increase home/school reading program
- Healthy Hodge Family Challenge is a promising project for next year
- Better meet the needs of EXPO Hispanic males
- Continue to develop the vocabulary needs of ELL and At Risk students
- Improve the effective involvement of CIS participants

Student Achievement

Student Achievement data refers to the annual and longitudinal reviews from varied sources of formal and informal data. These data provide insights about the degree to which students are acquiring the knowledge and skills expected for each grade level and course of study.

Potential Data Sources:

- State Assessment Data
- LEPAS and AMAO Results
- SAT/ACT/PSAT Results
- Advanced Course/Dual Enrollment Data
- Standardized, Norm-Referenced, Criterion-Referenced Tests and Measures
- State and AYP Data Tables
- Texas Success Initiative (TSI) Data
- Course/Class Grades
- Graduation, Completion, Droupout, and GED Rates; Diploma Types
- Promotion/Retention Rates
- Classroom and Program Assessments and Other Data
- Student Work

Data Sources Reviewed

We want to gather and analyze data that will help us understand the system that produces the results we are getting. We also want to move our district continuous improvement efforts from random acts of improvement to focused improvement that centers on our ultimate purpose: improving learning for all students. – Victoria Bernhardt

List the actual data sources reviewed below.

- TAKS data

Family and Community Involvement:

Our campus uses a wide variety of community services to support the identified needs of our student population, both inside and outside the school day. We have a wealth of support of meet the various needs of our students and their families. We work closely with Friends of the Family, CASA, CPS, Lions Club, Kiwanis, MHMR…..just to name a few. Our counselor, along with the input of our dedicated staff, strive to meet any and all needs that impact students and their families. Our ultimate goal is to remove any barriers that infringe on the academic/social/emotional success of our students.

School Content and Organization:
Form follows funtion…..make decisions based on student needs
Implementation of campus wide CHAMPS program
Deeper understanding of Dual Language program
Improve integration of Special Areas into daily curriculum
Supportive instructional coach schedule
Improve evaluation schedule by administration
Improve integration of instruction across the campus
Continue Learning Walks with focus on effectiveness instruction
Recognition for TEAMS and individuals that are successful for students
Mastere Schedule

Technology:
Improve RTI process for tracking student needs
Implementation of Mobi
Increased memory of classroom computers
Compatibility of programs with available operating systems
Availability of headsets with microphones
Appropriate input of HEAT tickets to track campus needs
Improve integration of technology into daily instruction
Improve individual websites
Consistent adminstrator update of webpage
Increase student usage of daily technology

Board Summary
Campus Improvement Plans
2011-12

Hodge Elementary 2011-2012

Wildy Important Goals for 2011-12
WIG 1: Students will communicate their scientific understanding by using expository writing structures for making observation, stating scientific claims and making compare/contrast that will be scored by a rubric once a six weeks. By the 6th six weeks, 95% of students will show proficiency or mastery of scientific expository writing. (Board Goals II A, B, G, H)
WIG 2: Students will be engaged in an open-ended problem solving task that is scored by a rubric once a six weeks. By the 6th six weeks, 95% of students will show proficiency or mastery of problem solving according to the rubric. (Board Goals I A, II A & F, III C, D, E)
WIG 3: Students will be engaged in setting personal reading and writing goals that will be updated and revised 3-6 times per year. By the 6th six weeks, 100% of students will show proficiency or mastery of their reading and writing goals according to the rubric. (Board Goals II A & B, III C & D).
WIG 4: Grade level PLC TEAMS will meet six times this year with the guidance and support of our math specialist and administration to analyze results from summative tests, and formative district/campus benchmarks. Data will be shared with the entire staff To support the DEVELOPMENTAL STAGE of our Professional Learning Community at Hodge Elementary to allow collaborative TEAMS of teachers to analyze assessments results to increase the academic achievement of ALL students. (Board goals I A, B, C, III B, C, D).

Mission Statement

Denton Independent School District's Mission Statement

…in pursuit of excellence…

The mission of the Denton Public Schools, in partnership with home and community, is to provide the best educational opportunities in a challenging yet supportive environment where individuals and cultural diversity are respected, so that our students become knowledgeable and responsible citizens, capable of life-long learning and demonstrate the necessary skills to contribute productively in a complex and ever-changing world.

Houston Elementary School's Mission Statement

At Sam Houston we will inspire all students to become confident life-long learners by collaborating to provide a challenging curriculum in a safe and compassionate environment.

Board Goals

Denton Independent School District's Board Goals

I. Vision … In pursuit of excellence, the district will:

- cultivate a network of professional learning communities addressing the educational needs of every child in our district
- develop and maintain a culture where learning remains our first priority
- remain committed to providing equitable and outstanding opportunities for every student on every campus
- establish goals for individual campuses that incorporate both measurable and intangible factors
- develop a budget focused on student and professional learning
- effectively communicate achievements and recognitions to the Denton ISD community
- prepare our students to be successful in a global society while instilling an appreciation for community service

II. Teaching & Learning… In pursuit of excellence, the district will:

- cultivate a consistent, strong, district-wide balanced curriculum based on ongoing needs assessments that supports all students
- establish high expectations with a curriculum that fosters inquiry and critical thinking
- develop academic skills and interpersonal relationships necessary for student success in college, the workplace and for life.
- expect full curriculum implementation on each campus by instructional leaders
- establish quality staff development programs that promote professional learning communities
- strive to deliver all academic programs through teachers possessing advanced degrees and demonstrable competence in their areas of professional responsibility
- stay abreast of and incorporate best practices into teaching, learning, technology and leadership
- advocate and practice true accountability based on measurement of individual student progress over time, regardless of external mandates
- actively pursue, foster and support an advanced digital learning environment

III. Climate… In pursuit of excellence, the district will:

- celebrate, respect, and promote the value of diversity in our Denton ISD Community.
- encourage and nourish a safe learning and compassionate working environment which ensures open and transparent communication and is supportive, cooperative, and ethical.
- establish a high expectation level for success for all students, staff, parents, and community
- instill in students a love of life-long learning
- motivate and prepare students to embrace their full responsibilities and obligations as active citizens of their community, nation, and world

IV. Parent and Community Involvement…In pursuit of excellence, the district will:

- foster a positive and welcoming environment that encourages parent and community partnerships to achieve success for all our students
- work continuously with the community in planning and facility development
- utilize citizens' advisory committees to focus on short and long-term tasks
- provide support services and promote health, wellness and safety for students and families
- establish and promote programs to develop and enhance parenting skills and participation in the schools
- promote child advocacy across the state and nation

V. Human Resources…In pursuit of excellence, the district will:

- develop and expect a consistently high level of, and respect for, professional performance by all staff
- recruit, select, employ and retain teachers in every classroom because of substantive experience in the discipline they teach, rather than in auxiliary functions
- maintain a diverse workforce with respect to qualifications, expertise, and commitment to excellence
- encourage all teachers and staff to pursue advanced professional development and degrees within their specialty area
- promote health and wellness in our workforce

VI. Growth, Change & Fiscal Responsibility…In pursuit of excellence, the district will:

- review and adjust policies and procedures as appropriate to address the challenges of rapid growth and changing demographic characteristics while maintaining and enhancing our strong sense of community
- create and continuously modify strategies to mitigate increasing stresses on our children, our schools, and our community
- be environmentally responsible and aggressively pursue energy efficiency and conservation principles in building design, transportation alternatives, and operating procedures
- work continuously with our community to adjust and enhance district goals as appropriate
- demonstrate effective and efficient management of district resources
- provide leadership and/or oversight to ensure District meets all fiscal, legal and regulatory requirements.

Houston Elementary School Campus Improvement Plan

2011-12 Comprehensive Needs Assessment Summary

In accordance with state and federal legislative requirements, the staff at Houston Elementary School conducted a comprehensive needs assessment for the 2011-12 school year. Data and findings from the comprehensive needs assessment were then used to develop the activities/strategies in the additional sections of the Campus Improvement Plan.

Demographics:

Demographics refer to the characteristics or make-up of the school and help us understand who we are currently working with and how we implement strategies, initiatives, programs and services to meet their needs.

Potential Data Sources:

- Enrollment
- Attendence
- Ethnicity
- Gender
- Mobility/Stability
- Special Program Participation
- At-Risk by Category
- Teacher-Student Ratios
- Graduation, Completion, Droupout and GED rates
- Course/Class Assignments
- College/University/Dual Credit/Advanced Placement Enrollment

Data Sources Reviewed

Demographic data are very important for us to understand as they are part of our educational system over which we have no control, but from which we can observe trends and learn for purposes of prediction and planning. – Victoria Bernhardt

List the actual data sources reviewed below.

- AESIT Reports for 2008, 2009, 2010
- eSchoolPlus

See page 7 of the guide for probing questions related to demographics.

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- While our number of students in our different accountability groups has stayed consistent our commended percentages in accountability groups have increased
- Our at-risk percentages have decreased in the lat 3 years

Needs

- Continue to increase the commended percentages in all accountability groups.
- Continue to find avenues that support our at-risk population

Summary of Needs

- We need to district personnel help with staff development to support our at-risk population.
- Use our pre-assessments, common assessments, TAKS, ELI and Kathy Richardson data to find areas of strenghts and weeknesses in our acountablity groups to guide instruction.

Student Achievement

Student Achievement data refers to the annual and longitudinal reviews from varied sources of formal and informal data. These data provide insights about the degree to which students are acquiring the knowledge and skills expected for each grade level and course of study.

Potential Data Sources:

- State Assessment Data
- LEPAS and AMAO Results
- SAT/ACT/PSAT Results
- Advanced Course/Dual Enrollment Data
- Standardized, Norm-Referenced, Criterion-Referenced Tests and Measures
- State and AYP Data Tables
- Texas Success Initiative (TSI) Data
- Course/Class Grades
- Graduation, Completion, Droupout, and GED Rates; Diploma Types
- Promotion/Retention Rates
- Classroom and Program Assessments and Other Data
- Student Work

Data Sources Reviewed

We want to gather and analyze data that will help us understand the system that produces the results we are getting. We also want to move our district continuous improvement efforts from random acts of improvement to focused improvement that centers on our ultimate purpose: improving learning for all students. – Victoria Bernhardt

List the actual data sources reviewed below.

See page 8 of the guide for probing questions related to Student Achievement

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- The school disaggregates the data for all accountability groups and strengths/weaknesses in each student expectation.
- Success Time schedule allows for interventions to occur daily during the school day.
- Our classroom teachers and subject interventionist collaborate very effectively.

Needs

- Ways to close the gaps for our low socio economic students.
- Training in writing common assessments so we can have better data to disaggregate.

Summary of Needs

- Additional work can be done as a campus to build common assessments and meet the needs of all students.

School Culture and Climate

School culture refers to the organization's values, beliefs, transitions, and customs which shape the personality and climate of the organization. It determines how parents, community, staff and students feel about the school and affects how people interact within the system

Potential Data Sources

- Surveys
- Questionnaires
- Focus Groups
- Interviews
- Feedback Data
- Classroom and School Walkthrough Data
- Parent Conferences, Meetings, etc.

Data Sources Reviewed

Culture is the underground stream of norms, values, beliefs, traditions, and rituals that build up over time as people work together, solve problems, and confront challenges. This set of informal expectations and values shapes how people think, feel, and act in schools. – Author unknown.

List the actual data sources reviewed below.

- First had info from parents
- PTA Experience

See page 9 of the guide for probing questions related to School Culture and Climate

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Outstanding response from all support staff to the children
- Quality and quanity of extra activities and recognition offered to students
- The way the special area teachers convey their love of their subjects to the students and help them learn to love it.
- School Mascot
- Extra Curricular Activities

Needs

- Explain TAKS Math Terms to Parents
- Daily notification of behavioral issues to parents, especially kindergarten parents
- Discipline issues that occur in Special Areas need to be reported to homeroom teachers
- Guidelines to asure consistency with playground behavioral issues
- A plan of action from administration with clearly stated consequences that calls for the least amount of classroom disruption with an incedent involving a SAC student
- Get at-risk students involved in extra curricular activities.

Summary of Needs

- Need to communicate better, provide consistency in communication and simple discipline.

Staff Quality, Recruitment and Retention

Staff Quality, Recruitment and Retention refers to the school organization's level of high-quality, highly-effective staff, particularly in high-poverty schools. This area is also focused on assessing the effect of recruitment and retention strategies on staffing patterns

Potential Data Sources

- Teacher Certification/Qualification Data
- Paraprofessional and Other Staff Qualifications
- Staff Effectiveness in Relation to Student Achievement
- PDAS and/or Other Staff Effectiveness Data
- Staff Mobility/Stability
- Special Programs Qualifications; e.g., Bilingual/ESL/, Special Education, etc.
- Professional Development Data

A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Teacher Evaluations are easily accessable through Eduphoria
- A mentor is assigned to new teachers
- A good variety of Staff Developments are offered each year.

Needs

- More positive and specific feedback for teacher performance
- More follow up on Teacher Mentor Program
- More time at the beginning of the year to provide the classroom for meet the teacher night.

Summary of Needs

- Positive and specific feedback and follow-up.

Curriculum, Instruction and Assessment

The curriculum/curricula collectively describes the teaching, learning, and assessment materials and resources available for a given course of study. These are aligned with the TEKS and other standards, incorporating instruction and assessment processes.

Potential Data Sources

- Standards-Based Curriculum Resources and Materials
- Scope and Sequence, Pacing Guides; and/or Other Focus Documents
- Foundation Course/Class Materials
- Enrichment Course/Class Materials
- Technology
- Instructional Design/Delivery; High-Yield Strategies
- Lesson Study/Delivery Processes

Strengths

- Use of AWARE to analysis history of students' acheivements and weaknesses.
- Use of "Forethought" computer based purposeful planning linking TEKS to curriculum.
- PLC Monitoring and shared understanding of student development.

Needs

- Support with development of incisive benchmark testing material
- Continued support for at-risk population, particularly in science

Summary of Needs

- Have district personel help with criterian of incisive benchmark material.
- Look for ways to support science curriculum delivery whether it be through personel, curriculum delivery/development or use of space for support staff.

Family and Community Involvement

Family and Community Involvement refers to how these stakeholders and informed, invested and involved as partners in supporting the school community to maintain high expectations and high achievements for all students

Potential Data Sources:

- Family and Community Participation Counts by Type of Activity
- Parent Volunteer Information
- Parent Activity Evaluations and Feedback
- Parent and Community Partnership Data
- Mobility/Stability
- Demographic Data
- Community Service Agencies and Support Services

Data Sources Reviewed

The family is changing, not disappearing. WE have to broaden our understanding of it, look for the new metaphors. – Mary Catherine Bateson

List the actual data sources reviewed below.

- Personal experience

See page 12 of the guide for probing questions related to School Culture and Climate

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Parents help out with tutoring
- PTA supports students and teachers by supplying materials for classrooms, field trips and the AR store to encourage or enhance learning.
- The PTA puts on the fall festival, allowing the entire community to be involved to help support our school.
- Restaurant/fast food nights which indirectly create a family bonding time.
- The counselor holds a running girls group which teaches several different strategies that may help them in their personal lives at home.
- Teachers and staff help with after school tutoring because homework and working with kids can cause stress in the homes.

Needs

- Involve more parents to reflect our student population.
- The same group of parents seem to do everything and we need to get more parents involved.
- More parent education on different subject areas.

Summary of Needs

- We need to involve more parents through education and volunteer opportunities.

School Context and Organization

School Context and Organization refers to the processes, structures, decision-making, and overall leadership aspects of the organization, including how these areas address quality teaching and learning.

Potential Data Sources:

- School Structure or Make-Up, e.g., Teaming, Looping, etc
- Decision Making Processes
- Master Schedule
- Leadership: Formal and Informal
- Supervision Structure
- Support Structures: Mentor Teachers
- Duty Rosters
- Schedule for Student Support Services, e.g., Counseling, Social Work, Library, etc.
- School Map and Physical Environment
- Program Support services, e.g., Extracurricular Activities, After School Programs, etc.
- Communication: Formal and Informal

A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Alotted Success time to meet the needs of struggling students.
- Pull out classes during success time when know new material is being introduced
- The teachers are great.
- Good extra curricular activities.
- Strong PTA
- Consistent
- Outdoor Garden
- Friendly, supportive front staff.

Needs

- More qualified helpers to work with struggling students
- Medium to high level studetns are at a disadvantage during regular success time due to the needs of the more struggling students.
- Better Communication
- Discipline from special to homeroom teacher is not communicated.
- To have consistent behavior problems handled promptly and effectively so it does not disrupt other students' learning.

Summary of Needs

- Meet the academic and behavioral needs of all students.

Technology

Technology refers to modeling and applying digital tools and resources for students, staff, and other stakeholders to advance teaching and learning, and connect to real-world experiences, including post-secondary opportunities.

Potential Data Sources

- Technology Infrastructure, Networks, etc.
- Technology Hardware and Software
- Classroom Technology Needs by Area, Class, Department, etc.
- STaR Chart
- Professional Development/Teacher Preparation Needs in Technology
- Leadership and Administrative Support Structures for Technology Implementation
- Resource Allocations

A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- All teachers have access to two computer labs
- 3 to 4 computers in every classroom
- Multitude of age and content appropriate software selected and maintained through the instructional technology department.
- In-service opportunities offered regularly to update teachers on latest software packages.
- Quick response to HEAT Tickets

Needs

- Purpose of Study Island Software by the district
- Discuss district expectations for teacher web pages at a faculty meeting
- More in-service time devoted to improving teacher web pages. Examples of outstanding web pages need to be discussed at a faculty in-service
- Yearly refresher course on how to use AWARE effectively until teachers are proficient

Summary of Needs

- Have Gennifer Smith conduct AWARE refresher courses after 1st set of benchmarks come in
- Find ways to fund Study Island Math and Reading 3rd - 5th grade
- Utilize faculty meeting time or in-service time to update teacher web pages

Comprehensive Needs Assessment Summary of Priority Needs

Denton Independent School District

Mission Statement

Denton Independent School District's Mission Statement

…in pursuit of excellence…

The mission of the Denton Public Schools, in partnership with home and community, is to provide the best educational opportunities in a challenging yet supportive environment where individuals and cultural diversity are respected, so that our students become knowledgeable and responsible citizens, capable of life-long learning and demonstrate the necessary skills to contribute productively in a complex and ever-changing world.

Lee Elementary School's Mission Statement

Our mission is to empower members of the Lee family and community to achieve their highest potential.

Board Goals

Denton Independent School District's Board Goals

I. Vision … In pursuit of excellence, the district will:

- cultivate a network of professional learning communities addressing the educational needs of every child in our district
- develop and maintain a culture where learning remains our first priority
- remain committed to providing equitable and outstanding opportunities for every student on every campus
- establish goals for individual campuses that incorporate both measurable and intangible factors
- develop a budget focused on student and professional learning
- effectively communicate achievements and recognitions to the Denton ISD community
- prepare our students to be successful in a global society while instilling an appreciation for community service

II. Teaching & Learning… In pursuit of excellence, the district will:

- cultivate a consistent, strong, district-wide balanced curriculum based on ongoing needs assessments that supports all students
- establish high expectations with a curriculum that fosters inquiry and critical thinking
- develop academic skills and interpersonal relationships necessary for student success in college, the workplace and for life.
- expect full curriculum implementation on each campus by instructional leaders
- establish quality staff development programs that promote professional learning communities
- strive to deliver all academic programs through teachers possessing advanced degrees and demonstrable competence in their areas of professional responsibility
- stay abreast of and incorporate best practices into teaching, learning, technology and leadership
- advocate and practice true accountability based on measurement of individual student progress over time, regardless of external mandates
- actively pursue, foster and support an advanced digital learning environment

III. Climate… In pursuit of excellence, the district will:

- celebrate, respect, and promote the value of diversity in our Denton ISD Community.
- encourage and nourish a safe learning and compassionate working environment which ensures open and transparent communication and is supportive, cooperative, and ethical.
- establish a high expectation level for success for all students, staff, parents, and community
- instill in students a love of life-long learning
- motivate and prepare students to embrace their full responsibilities and obligations as active citizens of their community, nation, and world

IV. Parent and Community Involvement…In pursuit of excellence, the district will:

- foster a positive and welcoming environment that encourages parent and community partnerships to achieve success for all our students
- work continuously with the community in planning and facility development
- utilize citizens' advisory committees to focus on short and long-term tasks
- provide support services and promote health, wellness and safety for students and families
- establish and promote programs to develop and enhance parenting skills and participation in the schools
- promote child advocacy across the state and nation

V. Human Resources…In pursuit of excellence, the district will:

- develop and expect a consistently high level of, and respect for, professional performance by all staff
- recruit, select, employ and retain teachers in every classroom because of substantive experience in the discipline they teach, rather than in auxiliary functions
- maintain a diverse workforce with respect to qualifications, expertise, and commitment to excellence
- encourage all teachers and staff to pursue advanced professional development and degrees within their specialty area
- promote health and wellness in our workforce

VI. Growth, Change & Fiscal Responsibility…In pursuit of excellence, the district will:

- review and adjust policies and procedures as appropriate to address the challenges of rapid growth and changing demographic characteristics while maintaining and enhancing our strong sense of community
- create and continuously modify strategies to mitigate increasing stresses on our children, our schools, and our community
- be environmentally responsible and aggressively pursue energy efficiency and conservation principles in building design, transportation alternatives, and operating procedures
- work continuously with our community to adjust and enhance district goals as appropriate
- demonstrate effective and efficient management of district resources
- provide leadership and/or oversight to ensure District meets all fiscal, legal and regulatory requirements.

Lee Elementary School Campus Improvement Plan

2011-12 Comprehensive Needs Assessment Summary

In accordance with state and federal legislative requirements, the staff at Lee Elementary School conducted a comprehensive needs assessment for the 2011-12 school year. Data and findings from the comprehensive needs assessment were then used to develop the activities/strategies in the additional sections of the Campus Improvement Plan.

Demographics:

Demographics refer to the characteristics or make-up of the school and help us understand who we are currently working with and how we implement strategies, initiatives, programs and services to meet their needs.

Potential Data Sources:

- Enrollment
- Attendence
- Ethnicity
- Gender
- Mobility/Stability
- Special Program Participation
- At-Risk by Category
- Teacher-Student Ratios
- Graduation, Completion, Droupout and GED rates
- Course/Class Assignments
- College/University/Dual Credit/Advanced Placement Enrollment

Data Sources Reviewed

Demographic data are very important for us to understand as they are part of our educational system over which we have no control, but from which we can observe trends and learn for purposes of prediction and planning. – Victoria Bernhardt

List the actual data sources reviewed below.

- AEIS data (3 years) 2007-2010

See page 7 of the guide for probing questions related to demographics.

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- enrollment level is maintained
- Mobility rate going down

Needs

- Since Hispanic and Economically Disadvantaged numbers are going up, we need to monitor interventions for these two sub groups
- Our Special Education enrollment is increasing

Summary of Needs

- We need to establish our RTI process to monitor and increase interventions
- for Hispanic and Economically Disadvantaged students
- We need to monitor and decrease our special ed enrollment using the RTI
- process

Student Achievement

Student Achievement data refers to the annual and longitudinal reviews from varied sources of formal and informal data. These data provide insights about the degree to which students are acquiring the knowledge and skills expected for each grade level and course of study.

Potential Data Sources:

- State Assessment Data
- LEPAS and AMAO Results
- SAT/ACT/PSAT Results
- Advanced Course/Dual Enrollment Data
- Standardized, Norm-Referenced, Criterion-Referenced Tests and Measures
- State and AYP Data Tables
- Texas Success Initiative (TSI) Data
- Course/Class Grades
- Graduation, Completion, Droupout, and GED Rates; Diploma Types
- Promotion/Retention Rates
- Classroom and Program Assessments and Other Data
- Student Work

Data Sources Reviewed

We want to gather and analyze data that will help us understand the system that produces the results we are getting. We also want to move our district continuous improvement efforts from random acts of improvement to focused improvement that centers on our ultimate purpose: improving learning for all students. – Victoria Bernhardt

List the actual data sources reviewed below.

- AEIS reports (2007-2010)
- AWARE- TAKS reports
- AWARE- Common Assessments
- AWARE- Benchmark Assessments

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Maintained our Recognized rating
- Target our most at risk students for
- intervention plans
- Increased our science scores by 5%
- overall and 10% for Hispanics and
- 10% for Economically Disadvantaged
- PLCs

Needs

- Monitor Commended Performance for
- our Economically Disadvantaged
- Monitor and increase 4th grade reading
- scores overall and for our Hispanic and
- ELL students
- Monitor and increase our math scores at
- 3rd, 4th and 5th grades

Summary of Needs

- We need to continue our growth in our Commended Performance by
- learning more about teaching with rigor
- We need to continue improving our 4th grade reading.
- We need to continue improving our math instruction in all grades.

School Culture and Climate

School culture refers to the organization's values, beliefs, transitions, and customs which shape the personality and climate of the organization. It determines how parents, community, staff and students feel about the school and affects how people interact within the system

Potential Data Sources

- Surveys
- Questionnaires
- Focus Groups
- Interviews
- Feedback Data
- Classroom and School Walkthrough Data
- Parent Conferences, Meetings, etc.

Data Sources Reviewed

Culture is the underground stream of norms, values, beliefs, traditions, and rituals that build up over time as people work together, solve problems, and confront challenges. This set of informal expectations and values shapes how people think, feel, and act in schools. – Author unknown.

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Clubs for all students on Friday afternoon
- Majority of teachers feel PLCs are
- productive & that students benefit from
- the teachers participating in PLCs
- Schoolwide Procedures
- CHAMPs in classrooms
- Core Essential-Character Ed
- Bully Buster Program

Needs

- Students express feeling unsafe in the
- playground and in the restrooms
- Teachers feel that incompatible group
- members keep staff from having honest
- communication in PLCs

Summary of Needs

- Need to review our schoolwide procedures for the playground & bathrooms so
- we can improve the feeling of safety in these areas.
- Even though the majority of staff members feel that our PLCs are productive,
- we still have a few staff members who are incompatible group members and do not
- communicate honestly. We need to continue providing PLC staff development &
- team building activities.

Staff Quality, Recruitment and Retention

Staff Quality, Recruitment and Retention refers to the school organization's level of high-quality, highly-effective staff, particularly in high-poverty schools. This area is also focused on assessing the effect of recruitment and retention strategies on staffing patterns

Potential Data Sources

Strengths

- 100% Highly Qualified teachers &
- paraprofessionals
- Instructional Coaching by IS, district
- consultants & outside consultants
- PLCs

Needs

- Team/Campus building activities
- More collaboration among teams, as
- well as more sharing of ideas
- Provide instructional coaching as needed
- by staff

Summary of Needs

- Team/Campus building activities
- More collaboration among teams, as well as more sharing of ideas
- as the focus of our faculty meetings
- Provide instructional coaching as needed by staff- by colleagues, by IS,
- DISD coordinators, outside consultants

Curriculum, Instruction and Assessment

The curriculum/curricula collectively describes the teaching, learning, and assessment materials and resources available for a given course of study. These are aligned with the TEKS and other standards, incorporating instruction and assessment processes.

Potential Data Sources

- Standards-Based Curriculum Resources and Materials
- Scope and Sequence, Pacing Guides; and/or Other Focus Documents
- Foundation Course/Class Materials
- Enrichment Course/Class Materials
- Technology
- Instructional Design/Delivery; High-Yield Strategies
- Lesson Study/Delivery Processes

Wildy Important Goals for 2011-12
WIG 1: To increase our knowledge of how to teach with rigor in the STAAR tested content areas, including math and science, 100% of the teachers will participate in staff development so that by the end of the 2011-2012 school year the teachers will set a goal for their classrooms for the 2012-2013 school year for teaching problem solving in math and using inquiry to teach science.
WIG 2: This is our third year of being a model Positive Behavior Support (PBS) school for Region XI. We will continue to implement campus wide procedures, as well as CHAMPs in our classrooms, so that less than 10% of our students feel unsafe in our playground and our bathrooms.

Denton Independent School District

Mission Statement

Denton Independent School District's Mission Statement

…in pursuit of excellence…

The mission of the Denton Public Schools, in partnership with home and community, is to provide the best educational opportunities in a challenging yet supportive environment where individuals and cultural diversity are respected, so that our students become knowledgeable and responsible citizens, capable of life-long learning and demonstrate the necessary skills to contribute productively in a complex and ever-changing world.

McNair Elementary School's Mission Statement

McNair Elementary is dedicated to providing a quality education for all students, and promoting a life long learning environment to produce responsible students.

Motto: Believe and Achieve

Board Goals

Denton Independent School District's Board Goals

I. Vision … In pursuit of excellence, the district will:

- cultivate a network of professional learning communities addressing the educational needs of every child in our district
- develop and maintain a culture where learning remains our first priority
- remain committed to providing equitable and outstanding opportunities for every student on every campus
- establish goals for individual campuses that incorporate both measurable and intangible factors
- develop a budget focused on student and professional learning
- effectively communicate achievements and recognitions to the Denton ISD community
- prepare our students to be successful in a global society while instilling an appreciation for community service

II. Teaching & Learning… In pursuit of excellence, the district will:

- cultivate a consistent, strong, district-wide balanced curriculum based on ongoing needs assessments that supports all students
- establish high expectations with a curriculum that fosters inquiry and critical thinking
- develop academic skills and interpersonal relationships necessary for student success in college, the workplace and for life.
- expect full curriculum implementation on each campus by instructional leaders
- establish quality staff development programs that promote professional learning communities
- strive to deliver all academic programs through teachers possessing advanced degrees and demonstrable competence in their areas of professional responsibility
- stay abreast of and incorporate best practices into teaching, learning, technology and leadership
- advocate and practice true accountability based on measurement of individual student progress over time, regardless of external mandates
- actively pursue, foster and support an advanced digital learning environment

III. Climate… In pursuit of excellence, the district will:

- celebrate, respect, and promote the value of diversity in our Denton ISD Community.
- encourage and nourish a safe learning and compassionate working environment which ensures open and transparent communication and is supportive, cooperative, and ethical.
- establish a high expectation level for success for all students, staff, parents, and community
- instill in students a love of life-long learning
- motivate and prepare students to embrace their full responsibilities and obligations as active citizens of their community, nation, and world

IV. Parent and Community Involvement…In pursuit of excellence, the district will:

- foster a positive and welcoming environment that encourages parent and community partnerships to achieve success for all our students
- work continuously with the community in planning and facility development
- utilize citizens' advisory committees to focus on short and long-term tasks
- provide support services and promote health, wellness and safety for students and families
- establish and promote programs to develop and enhance parenting skills and participation in the schools
- promote child advocacy across the state and nation

V. Human Resources…In pursuit of excellence, the district will:

- develop and expect a consistently high level of, and respect for, professional performance by all staff
- recruit, select, employ and retain teachers in every classroom because of substantive experience in the discipline they teach, rather than in auxiliary functions
- maintain a diverse workforce with respect to qualifications, expertise, and commitment to excellence
- encourage all teachers and staff to pursue advanced professional development and degrees within their specialty area
- promote health and wellness in our workforce

VI. Growth, Change & Fiscal Responsibility…In pursuit of excellence, the district will:

- review and adjust policies and procedures as appropriate to address the challenges of rapid growth and changing demographic characteristics while maintaining and enhancing our strong sense of community
- create and continuously modify strategies to mitigate increasing stresses on our children, our schools, and our community
- be environmentally responsible and aggressively pursue energy efficiency and conservation principles in building design, transportation alternatives, and operating procedures
- work continuously with our community to adjust and enhance district goals as appropriate
- demonstrate effective and efficient management of district resources
- provide leadership and/or oversight to ensure District meets all fiscal, legal and regulatory requirements.

McNair Elementary School Campus Improvement Plan

2011-12 Comprehensive Needs Assessment Summary

In accordance with state and federal legislative requirements, the staff at McNair Elementary School conducted a comprehensive needs assessment for the 2011-12 school year. Data and findings from the comprehensive needs assessment were then used to develop the activities/strategies in the additional sections of the Campus Improvement Plan.

Demographics:

Demographics refer to the characteristics or make-up of the school and help us understand who we are currently working with and how we implement strategies, initiatives, programs and services to meet their needs.

Potential Data Sources:

- Enrollment
- Attendence
- Ethnicity
- Gender
- Mobility/Stability
- Special Program Participation
- At-Risk by Category
- Teacher-Student Ratios
- Graduation, Completion, Droupout and GED rates
- Course/Class Assignments
- College/University/Dual Credit/Advanced Placement Enrollment

Data Sources Reviewed

Demographic data are very important for us to understand as they are part of our educational system over which we have no control, but from which we can observe trends and learn for purposes of prediction and planning. – Victoria Bernhardt

List the actual data sources reviewed below.

- PEIMS data review from Ray Lagleder
- School data from office staff
- PEIMS campus summary report
- Special Education Manager sysytem

See page 7 of the guide for probing questions related to demographics.

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- similar male and female percentages
- spec ed ethnicity percentages similar to all students percentages
- strong female EXPO percentage

Needs

- discrepancies in data bases
- Monitor/reduce male at-risk numbers
- Monitor/reduce male spec ed numbers
- monitor/increase black and Hispanic EXPO numbers

Summary of Needs

- Resolve discrepancies in data bases, especially the at-risk category
- Monitor/reduce male at-risk numbers with early interventions
- Monitor/reduce male spec ed numbers with early interventions
- Monitor/increase black and Hispanic EXPO percentages through screenings

Student Achievement

Student Achievement data refers to the annual and longitudinal reviews from varied sources of formal and informal data. These data provide insights about the degree to which students are acquiring the knowledge and skills expected for each grade level and course of study.

Potential Data Sources:

- State Assessment Data
- LEPAS and AMAO Results
- SAT/ACT/PSAT Results
- Advanced Course/Dual Enrollment Data
- Standardized, Norm-Referenced, Criterion-Referenced Tests and Measures
- State and AYP Data Tables
- Texas Success Initiative (TSI) Data
- Course/Class Grades
- Graduation, Completion, Droupout, and GED Rates; Diploma Types
- Promotion/Retention Rates
- Classroom and Program Assessments and Other Data
- Student Work

Data Sources Reviewed

We want to gather and analyze data that will help us understand the system that produces the results we are getting. We also want to move our district continuous improvement efforts from random acts of improvement to focused improvement that centers on our ultimate purpose: improving learning for all students. – Victoria Bernhardt

List the actual data sources reviewed below.

- AEIS report for 2009-2010
- STAR data

See page 8 of the guide for probing questions related to Student Achievement

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Our overall TAKS scores for all areas were excellent, as we were rated Exemplary for 2010.
- Our Reading scores were exceptionally good for all subgroups.
- We have a good inclusion team that has provided excellent support and inclusion services in the classrooms for all groups.
- Our staff has been progressing steadily as a Professional Learning Community, and this has had a positive impact on student achievement.
- We have a good inclusion team that has provided excellent support and inclusion services in the classrooms for all groups.
- We showed good growth in Reading TAKS passing rates for Special Ed, and Science for the Hispanic subgroup.
- No major discrepancies were noted among the ethnic subgroups for Reading, Writing, and Math.

Needs

- We need to increase the African American commended rates - they appeared to be the lowest in all subject areas for the ethnic subgroups.
- Although the passing rate for writing in 2010 was excellent at >99%, the commended rate dropped slightly to 27%.
- The Hispanic subgroup was low for grades 3-5 TAKS M tests overall, at 50%, as well as Economically Disadvantaged, at 64% for TAKS M.

Summary of Needs

- Since our overall taks scores are in the exemplary range, and over 90% for subgroups, we could work to increase our commended rates in all subject areas; and specifically for African American subgroups, and in writing.
- We need to increase our passing rate for TAKS M tests; specifically the Hispanic subgroup, and economically disadvantaged.

School Culture and Climate

School culture refers to the organization's values, beliefs, transitions, and customs which shape the personality and climate of the organization. It determines how parents, community, staff and students feel about the school and affects how people interact within the system

Potential Data Sources

- Surveys
- Questionnaires
- Focus Groups
- Interviews
- Feedback Data
- Classroom and School Walkthrough Data
- Parent Conferences, Meetings, etc.

Data Sources Reviewed

Culture is the underground stream of norms, values, beliefs, traditions, and rituals that build up over time as people work together, solve problems, and confront challenges. This set of informal expectations and values shapes how people think, feel, and act in schools. – Author unknown.

A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Positive climate for both students and staff
- Reward systems
- Student/staff recognition
- Social oppurtunities for students and staff
- A variety of extracurricular activities

Needs

- student expressed a need for more teachers patrolling to watch out for bullying
- there is a need for extra-curricular activities geared toward the younger grades
- there is a need for extra-curricular activities geared toward students that are academically challenged to give them a more positive view of school.

Summary of Needs

- Students expressed a need for more teachers patrolling to watch out for bullying.
- There is a need for extra-curricular activities geared toward the younger grades.
- There is a need for extra-curricular activities geared toward students that are academically challenged to give them a more positive view of school.

Staff Quality, Recruitment and Retention

Staff Quality, Recruitment and Retention refers to the school organization's level of high-quality, highly-effective staff, particularly in high-poverty schools. This area is also focused on assessing the effect of recruitment and retention strategies on staffing patterns

Potential Data Sources

- Teacher Certification/Qualification Data
- Paraprofessional and Other Staff Qualifications
- Staff Effectiveness in Relation to Student Achievement
- PDAS and/or Other Staff Effectiveness Data
- Staff Mobility/Stability
- Special Programs Qualifications; e.g., Bilingual/ESL/, Special Education, etc.

Strengths

- Instructional Coaching (IST)
- Bachelor Degrees / Some Masters
- Professional development hours
- First Year Teacher Academy
- On-campus Mentor Teacher

Needs

- Extend IST's for years 1-3
- Pair 1-3 year teachers with mentor
- More collaboration amongst teams;sharing of ideas
- Team/Campus building activities

Summary of Needs

- Extend IST and Mentor teacher relationships for new teachers years 1-3
- More classroom management support for newer teachers/problem students and SAC
- More collaboration amongst teams by sharing of ideas
- Team/Campus building activities

Curriculum, Instruction and Assessment

The curriculum/curricula collectively describes the teaching, learning, and assessment materials and resources available for a given course of study. These are aligned with the TEKS and other standards, incorporating instruction and assessment processes.

Potential Data Sources

- Standards-Based Curriculum Resources and Materials
- Scope and Sequence, Pacing Guides; and/or Other Focus Documents
- Foundation Course/Class Materials
- Enrichment Course/Class Materials
- Technology
- Instructional Design/Delivery; High-Yield Strategies

A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- PTA membership
- using technology to distribute information and opportunities to parents through website, email, and folders online
- involving college student volunteers from the community to assist in big events such as hoedown and sock hop
- Lots of good support programs available in the community - including counseling support for students and their families, as well as our staff.
- 10,657 volunteer hours documented so far this year
- involving parents as well as grandparents in school activities

Needs

- majority of work done by same few volunteers, so reaching out to involve more parents to spread out the workload would be helpful
- reaching kindergarten parents to get them involved at an earlier time
- Find a way of making sure everyone knows about support programs and how to access them.

Summary of Needs

- Reaching out to involve more parents in the work that should be done instead of relying on the same small group of volunteers that seem to do the bulk of the work now.
- Reaching out to involve kindergarten parents sooner - like at K roundup.

School Context and Organization

School Context and Organization refers to the processes, structures, decision-making, and overall leadership aspects of the organization, including how these areas address quality teaching and learning.

Potential Data Sources:

- School Structure or Make-Up, e.g., Teaming, Looping, etc

Strengths

- CLT meetings
- Team leader meetings
- PLC grade level meetings
- PLC school wide meetings
- school intervention programs
- TAKS tutor for grades 3-5

Needs

- provide staff immediate updates on CLT decisions
- Change of schedule for data PLC mtgs.
- Vertical teams need to meet more often

Summary of Needs

- More staff surveys throughout the school year
- Provide staff immediate updates of CLT decisions. Staff is provided information but it needs to be sooner.
- More vertical team meetings
- More time to have grade level data PLC meetings (power PLC meetings)
- New PLC form to be used for the power PLC meetings.

Technology

Technology refers to modeling and applying digital tools and resources for students, staff, and other stakeholders to advance teaching and learning, and connect to real-world experiences, including post-secondary opportunities.

Board Goals

Denton Independent School District's Board Goals

I. Vision … In pursuit of excellence, the district will:

- cultivate a network of professional learning communities addressing the educational needs of every child in our district
- develop and maintain a culture where learning remains our first priority
- remain committed to providing equitable and outstanding opportunities for every student on every campus
- establish goals for individual campuses that incorporate both measurable and intangible factors
- develop a budget focused on student and professional learning
- effectively communicate achievements and recognitions to the Denton ISD community
- prepare our students to be successful in a global society while instilling an appreciation for community service

II. Teaching & Learning… In pursuit of excellence, the district will:

- cultivate a consistent, strong, district-wide balanced curriculum based on ongoing needs assessments that supports all students
- establish high expectations with a curriculum that fosters inquiry and critical thinking
- develop academic skills and interpersonal relationships necessary for student success in college, the workplace and for life.
- expect full curriculum implementation on each campus by instructional leaders
- establish quality staff development programs that promote professional learning communities
- strive to deliver all academic programs through teachers possessing advanced degrees and demonstrable competence in their areas of professional responsibility
- stay abreast of and incorporate best practices into teaching, learning, technology and leadership
- advocate and practice true accountability based on measurement of individual student progress over time, regardless of external mandates
- actively pursue, foster and support an advanced digital learning environment

III. Climate… In pursuit of excellence, the district will:

- celebrate, respect, and promote the value of diversity in our Denton ISD Community.
- encourage and nourish a safe learning and compassionate working environment which ensures open and transparent communication and is supportive, cooperative, and ethical.
- establish a high expectation level for success for all students, staff, parents, and community
- instill in students a love of life-long learning
- motivate and prepare students to embrace their full responsibilities and obligations as active citizens of their community, nation, and world

IV. Parent and Community Involvement…In pursuit of excellence, the district will:

- foster a positive and welcoming environment that encourages parent and community partnerships to achieve success for all our students
- work continuously with the community in planning and facility development
- utilize citizens' advisory committees to focus on short and long-term tasks
- provide support services and promote health, wellness and safety for students and families
- establish and promote programs to develop and enhance parenting skills and participation in the schools
- promote child advocacy across the state and nation

V. Human Resources…In pursuit of excellence, the district will:

- develop and expect a consistently high level of, and respect for, professional performance by all staff
- recruit, select, employ and retain teachers in every classroom because of substantive experience in the discipline they teach, rather than in auxiliary functions
- maintain a diverse workforce with respect to qualifications, expertise, and commitment to excellence
- encourage all teachers and staff to pursue advanced professional development and degrees within their specialty area
- promote health and wellness in our workforce

VI. Growth, Change & Fiscal Responsibility…In pursuit of excellence, the district will:

- review and adjust policies and procedures as appropriate to address the challenges of rapid growth and changing demographic characteristics while maintaining and enhancing our strong sense of community
- create and continuously modify strategies to mitigate increasing stresses on our children, our schools, and our community
- be environmentally responsible and aggressively pursue energy efficiency and conservation principles in building design, transportation alternatives, and operating procedures
- work continuously with our community to adjust and enhance district goals as appropriate
- demonstrate effective and efficient management of district resources
- provide leadership and/or oversight to ensure District meets all fiscal, legal and regulatory requirements.

2011-12 Comprehensive Needs Assessment Summary

In accordance with state and federal legislative requirements, the staff at L.A. Nelson Elementary School 2011-2012 conducted a comprehensive needs assessment for the 2011-12 school year. Data and findings from the comprehensive needs assessment were then used to develop the activities/strategies in the additional sections of the Campus Improvement Plan.

Demographics:

Demographics refer to the characteristics or make-up of the school and help us understand who we are currently working with and how we implement strategies, initiatives, programs and services to meet their needs.

Potential Data Sources:

- Enrollment
- Attendence
- Ethnicity
- Gender
- Mobility/Stability
- Special Program Participation
- At-Risk by Category
- Teacher-Student Ratios
- Graduation, Completion, Droupout and GED rates
- Course/Class Assignments
- College/University/Dual Credit/Advanced Placement Enrollment

Data Sources Reviewed

Demographic data are very important for us to understand as they are part of our educational system over which we have no control, but from which we can observe trends and learn for purposes of prediction and planning. – Victoria Bernhardt

List the actual data sources reviewed below.

- Eschool Plus
- PEIMS data from Ray Lagleder
- PEIMS campus summary report
- AEIS report

See page 7 of the guide for probing questions related to demographics.

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- African American 17%
- Hispanic 27%
- White 53%
- Other 3%
- Economically Disadvantaged- 35%
- 8% growth each year
- 9% EXPO- 20% Hispanic, 61% White, 9% African American, 2% Asian, 9% Other
- 4% Special Education

Needs

- by adding new teachers to the campus we must have a PD for consistency due to 8% growth.
- Monitor and increase academic performance of LEP students

Summary of Needs

- Monitor and support ELLs

Student Achievement

Student Achievement data refers to the annual and longitudinal reviews from varied sources of formal and informal data. These data provide insights about the degree to which students are acquiring the knowledge and skills expected for each grade level and course of study.

Potential Data Sources:

- State Assessment Data
- LEPAS and AMAO Results
- SAT/ACT/PSAT Results
- Advanced Course/Dual Enrollment Data
- Standardized, Norm-Referenced, Criterion-Referenced Tests and Measures
- State and AYP Data Tables
- Texas Success Initiative (TSI) Data
- Course/Class Grades
- Graduation, Completion, Droupout, and GED Rates; Diploma Types
- Promotion/Retention Rates
- Classroom and Program Assessments and Other Data
- Student Work

Data Sources Reviewed

We want to gather and analyze data that will help us understand the system that produces the results we are getting. We also want to move our district continuous improvement efforts from random acts of improvement to focused improvement that centers on our ultimate purpose: improving learning for all students. – Victoria Bernhardt

Denton Independent School District

Mission Statement

Denton Independent School District's Mission Statement

…in pursuit of excellence…

The mission of the Denton Public Schools, in partnership with home and community, is to provide the best educational opportunities in a challenging yet supportive environment where individuals and cultural diversity are respected, so that our students become knowledgeable and responsible citizens, capable of life-long learning and demonstrate the necessary skills to contribute productively in a complex and ever-changing world.

Paloma Creek Elementary School's Mission Statement

Our mission at Paloma Creek Elementary is to create an environment where the entire community collaborates in promoting student learning and to use interventions and enrichment opportunities during the school day that will ensure a higher level of student achievement.

Board Goals

Denton Independent School District's Board Goals

I. Vision … In pursuit of excellence, the district will:

- cultivate a network of professional learning communities addressing the educational needs of every child in our district
- develop and maintain a culture where learning remains our first priority
- remain committed to providing equitable and outstanding opportunities for every student on every campus
- establish goals for individual campuses that incorporate both measurable and intangible factors
- develop a budget focused on student and professional learning
- effectively communicate achievements and recognitions to the Denton ISD community
- prepare our students to be successful in a global society while instilling an appreciation for community service

II. Teaching & Learning… In pursuit of excellence, the district will:

- cultivate a consistent, strong, district-wide balanced curriculum based on ongoing needs assessments that supports all students
- establish high expectations with a curriculum that fosters inquiry and critical thinking
- develop academic skills and interpersonal relationships necessary for student success in college, the workplace and for life.
- expect full curriculum implementation on each campus by instructional leaders
- establish quality staff development programs that promote professional learning communities
- strive to deliver all academic programs through teachers possessing advanced degrees and demonstrable competence in their areas of professional responsibility
- stay abreast of and incorporate best practices into teaching, learning, technology and leadership
- advocate and practice true accountability based on measurement of individual student progress over time, regardless of external mandates
- actively pursue, foster and support an advanced digital learning environment

III. Climate… In pursuit of excellence, the district will:

- celebrate, respect, and promote the value of diversity in our Denton ISD Community.
- encourage and nourish a safe learning and compassionate working environment which ensures open and transparent communication and is supportive, cooperative, and ethical.
- establish a high expectation level for success for all students, staff, parents, and community
- instill in students a love of life-long learning
- motivate and prepare students to embrace their full responsibilities and obligations as active citizens of their community, nation, and world

IV. Parent and Community Involvement…In pursuit of excellence, the district will:

- foster a positive and welcoming environment that encourages parent and community partnerships to achieve success for all our students
- work continuously with the community in planning and facility development
- utilize citizens' advisory committees to focus on short and long-term tasks
- provide support services and promote health, wellness and safety for students and families
- establish and promote programs to develop and enhance parenting skills and participation in the schools
- promote child advocacy across the state and nation

V. Human Resources…In pursuit of excellence, the district will:

- develop and expect a consistently high level of, and respect for, professional performance by all staff
- recruit, select, employ and retain teachers in every classroom because of substantive experience in the discipline they teach, rather than in auxiliary functions
- maintain a diverse workforce with respect to qualifications, expertise, and commitment to excellence
- encourage all teachers and staff to pursue advanced professional development and degrees within their specialty area
- promote health and wellness in our workforce

VI. Growth, Change & Fiscal Responsibility…In pursuit of excellence, the district will:

- review and adjust policies and procedures as appropriate to address the challenges of rapid growth and changing demographic characteristics while maintaining and enhancing our strong sense of community
- create and continuously modify strategies to mitigate increasing stresses on our children, our schools, and our community
- be environmentally responsible and aggressively pursue energy efficiency and conservation principles in building design, transportation alternatives, and operating procedures
- work continuously with our community to adjust and enhance district goals as appropriate
- demonstrate effective and efficient management of district resources
- provide leadership and/or oversight to ensure District meets all fiscal, legal and regulatory requirements.

Paloma Creek Elementary School Campus Improvement Plan

2011-12 Comprehensive Needs Assessment Summary

In accordance with state and federal legislative requirements, the staff at Paloma Creek Elementary School conducted a comprehensive needs assessment for the 2011-12 school year. Data and findings from the comprehensive needs assessment were then used to develop the activities/strategies in the additional sections of the Campus Improvement Plan.

Demographics:

Demographics refer to the characteristics or make-up of the school and help us understand who we are currently working with and how we implement strategies, initiatives, programs and services to meet their needs.

Potential Data Sources:

- Enrollment
- Attendence
- Ethnicity
- Gender
- Mobility/Stability
- Special Program Participation
- At-Risk by Category
- Teacher-Student Ratios
- Graduation, Completion, Droupout and GED rates
- Course/Class Assignments
- College/University/Dual Credit/Advanced Placement Enrollment

Data Sources Reviewed

Demographic data are very important for us to understand as they are part of our educational system over which we have no control, but from which we can observe trends and learn for purposes of prediction and planning. – Victoria Bernhardt

List the actual data sources reviewed below.

- PEIMS Reports from Mr. Lagletter
- School Data from office staff
- Teachere input
- EXPO information from EXPO teacher

See page 7 of the guide for probing questions related to demographics.

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Total white and African Am. Population increases
- Total At-Risk White and African Am. Population decreases
- Bubble students K-2 are served through literacy groups
- Struggling students 3-5 are served through small group instruction.
- Overrepresentation of Whites in EXPO

Needs

- Monitor/Reduce Hispanic At-risk students with vocabulary and SIOP strategies
- Monitor Dyslexia students to be served in appropriate groups on a daily basis
- Monitor/Increase referrals for hard to identify gifted students.
- Underrepresentation of economically disadvantaged students in EXPO
-

Summary of Needs

- Monitor to help reduce the amount of Hispanic At-Risk students by encouraging teachers to use SIOP Strategies
- Consider providing additional serviced for Dylexia students to become more successful
- Educate/train teachers on how to identify "hard to identify" EXPO students.
- Examine our under representation of black and Hispanic EXPO percentages through screenings

Student Achievement

Student Achievement data refers to the annual and longitudinal reviews from varied sources of formal and informal data. These data provide insights about the degree to which students are acquiring the knowledge and skills expected for each grade level and course of study.

Potential Data Sources:

- State Assessment Data
- LEPAS and AMAO Results
- SAT/ACT/PSAT Results
- Advanced Course/Dual Enrollment Data
- Standardized, Norm-Referenced, Criterion-Referenced Tests and Measures
- State and AYP Data Tables
- Texas Success Initiative (TSI) Data
- Course/Class Grades
- Graduation, Completion, Droupout, and GED Rates; Diploma Types
- Promotion/Retention Rates
- Classroom and Program Assessments and Other Data
- Student Work

Data Sources Reviewed

We want to gather and analyze data that will help us understand the system that produces the results we are getting. We also want to move our district continuous improvement efforts from random acts of improvement to focused improvement that centers on our ultimate purpose: improving learning for all students. – Victoria Bernhardt

List the actual data sources reviewed below.

- AWARE Reports
- K-2 ELI (BOY, MOY)
- 3-5 grades Benchmarks
- 3-5 grades TAKS results Reading and Math
- AEIS Reports

See page 8 of the guide for probing questions related to Student Achievement

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Overall TAKS scores for all areas were excellent
- Our staff has been progressing steadily and slowing in implementing PLC methods to help improve instruction.
- We showed growth in Math results overall. It was our weakness and it has become our strength.
- No major discrepancies were noted among the subgroups for all subjects tested.
- ELI and DRA (K-2nd) indicate Hispanic and females scored higher in all categories.
- Strong intervention process is in place with Falcon Time.

Needs

- We need interventions to help our Special Education students in Science TAKS.
- We need to improve our inclusion team to provide more support and inclusion services in the classrooms.
- We need to improve our commended performance ratings in all areas.
- Economically Disadvantaged subgroup in 5th grade (33 students) did not score well and we need to focus on improving this scoring.
- We need to examine how we can better differentiate instruction to meet the needs of Af. Am. LEP and At-Risk students.
- Need to continue to use our Falcon Time to increase instruction for deficiencies.
- Use Falcon time effectively every time to tutor students for added learning.

Summary of Needs

- Our TAKS scores in all areas were over the 90% percent. The subgroups did well over the 90% as well but our Science scores were at 86% passing. What really did not help were the scores of our Economically Disadvantaged students.
- For the first time we had an SES subgroup in 5th grade Science and we scored a 76% passing. This kept us from an exemplary rating.

School Culture and Climate

School culture refers to the organization's values, beliefs, transitions, and customs which shape the personality and climate of the organization. It determines how parents, community, staff and students feel about the school and affects how people interact within the system

Potential Data Sources

- Surveys
- Questionnaires
- Focus Groups
- Interviews
- Feedback Data
- Classroom and School Walkthrough Data
- Parent Conferences, Meetings, etc.

Data Sources Reviewed

Culture is the underground stream of norms, values, beliefs, traditions, and rituals that build up over time as people work together, solve problems, and confront challenges. This set of informal expectations and values shapes how people think, feel, and act in schools. – Author unknown.

List the actual data sources reviewed below.

- Computerized database of volunteers
- Surveys sent to parents
- PTA Members
- Interviewing students
- Discussion with staff members

See page 9 of the guide for probing questions related to School Culture and Climate

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Of the students interviewed 90% think that the climate overall is satisfactory.
- Our staff works to align themselves with our mission and vision statements of maximizing students potential for a lifetime.
- Of the teachers interviewed 90% were satified and happy and they believe that there is a great rapport with the students and teachers.
- Reward systems are in place
- Social opportunites for students and staff are provided.
- A variety of extracurricular activities are available.

Needs

- Monitor/increase communication between administration, staff and team to team.
- Improve the school-wide discipline to respect from student to student.
- Implement a rubric of consequences when students make bad choices and end up in ISS and OSS.
- There needs to be an awareness campaign for identifying and putting forth consequences to bullying.
- There is a need for extra-curricular activities geared toward students that are academically challenged to give them a more positive view of the school.

Summary of Needs

- Staff needs to become more cognizant of identifying and following through with consequences for bullies. We need to train the school, students, community about bullying. What is bullying. How we handle it and what the consequences are.
- We need to increase communication between administration, staff and team to teams.
- School wide rubric of consequences for students who make bad choices at school.

Staff Quality, Recruitment and Retention

Staff Quality, Recruitment and Retention refers to the school organization's level of high-quality, highly-effective staff, particularly in high-poverty schools. This area is also focused on assessing the effect of recruitment and retention strategies on staffing patterns

Potential Data Sources

- Teacher Certification/Qualification Data
- Paraprofessional and Other Staff Qualifications
- Staff Effectiveness in Relation to Student Achievement
- PDAS and/or Other Staff Effectiveness Data
- Staff Mobility/Stability
- Special Programs Qualifications; e.g., Bilingual/ESL/, Special Education, etc.
- Professional Development Data
- Teacher-Student Ratios
- Graduation, Completion, Dropout, and GED rates
- Course/Class Completions, Grades, and Other Data
- Recruitment and Retention Strategies and Other Data

Data Sources Reviewed

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Teachers are able to engage students to learning
- There is a strong use of technology in the classrooms
- Teachers are able to take students to higher order thinking skills
- 21% of our staff misses only 5 days of school or less.
- There is a high ratio of teachers that are retained (84%)
- We have a highly qualified and trained Life Skills staff.
- Highest needs students generally pass TAKS tests.

Needs

- All staff needs to be ESL certified
- Monitor/lower the percentage of teacher who miss 10 days of school or more. 34% of our teachers miss 10 or more days.
- We need to create an incentive to entice teacher to high attendance.
- We need to offer praise and awards to those teachers that have high attendance rates.
- Improve mentor teacher program
- Improve team/campus building activities.
- More collaboration among teams; allowing for the sharing of ideas.

Summary of Needs

- Overall, the staff needs an incentive to come to school and be effective. When a teacher misses school the students stay behind.
- Improve the mentor program to help new teachers be more effective.
- Continue to create and implement team/campus building activities.
- Allow for the collaboration of teams and help to create an environment for the teams to share ideas for instruction and learning.

Curriculum, Instruction and Assessment

The curriculum/curricula collectively describes the teaching, learning, and assessment materials and resources available for a given course of study. These are aligned with the TEKS and other standards, incorporating instruction and assessment processes.

Potential Data Sources

- Standards-Based Curriculum Resources and Materials
- Scope and Sequence, Pacing Guides; and/or Other Focus Documents
- Foundation Course/Class Materials
- Enrichment Course/Class Materials
- Technology
- Instructional Design/Delivery; High-Yield Strategies
- Lesson Study/Delivery Processes
- Collaborative Horizontal and Vertical Team Alignment Processes
- Student-Specific/Differentiated Strategies and processes
- Common benchmark Assessments and/or Other Assessments
- Class, School, and Special Program Schedules

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Teachers meet to PLC every Tuesday
- School is aligned with 21st Century Learning Skills
- Conducting frequent assessments to track student progress
- Use of Valuable curriculum initiatives ie. Rock and Roll Math….etc.
- Effective use of Falcon Time to assist learners with additional instruction
- Keeping sharp with staff development
- Collaboration among teachers and teams
- Use of many interventions….EXPO, Dyslexia, Speech….etc.
- Good use of our Math interventionist

Needs

- Monitor and increase opportunities for students to use and incorporate information, technology and media skills
- Monitor and expect the students to learn the importance of life and career skills.
- Monitor to ascertain that the specific needs of students are being met.
- Increase the times that teachers meet vertically.
- Increase the use of common assessments and sharing of the students
- Increase the times for planning, PLC meetings and Falcon Time instruction.

Summary of Needs

- Need more resources to consistently implement interventions that help student learning
- Time to create grade level rubrics (collaboration)
- Additional structured time for planning/discussion

Family and Community Involvement

Family and Community Involvement refers to how these stakeholders and informed, invested and involved as partners in supporting the school community to maintain high expectations and high achievements for all students

Potential Data Sources:

- Family and Community Participation Counts by Type of Activity
- Parent Volunteer Information
- Parent Activity Evaluations and Feedback
- Parent and Community Partnership Data
- Mobility/Stability
- Demographic Data
- Community Service Agencies and Support Services

A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Businesses support Paloma Creek
- Businesses fundings support school events
- 799 volunteer hours during this school year
- 73 different volunteers and 48 are recurring volunteers.
- Falcon Festival attendance 77% of families
- Daddy Daughter dance attendance 54% of families
- Book Fair attendance 48% of families
- PTA meetings attendance 42% of families
- Science Night, Fiesta Math night, Dessert and the Arts, Mother/Son Basketball and Tree lighting and Family Literacy night.
- CLT allows all community members to be involved in school decisions.

Needs

- Monitor to increase participation in events where the percentages of attendance is low.
- Build more partnerships that are willing to support families outside of the school.
- Monitor to increase the lack of volunteer participation in the second semester.
- Continue to improve CLT membership by inviting business members to become involved in CLT.
-

Summary of Needs

- Work to increase participation of parents in events that do not have good attendance.
- Work to build more partnerships with business communities.
- Increase incentives to entice volunteers to become involved in the second semester.
- Continue to provide fun and meaningful community activities for the family and community to be involved in.

School Context and Organization

Strengths

- Good use of computers in each classroom.
- Good technology training offered by district.
- Computer labs are use effectively
- Campus Tech is readily available to answer questions and repair.
- Lots of Hands on Learning
- Student-led learning
- Lots of resources available.
- interactive learning tools available.
- software programs available in library and each classroom.
- classroom websites.

Needs

- Need more Campus Tech time on one campus
- Need for newer technology equipment
- Examine making Computers a part of specials next year.
- Needs to use Smartboards.
- Need more money to buy new equipment.
- Replacing aging computers.
- Increase techology trainings.

Summary of Needs

- Examine a better use of the TI and Campus Tech to ensure teacher and student techology needs are more adequately met.
- Proper training will allow for better time management and cut down on prep time.
- Knowing to use technology is a timesaver.
- Ensure that Classworks is up and running. It is frustrating and there is a loss of time when teachers prepare for Classwork instruction and then the program is not working.
- There is a need for additional money for newer and more updated technology for the classroom.

Paloma Creek Elementary School

Wildy Important Goals for 2011-12
WIG 1: Within our professional learning community, we will improve the current stages of staff trust (Susan Stephenson's book, Leading with Trust, How to Build Strong School Teams) in our formative staff survey which we gave in August from 20-29 (Early Trust) to 40-50 (Mature Trust) by May 2012 as measured by a summative staff survey.
WIG 2: By May of 2012, the number of students at or above reading grade level will increase from 76% to 95% as measured by utilizing ELI (K-2) and increase from current to 95% as measured by DRA/SRI (3-5).
WIG 3: Math performance will increase from 62% to 95% of Kindergarten to Second grade students achieving stage 3 on Kathy Richardson and from 73% to 95% of Third through Fifth grade students mastering (80%) district math benchmarks by May 2012.

Denton Independent School District

Mission Statement

Denton Independent School District's Mission Statement

…in pursuit of excellence…

The mission of the Denton Public Schools, in partnership with home and community, is to provide the best educational opportunities in a challenging yet supportive environment where individuals and cultural diversity are respected, so that our students become knowledgeable and responsible citizens, capable of life-long learning and demonstrate the necessary skills to contribute productively in a complex and ever-changing world.

Pecan Creek Elementary School's Mission Statement

Motto:
"Learning Together, We All Grow"

Mission Statement:
"Learning together to make our world a better place."

Vision:
"We believe that all students have unique potential for learning and succeeding in an ever-changing global society. We will support their social, emotional, and academic growth in a safe, respectful environment."

Values:
Creativity: We will model creative thinking and honor the creativity we see in students' work.

Leadership: We will create opportunities for students to learn and practice authentic leadership skills.

Curriculum Development: We will model high expectations for learning and involve students in their own learning decisions.

Advocacy for One Another: We will honor students who exemplify helpful, supportive actions toward others.

Goals:

1. We will understand and use Differentiating Instruction techniques and strategies in daily instruction. 100% of Kindergarten, 1st and 2nd grade students will demonstrate progress toward mastery of Literacy and Math TEKS objectives as evidenced by the End of Year ELI/SELI and Kathy Richardson Math Assessments. By December 2, 2011, all K-5th grade teachers will be working interdependently as grade level teams to support 100% of students within theri grade level through targeted intervention/enrichment a minimum of 120 minutes per week.

2. We will seek ways to increase the level of parent and community involvement in our school in positive and authentic ways, as evidenced by an increase in parent / family participation in school activities from 70% in 2010 - 2011 to 90% in 2011 - 2012.

Board Goals

Denton Independent School District's Board Goals

I. Vision … In pursuit of excellence, the district will:

- cultivate a network of professional learning communities addressing the educational needs of every child in our district
- develop and maintain a culture where learning remains our first priority
- remain committed to providing equitable and outstanding opportunities for every student on every campus
- establish goals for individual campuses that incorporate both measurable and intangible factors
- develop a budget focused on student and professional learning
- effectively communicate achievements and recognitions to the Denton ISD community
- prepare our students to be successful in a global society while instilling an appreciation for community service

II. Teaching & Learning… In pursuit of excellence, the district will:

- cultivate a consistent, strong, district-wide balanced curriculum based on ongoing needs assessments that supports all students
- establish high expectations with a curriculum that fosters inquiry and critical thinking
- develop academic skills and interpersonal relationships necessary for student success in college, the workplace and for life.
- expect full curriculum implementation on each campus by instructional leaders
- establish quality staff development programs that promote professional learning communities
- strive to deliver all academic programs through teachers possessing advanced degrees and demonstrable competence in their areas of professional responsibility
- stay abreast of and incorporate best practices into teaching, learning, technology and leadership
- advocate and practice true accountability based on measurement of individual student progress over time, regardless of external mandates
- actively pursue, foster and support an advanced digital learning environment

III. Climate… In pursuit of excellence, the district will:

- celebrate, respect, and promote the value of diversity in our Denton ISD Community.
- encourage and nourish a safe learning and compassionate working environment which ensures open and transparent communication and is supportive, cooperative, and ethical.
- establish a high expectation level for success for all students, staff, parents, and community
- instill in students a love of life-long learning
- motivate and prepare students to embrace their full responsibilities and obligations as active citizens of their community, nation, and world

IV. Parent and Community Involvement…In pursuit of excellence, the district will:

- foster a positive and welcoming environment that encourages parent and community partnerships to achieve success for all our students
- work continuously with the community in planning and facility development
- utilize citizens' advisory committees to focus on short and long-term tasks
- provide support services and promote health, wellness and safety for students and families
- establish and promote programs to develop and enhance parenting skills and participation in the schools
- promote child advocacy across the state and nation

V. Human Resources…In pursuit of excellence, the district will:

- develop and expect a consistently high level of, and respect for, professional performance by all staff
- recruit, select, employ and retain teachers in every classroom because of substantive experience in the discipline they teach, rather than in auxiliary functions
- maintain a diverse workforce with respect to qualifications, expertise, and commitment to excellence
- encourage all teachers and staff to pursue advanced professional development and degrees within their specialty area
- promote health and wellness in our workforce

VI. Growth, Change & Fiscal Responsibility…In pursuit of excellence, the district will:

- review and adjust policies and procedures as appropriate to address the challenges of rapid growth and changing demographic characteristics while maintaining and enhancing our strong sense of community
- create and continuously modify strategies to mitigate increasing stresses on our children, our schools, and our community
- be environmentally responsible and aggressively pursue energy efficiency and conservation principles in building design, transportation alternatives, and operating procedures
- work continuously with our community to adjust and enhance district goals as appropriate
- demonstrate effective and efficient management of district resources
- provide leadership and/or oversight to ensure District meets all fiscal, legal and regulatory requirements.

Pecan Creek Elementary School Campus Improvement Plan

2011-12 Comprehensive Needs Assessment Summary

In accordance with state and federal legislative requirements, the staff at Pecan Creek Elementary School conducted a comprehensive needs assessment for the 2011-12 school year. Data and findings from the comprehensive needs assessment were then used to develop the activities/strategies in the additional sections of the Campus Improvement Plan.

Demographics:

Demographics refer to the characteristics or make-up of the school and help us understand who we are currently working with and how we implement strategies, initiatives, programs and services to meet their needs.

Potential Data Sources:

- Enrollment
- Attendence
- Ethnicity
- Gender
- Mobility/Stability
- Special Program Participation
- At-Risk by Category
- Teacher-Student Ratios
- Graduation, Completion, Droupout and GED rates
- Course/Class Assignments
- College/University/Dual Credit/Advanced Placement Enrollment

Data Sources Reviewed

Demographic data are very important for us to understand as they are part of our educational system over which we have no control, but from which we can observe trends and learn for purposes of prediction and planning. – Victoria Bernhardt

List the actual data sources reviewed below.

- AEIS
- eSchool
- LEP Report

See page 7 of the guide for probing questions related to demographics.

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Grew in EXPO id. Of minority groups
- Hispanic and low income population increased in 4th TAKS performance
- SpEd population-students in 5th grade 100% passing rate with 50% commended rate in math and reading
- most SpEd students made at least 1 full year's growth in reading

Needs

- Strengthen bilingual 3rd grade math and ESL Science throughout grades
- focus on building vocabulary in math and science
- continue to identify EXPO students in minority groups
- relationship building with our bilingual families
- education for parents on how to support kids at home
- mentors for students

Summary of Needs

- build relationships with bilingual families
- foster relationships among all families in our school
- build volunteer and mentoring programs
- work with community organizations and businesses to support student needs

Student Achievement

Student Achievement data refers to the annual and longitudinal reviews from varied sources of formal and informal data. These data provide insights about the degree to which students are acquiring the knowledge and skills expected for each grade level and course of study.

Potential Data Sources:

- State Assessment Data
- LEPAS and AMAO Results
- SAT/ACT/PSAT Results
- Advanced Course/Dual Enrollment Data
- Standardized, Norm-Referenced, Criterion-Referenced Tests and Measures
- State and AYP Data Tables
- Texas Success Initiative (TSI) Data
- Course/Class Grades
- Graduation, Completion, Droupout, and GED Rates; Diploma Types
- Promotion/Retention Rates
- Classroom and Program Assessments and Other Data
- Student Work

Data Sources Reviewed

We want to gather and analyze data that will help us understand the system that produces the results we are getting. We also want to move our district continuous improvement efforts from random acts of improvement to focused improvement that centers on our ultimate purpose: improving learning for all students. – Victoria Bernhardt

List the actual data sources reviewed below.

- TAKS
- TELPAS

See page 8 of the guide for probing questions related to Student Achievement

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Inclusion= increase in TAKS M scores, including commended performance
- fostering growth from 4th to 5th among students from low income backgrounds
- all student scores increased from 4th to 5th, also comm. Perf. Scores increased

Needs

- Reading-no growth in Hispanic CP from 4th to 5th and <10% growth in meeting expectations
- math-no growth in Hispanic passing rate, but 11% increase in CP from 4th to 5th
- no growth in ELA TELPAS from 4th to 5th
- No growth in white Meeting Expectations or CP from 4th to 5th
- RtI info not formalized on AWARE for Tier 2. Only gets completed if sending to RtI committee

Summary of Needs

- Reading- move Hispanic students who "Meet Expectations" to "Commended Performance"
- Math-Focus on Hispanic students to get remaining 5% to ME; white sub group remains stagnent in growth for ME and CP; should see an increase in CP by 5th grade
- ELA TELPAS- no growth from 4th to 5th
- RtI- need to formalize documentation process on AWARE when student moves to Tier 2

School Culture and Climate

School culture refers to the organization's values, beliefs, transitions, and customs which shape the personality and climate of the organization. It determines how parents, community, staff and students feel about the school and affects how people interact within the system

Potential Data Sources

- Surveys
- Questionnaires
- Focus Groups
- Interviews
- Feedback Data
- Classroom and School Walkthrough Data
- Parent Conferences, Meetings, etc.

Data Sources Reviewed

Culture is the underground stream of norms, values, beliefs, traditions, and rituals that build up over time as people work together, solve problems, and confront challenges. This set of informal expectations and values shapes how people think, feel, and act in schools. – Author unknown.

A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- alignment of students and staff attitude and feelings about PC
- Beartones 5th grade membership increase
- Community involvement is up
- Diverse population involved in clubs
- PC known as warm, welcoming and safe
- mentor teachers for those new to PC

Needs

- continue reaching out to community
- more after school events like Hot Dog Supper and Hoe Down
- Creation of a PC Booster Club for club participation regardless of income
- Communication consistent from grade level=weekly newsletters need to be standard
- mentorship for students new to PC

Summary of Needs

- PC has safe, student centered, caring atmosphere
- Continue reaching out to community by creating more opportunities for involvement and fellowship
- More after school clubs like Spirit Squad, Robobears, Jump Club
- Fund raising to support students who want to participate

Staff Quality, Recruitment and Retention

Staff Quality, Recruitment and Retention refers to the school organization's level of high-quality, highly-effective staff, particularly in high-poverty schools. This area is also focused on assessing the effect of recruitment and retention strategies on staffing patterns

Potential Data Sources

- Teacher Certification/Qualification Data
- Paraprofessional and Other Staff Qualifications
- Staff Effectiveness in Relation to Student Achievement
- PDAS and/or Other Staff Effectiveness Data
- Staff Mobility/Stability
- Special Programs Qualifications; e.g., Bilingual/ESL/, Special Education, etc.
- Professional Development Data

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Class divisions are based on strength of skill set
- RtI team cosists of variety of resident experts who share collaboratively
- Mentorship program for new teachers to the campus
- Use of committees to select new employees

Needs

- encourage teachers to take in a wide range of information when dividing classes
- Flexible membership on RtI committee to ensure that specific case needs are met
- More systematic with mentoring so that all new to campus get the information and support that they need
- Support from district to ensure quality employees

Summary of Needs

- We need to continue to stregnthen the support systems in place for our new staff
- We need to continue the use of committees for selection purposes
- We need to strengthen our math instruction in the lower grades and 3rd grade by providing targeted professional development in that area

Curriculum, Instruction and Assessment

The curriculum/curricula collectively describes the teaching, learning, and assessment materials and resources available for a given course of study. These are aligned with the TEKS and other standards, incorporating instruction and assessment processes.

Potential Data Sources

- Standards-Based Curriculum Resources and Materials
- Scope and Sequence, Pacing Guides; and/or Other Focus Documents
- Foundation Course/Class Materials
- Enrichment Course/Class Materials
- Technology
- Instructional Design/Delivery; High-Yield Strategies
- Lesson Study/Delivery Processes

Denton Independent School District

Mission Statement

Denton Independent School District's Mission Statement

…in pursuit of excellence…

The mission of the Denton Public Schools, in partnership with home and community, is to provide the best educational opportunities in a challenging yet supportive environment where individuals and cultural diversity are respected, so that our students become knowledgeable and responsible citizens, capable of life-long learning and demonstrate the necessary skills to contribute productively in a complex and ever-changing world.

Providence Elementary School's Mission Statement

Educate with enthusiasm and expect excellence.

Board Goals

Denton Independent School District's Board Goals

I. Vision … In pursuit of excellence, the district will:

- cultivate a network of professional learning communities addressing the educational needs of every child in our district
- develop and maintain a culture where learning remains our first priority
- remain committed to providing equitable and outstanding opportunities for every student on every campus
- establish goals for individual campuses that incorporate both measurable and intangible factors
- develop a budget focused on student and professional learning
- effectively communicate achievements and recognitions to the Denton ISD community
- prepare our students to be successful in a global society while instilling an appreciation for community service

II. Teaching & Learning… In pursuit of excellence, the district will:

- cultivate a consistent, strong, district-wide balanced curriculum based on ongoing needs assessments that supports all students
- establish high expectations with a curriculum that fosters inquiry and critical thinking
- develop academic skills and interpersonal relationships necessary for student success in college, the workplace and for life.
- expect full curriculum implementation on each campus by instructional leaders
- establish quality staff development programs that promote professional learning communities
- strive to deliver all academic programs through teachers possessing advanced degrees and demonstrable competence in their areas of professional responsibility
- stay abreast of and incorporate best practices into teaching, learning, technology and leadership
- advocate and practice true accountability based on measurement of individual student progress over time, regardless of external mandates
- actively pursue, foster and support an advanced digital learning environment

III. Climate… In pursuit of excellence, the district will:

- celebrate, respect, and promote the value of diversity in our Denton ISD Community.
- encourage and nourish a safe learning and compassionate working environment which ensures open and transparent communication and is supportive, cooperative, and ethical.
- establish a high expectation level for success for all students, staff, parents, and community
- instill in students a love of life-long learning
- motivate and prepare students to embrace their full responsibilities and obligations as active citizens of their community, nation, and world

IV. Parent and Community Involvement…In pursuit of excellence, the district will:

- foster a positive and welcoming environment that encourages parent and community partnerships to achieve success for all our students
- work continuously with the community in planning and facility development
- utilize citizens' advisory committees to focus on short and long-term tasks
- provide support services and promote health, wellness and safety for students and families
- establish and promote programs to develop and enhance parenting skills and participation in the schools
- promote child advocacy across the state and nation

V. Human Resources…In pursuit of excellence, the district will:

- develop and expect a consistently high level of, and respect for, professional performance by all staff
- recruit, select, employ and retain teachers in every classroom because of substantive experience in the discipline they teach, rather than in auxiliary functions
- maintain a diverse workforce with respect to qualifications, expertise, and commitment to excellence
- encourage all teachers and staff to pursue advanced professional development and degrees within their specialty area
- promote health and wellness in our workforce

VI. Growth, Change & Fiscal Responsibility…In pursuit of excellence, the district will:

- review and adjust policies and procedures as appropriate to address the challenges of rapid growth and changing demographic characteristics while maintaining and enhancing our strong sense of community
- create and continuously modify strategies to mitigate increasing stresses on our children, our schools, and our community
- be environmentally responsible and aggressively pursue energy efficiency and conservation principles in building design, transportation alternatives, and operating procedures
- work continuously with our community to adjust and enhance district goals as appropriate
- demonstrate effective and efficient management of district resources
- provide leadership and/or oversight to ensure District meets all fiscal, legal and regulatory requirements.

Providence Elementary School Campus Improvement Plan

2011-12 Comprehensive Needs Assessment Summary

In accordance with state and federal legislative requirements, the staff at Providence Elementary School conducted a comprehensive needs assessment for the 2011-12 school year. Data and findings from the comprehensive needs assessment were then used to develop the activities/strategies in the additional sections of the Campus Improvement Plan.

Demographics:

Demographics refer to the characteristics or make-up of the school and help us understand who we are currently working with and how we implement strategies, initiatives, programs and services to meet their needs.

Potential Data Sources:

- Enrollment
- Attendence
- Ethnicity
- Gender
- Mobility/Stability
- Special Program Participation
- At-Risk by Category
- Teacher-Student Ratios
- Graduation, Completion, Droupout and GED rates
- Course/Class Assignments
- College/University/Dual Credit/Advanced Placement Enrollment

Data Sources Reviewed

Demographic data are very important for us to understand as they are part of our educational system over which we have no control, but from which we can observe trends and learn for purposes of prediction and planning. – Victoria Bernhardt

List the actual data sources reviewed below.

- Enrollment & Enrollment Trends
- At-Risk Categories
- Attendance
- eSchoolPlus
- Special Programs Participation
- Ethnicity
- AEIS

See page 7 of the guide for probing questions related to demographics.

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Student achievement remained strong regardless of population fluctuation over the years.
- Enrollment went from747 in 2008-2009; 847 in 2009-2010 to 545 in 2010-2011.
- 4% of population is in special ed; 5% of population is in speech; and 5% of population is in EXPO. This is a balanced representation of special populations.
- The campus RtI process is working. Early identification of students is helpful.
- AWARE data stays with the student as they move through Denton ISD providing consistency in student support.
- The at-risk data is available to classroom teachers through AWARE for targeted needs.

Needs

- The lower enrollment will result in possible staff downsizing.
- In EXPO referrals, the teachers need to know what characteristics to look for in early identification. We are not identifying students early enough.
- There are 19 504 students that need to be closely monitored for accomodations.

Summary of Needs

- The teachers need to be trained to know what characteristics to look for in order to make early identification of students for EXPO. We are not identifying students early enough. Staff development will be held during faculty meetings.
- The SES students must be closely monitored and targeted for instruction. These students are the highest at-risk category enrolled.
- 504 students need to be closely monitored for accomodations.
- Continue refining RtI process for early identification of student needs for interventions.

Student Achievement

Student Achievement data refers to the annual and longitudinal reviews from varied sources of formal and informal data. These data provide insights about the degree to which students are acquiring the knowledge and skills expected for each grade level and course of study.

Potential Data Sources:

- State Assessment Data
- LEPAS and AMAO Results
- SAT/ACT/PSAT Results
- Advanced Course/Dual Enrollment Data
- Standardized, Norm-Referenced, Criterion-Referenced Tests and Measures
- State and AYP Data Tables
- Texas Success Initiative (TSI) Data
- Course/Class Grades
- Graduation, Completion, Droupout, and GED Rates; Diploma Types
- Promotion/Retention Rates
- Classroom and Program Assessments and Other Data
- Student Work

Data Sources Reviewed

We want to gather and analyze data that will help us understand the system that produces the results we are getting. We also want to move our district continuous improvement efforts from random acts of improvement to focused improvement that centers on our ultimate purpose: improving learning for all students. – Victoria Bernhardt

List the actual data sources reviewed below.

- State Assessment Data
- OLSAT scores
- Report Card Data
- Teacher Observation of Student Work
- TELPAS Results
- State and AYP Data Tables
- Common Assessments/Benchmark Assessment

See page 8 of the guide for probing questions related to Student Achievement

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Student Achievement data is disaggregated by hand by the teachers and discussed in PLCs.
- Student Achievement data is maintained on class spreadsheets to guide instruction.
- We have shown improvement in science TAKS scores in all students and in all subgroup categories.
- The SES students are making progress as demonstrated on common assessments due to interventions like TEAM Time.
- The RtI Committee is able to assist teachers in identifying strategies to target student needs.

Needs

- Further training is needed in the use of AWARE for data access.
- Student achievement data will be consistently utilized to guide instruction.
- Utilize research-based strategies to raise the rigor of instruction to increase the% of students earning Commended Performance in all subjects.
- Continue to make science a priority in daily instruction.
- Ensure that instruction has a long-term focus on college readiness standards for all students.
- Implement RtI strategies more consistently at levels I and II to meet student needs.
- Taks scores indicate that the SES students need to be closely targeted in math.

Summary of Needs

- Train teachers in the use of AWARE to access student assessment data.
- Teachers need to become more proficient in utilizing student achievement data to guide instruction.
- Utilize research-based strategies to raise the rigor of instruction to increase the% of students earning Commended Performance in all subjects.
- Implement RtI strategies more consistently at levels I and II to meet student needs so that fewer students require level III interventions.

School Culture and Climate

School culture refers to the organization's values, beliefs, transitions, and customs which shape the personality and climate of the organization. It determines how parents, community, staff and students feel about the school and affects how people interact within the system

Potential Data Sources

- Surveys
- Questionnaires
- Focus Groups
- Interviews
- Feedback Data
- Classroom and School Walkthrough Data
- Parent Conferences, Meetings, etc.

Data Sources Reviewed

Culture is the underground stream of norms, values, beliefs, traditions, and rituals that build up over time as people work together, solve problems, and confront challenges. This set of informal expectations and values shapes how people think, feel, and act in schools. – Author unknown.

List the actual data sources reviewed below.

- Parent Survey
- Staff Survey
- Student Survey
- Code of Conduct/Office Referral Records

See page 9 of the guide for probing questions related to School Culture and Climate

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- 91% of students and 94% of staff indicate that students are expected to do their best academically all of the time
- 91% of students and 83% of staff indicate that students are expected to do their best behaviorally all of the time
- According to the survey, students indicate that the CHAMPS pictures/expectations help them know what their teacher wants them to do all of the time
- According to the survery, teachers indicate that they use the CHAMPS pictures/expectations to help students know what they want them to do all the time.
- Less than 1% of instructional days were lost as a result of ISS and Out-of-School Suspension placements.
- 100% of students and staff indicate that they feel physically safe at school most of the time.
- Only 3.6% of student population had more than 2 or more office referrals.

Needs

- We need to increase the consistent use of the CHAMPS pictures/expectations in all areas to help students know what is expected of them.
- We will continue to hold safety drills on a regular basis.
- We will continue to inform staff, students and parents of safety measures in place.
- We need to provide students with additional strategies to resolve conflict to reduce physical aggression resulting in office referrals.
- We need to consistently utilize CHAMPS strategies in the classroom to reduce off-task behaviors.
- We need to consistently utilize CHAMPS strategies in the campus common areas to facilitate smooth transitions.

Summary of Needs

- We need to increase the consistent use of the CHAMPS pictures/expectations in all areas to help students know what is expected of them.
- We will continue to practice safety drills on a regular basis.
- We will continue to inform staff, students and parents of safety measures in place.
- We need to provide students with additional strategies to resolve conflict to reduce physical aggression.
- We need to consistently utilize CHAMPS strategies in the classroom to reduce off-task behaviors.
- We need to consistently utilize CHAMPS strategies in the campus common areas to facilitate smooth transitions.

Staff Quality, Recruitment and Retention

Staff Quality, Recruitment and Retention refers to the school organization's level of high-quality, highly-effective staff, particularly in high-poverty schools. This area is also focused on assessing the effect of recruitment and retention strategies on staffing patterns

Potential Data Sources

- Teacher Certification/Qualification Data
- Paraprofessional and Other Staff Qualifications
- Staff Effectiveness in Relation to Student Achievement
- PDAS and/or Other Staff Effectiveness Data
- Staff Mobility/Stability
- Special Programs Qualifications; e.g., Bilingual/ESL/, Special Education, etc.
- Professional Development Data
- Teacher-Student Ratios
- Graduation, Completion, Dropout, and GED rates
- Course/Class Completions, Grades, and Other Data
- Recruitment and Retention Strategies and Other Data

Data Sources Reviewed

An empowered organization is one in which individuals have the knowledge, skill, desire, and opportunity to personally success in a way that leads to collective organizational success. –Stephen Covey

List the actual data sources reviewed below.

- Teacher Certification Data
- Special Program Qualifications
- Walk-Through Observation Data
- PRIDE goals
- Professional Development Data

See page 10 of the guide for probing questions related to School Culture and Climate

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Teachers write personal goals each year for PRIDE and will continue to do so in PDAS.
- Administrators leave staff feedback in notes after observations or walk-throughs.
- Formative and Summative Conferences are held to discuss teacher goals and performance.
- Look 2 Learn data is shared with teachers.
- Inclusion Specialists team-teach in intermediate grades.
- Highly effective staff are assigned to work with high needs students during TEAM Time to provide intervention as determined by data.
- Specialized staff teach ESL, Reading Recovery, STAR, EXPO, etc.

Needs

- The staff will develop strategies to become more reflective about personal and student performance.
- The staff will develop rubrics for self-evaluation.
- Inclusion Specialists will develop team-teach lessons with primary grades.
- Refine RtI process so that students are identified for services in a timely manner.
- Teachers will walk-through other classrooms to observe teaching strategies of peers.
- Grade level PLCs will set walk-through goals for teacher observations.
- Staff development will be targeted toward writing common assessments.

Summary of Needs

- Reflective Strategies will be developed to improve both teacher and student performance.
- PDAS training will be held to assist teachers in setting goals.
- Develop schedules that allow Inclusion Specialists to team-teach with primary grades.
- Refine RtI process so that students are identified for services in a timely manner.
- Schedule observation times for teachers to walk-through classrooms to observe teaching strategies of peers.
- Utilize PLC time to set walk-through goals for teacher observations of other classrooms.
- Staff development will be targeted toward writing common assessments.

Curriculum, Instruction and Assessment

The curriculum/curricula collectively describes the teaching, learning, and assessment materials and resources available for a given course of study. These are aligned with the TEKS and other standards, incorporating instruction and assessment processes.

Potential Data Sources

- Standards-Based Curriculum Resources and Materials
- Scope and Sequence, Pacing Guides; and/or Other Focus Documents
- Foundation Course/Class Materials
- Enrichment Course/Class Materials
- Technology
- Instructional Design/Delivery; High-Yield Strategies
- Lesson Study/Delivery Processes
- Collaborative Horizontal and Vertical Team Alignment Processes
- Student-Specific/Differentiated Strategies and processes
- Common benchmark Assessments and/or Other Assessments
- Class, School, and Special Program Schedules

Data Sources Reviewed

There are three kinds of curricula; they must be considered together and improved together: written curriculum, taught curriculum, and tested curriculum. – Fenwick English

List the actual data sources reviewed below.

- TEKS
- Grade Level Essential Learnings
- Benchmark Data
- All campus schedules
- District Scope & Sequence/Eduphoria
- AWARE
- Common Assessment Data

See page 11 of the guide for probing questions related to School Culture and Climate

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Lesson plans are written with differentiation for all learners noted.
- Pre and Post assessments are administered to students to direct instruction.
- Guided Reading instruction is informed by running records and assessment.
- Team Time groups are formed according to needs based on assessment data.
- Essential Learnings are identified by each grade level each year to guide instruction.
- Grade levels "unpack" the TEKS for reading and math instruction.

Needs

- There must be more uniform documentation of individual student needs and interventions.
- Loss of instructional time while benchmarking must be kept to a minimum.
- The data used to inform instruction must be accurate.
- The data from assessment must be available in a timely manner.
- Grade level instructional roadmaps will be aligned with district scope and sequence.

Summary of Needs

- Each grade level needs to develop a uniform method of documentation of student skill acquisition and need.
- Loss of instructional time while benchmark testing must be kept to a minimum.
- The data used to inform instruction must be accurate.
- The data from assessment must be available in a timely manner.
- Grade level instructional roadmaps will be aligned with district scope and sequence.
- Grade Levels must be given time to "unpack" the TEKS for reading and math instruction through the scheduling of Power PLCs.

Family and Community Involvement

Family and Community Involvement refers to how these stakeholders and informed, invested and involved as partners in supporting the school community to maintain high expectations and high achievements for all students

Potential Data Sources:

- Family and Community Participation Counts by Type of Activity
- Parent Volunteer Information
- Parent Activity Evaluations and Feedback
- Parent and Community Partnership Data
- Mobility/Stability
- Demographic Data

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Strong parent/student involvement in school hosted learning nights (i.e. Fun Family Science Night, Fiesta Math Night)
- Strong parent volunteer base for special events at school (i.e. Pumpkin Drop, Thanksgiving Feast, Grandparents Day)
- Translators are provided when possible for families speaking languages other than English.
- The school hosts numerous programs that encourage healthy family relationships.

Needs

- New ideas are needed for involving families in students learning.
- Explore ways to involve more parent volunteers in classroom learning opportunities.
- Translated documents are needed for those families that speak a language other than English
- Improve communication about events/opportunities through the use of e-alerts.
- Expand parent nights to include topics such as social media, texting and cyberbulling.

Summary of Needs

- Generate new ideas for involving families in students learning.
- Explore ways to involve more parent volunteers in classroom learning opportunities.
- Translate documents for those families who speak a language other than English.
- Improve communication about event/opportunities through the use of e-alerts.

School Context and Organization

School Context and Organization refers to the processes, structures, decision-making, and overall leadership aspects of the organization, including how these areas address quality teaching and learning.

Potential Data Sources:

- School Structure or Make-Up, e.g., Teaming, Looping, etc
- Decision Making Processes
- Master Schedule
- Leadership: Formal and Informal
- Supervision Structure
- Support Structures: Mentor Teachers
- Duty Rosters
- Schedule for Student Support Services, e.g., Counseling, Social Work, Library, etc.

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Students with identified needs receive targeted assistance during TEAM Time.
- Students receive additional instruction in small group settings.
- The master schedule is designed to emphasize instructional time.
- Most decisions are made collaboratively in Team Leader meetings or at CLT meetings.
- Providence is a strong PLC campus.
- Staff meetings are used for celebrations and staff development.
- Grade level PLC teams design common assessments.
- RtI Committee provides feedback and strategies to classroom teacher for Tier I & II interventions prior to Tier 3 intervention.

Needs

- We need staff development and planning for integration of subjects.
- Teachers need to implement more differentiation in instruction to meet the varied needs of students.
- PLC teams need to provide feedback to administrators about district benchmarks.
- PLC teams need to design common assignments and rubrics to evaluate students with sufficient rigor.
- The CLT could develop a yearly survey to give staff members voice in campus decision making and policies.

Summary of Needs

A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Software is purchased by district so it is not a campus expense.
- 90% of the classrooms have ceiling-mounted projectors with document cameras.
- 98% of the classrooms have the use of document cameras and projector.
- The building has two computer labs.
- Classworks training was held during the school day for teachers.
- SRI/Reading Counts is used to access students and to promote independent reading.
- Students use the internet to conduct research in social studies, science and language arts.
- Math software is utilized to build computation skills and problem-solving skills.
- Study Island has been used to prepare students for state testing.

Needs

- The campus needs assistance updating some of its out-dated technology.
- The computer lab schedules need to be re-evaluated frequently for equity.
- Elementary schools need full-time technology integrators.
- Each grade level needs to evaluate the use of Classworks and integrate it into instruction.
- Special Area teachers expressed the need for better access to the computer labs for particular projects.

Summary of Needs

- The campus needs assistance updating some of its out-dated technology hardware and purchasing updated hardware.
- The computer lab schedules need to be re-evaluated frequently for equity.
- Elementary schools need full-time technology integrators.
- Each grade level needs to evaluate the use of Classworks and integrate it into instruction.
- The computer lab schedules need to accommodate the needs of the special area teachers. Administrators need to facilitate frequent monitoring.

Comprehensive Needs Assessment Summary of Priority Needs
Providence Elementary

Demographics:
The teachers need to be trained to know what characteristics to look for in order to make early identification of students for EXPO. We are not identifying students early enough. Staff development will be held during faculty meetings.
The SES students must be closely monitored and targeted for instruction. These students are the highest at-risk category enrolled.
504 students need to be closely monitored for accomodations.
Continue refining RtI process for early identification of student needs for interventions.

School Culture and Climate:
We need to increase the consistent use of the CHAMPS pictures/expectations in all areas to help students know what is expected of them.
We will continue to practice safety drills on a regular basis.
We will continue to inform staff, students and parents of safety measures in place.
We need to provide students with additional strategies to resolve conflict to reduce physical aggression.
We need to consistently utilize CHAMPS strategies in the classroom to reduce off-task behaviors.
We need to consistently utilize CHAMPS strategies in the campus common areas to facilitate smooth transitions.

Curriculum, Instruction and Assessment:
Each grade level needs to develop a uniform method of documentation of student skill acquisition and need.
Loss of instructional time while benchmark testing must be kept to a minimum.
The data used to inform instruction must be accurate.
The data from assessment must be available in a timely manner.
Grade level instructional roadmaps will be aligned with district scope and sequence.
Grade Levels must be given time to "unpack" the TEKS for reading and math instruction through the scheduling of Power PLCs.

Student Achievement:
Train teachers in the use of AWARE to access student assessment data.
Teachers need to become more proficient in utilizing student achievement data to guide instruction.
Utilize research-based strategies to raise the rigor of instruction to increase the% of students earning Commended Performance in all subjects.
Implement RtI strategies more consistently at levels I and II to meet student needs so that fewer students require level III interventions.

Teacher Quality:
Reflective Strategies will be developed to improve both teacher and student performance.
PDAS training will be held to assist teachers in setting goals.
Develop schedules that allow Inclusion Specialists to team-teach with primary grades.
Refine RtI process so that students are identified for services in a timely manner.
Schedule observation times for teachers to walk-through classrooms to observe teaching strategies of peers.
Utilize PLC time to set walk-through goals for teacher observations of other classrooms.
Staff development will be targeted toward writing common assessments.

Family and Community Involvement:
Generate new ideas for involving families in students learning.
Explore ways to involve more parent volunteers in classroom learning opportunities.
Translate documents for those families who speak a language other than English.
Improve communication about event/opportunities through the use of e-alerts.

School Content and Organization:

The campus needs to conduct staff development and team planning to improve the integration of subjects during instruction.

Teachers need to implement more differentiation in instruction to meet the varied needs of students.

PLC teams need to provide feedback to campus administrators about district benchmarks.

PLC teams need to design common assignments and rubrics to evaluate student achievement with sufficient rigor.

The CLT could develop a yearly survey to give staff members voice in campus decision making and policies as well as to guide the CLT in writing the CIP.

Technology:

The campus needs assistance updating some of its out-dated technology hardware and purchasing updated hardware.

The computer lab schedules need to be re-evaluated frequently for equity.

Elementary schools need full-time technology integrators.

Each grade level needs to evaluate the use of Classworks and integrate it into instruction.

The computer lab schedules need to accommodate the needs of the special area teachers. Administrators need to facilitate frequent monitoring.

Board Summary
Campus Improvement Plans
2011-12

Providence Elementary School

Wildy Important Goals for 2011-12
WIG 1: Increase the use of the CHAMPS icons in the classroom to increase student engagement by setting expectations from 68% to 95% by June 2012 as measured by the end-of-the-year staff survey. In May 2011, a student/staff survey was distributed. 90% of the students indicated that the CHAMPS icons helped them know their teacher's expectations but only 68% of the teachers indicated that they consistently used the CHAMPS icons most of the time.
WIG 2: By May 2012, 100% of all students will be setting personal reading goals and the percentage of students reading at or above the text level for their grade level will increase from 84% to 95% as measured by ELI or SRI. A survey of the classroom teachers was taken in May 2011 of the students' end-of-year guided reading levels as determined by ELI or SRA. 82% of the students in grades K - 5 were reading at or above grade level while 18% were reading below grade level.
WIG 3: We will increase student achievement in math by increasing the percentage of student and teacher use of rubrics and data collection graphs from 10% to 80% by May 2012 as measured by the grade level artifacts. According to the 2011 TAKS results, 91.3% of all students in grades 3-5 passed the math TAKS but only 86.4% of the Economically Disadvantaged students passed the math TAKS.

Mission Statement

Denton Independent School District's Mission Statement

…in pursuit of excellence…

The mission of the Denton Public Schools, in partnership with home and community, is to provide the best educational opportunities in a challenging yet supportive environment where individuals and cultural diversity are respected, so that our students become knowledgeable and responsible citizens, capable of life-long learning and demonstrate the necessary skills to contribute productively in a complex and ever-changing world.

Eugenia Porter Rayzor Elementary School's Mission Statement

Learning together to better ourselves and our world.

Board Goals

Denton Independent School District's Board Goals

I. Vision … In pursuit of excellence, the district will:

- cultivate a network of professional learning communities addressing the educational needs of every child in our district
- develop and maintain a culture where learning remains our first priority
- remain committed to providing equitable and outstanding opportunities for every student on every campus
- establish goals for individual campuses that incorporate both measurable and intangible factors
- develop a budget focused on student and professional learning
- effectively communicate achievements and recognitions to the Denton ISD community
- prepare our students to be successful in a global society while instilling an appreciation for community service

II. Teaching & Learning… In pursuit of excellence, the district will:

- cultivate a consistent, strong, district-wide balanced curriculum based on ongoing needs assessments that supports all students
- establish high expectations with a curriculum that fosters inquiry and critical thinking
- develop academic skills and interpersonal relationships necessary for student success in college, the workplace and for life.
- expect full curriculum implementation on each campus by instructional leaders
- establish quality staff development programs that promote professional learning communities
- strive to deliver all academic programs through teachers possessing advanced degrees and demonstrable competence in their areas of professional responsibility
- stay abreast of and incorporate best practices into teaching, learning, technology and leadership
- advocate and practice true accountability based on measurement of individual student progress over time, regardless of external mandates
- actively pursue, foster and support an advanced digital learning environment

III. Climate… In pursuit of excellence, the district will:

- celebrate, respect, and promote the value of diversity in our Denton ISD Community.
- encourage and nourish a safe learning and compassionate working environment which ensures open and transparent communication and is supportive, cooperative, and ethical.
- establish a high expectation level for success for all students, staff, parents, and community
- instill in students a love of life-long learning
- motivate and prepare students to embrace their full responsibilities and obligations as active citizens of their community, nation, and world

IV. Parent and Community Involvement…In pursuit of excellence, the district will:

- foster a positive and welcoming environment that encourages parent and community partnerships to achieve success for all our students
- work continuously with the community in planning and facility development
- utilize citizens' advisory committees to focus on short and long-term tasks
- provide support services and promote health, wellness and safety for students and families
- establish and promote programs to develop and enhance parenting skills and participation in the schools
- promote child advocacy across the state and nation

V. Human Resources…In pursuit of excellence, the district will:

- develop and expect a consistently high level of, and respect for, professional performance by all staff
- recruit, select, employ and retain teachers in every classroom because of substantive experience in the discipline they teach, rather than in auxiliary functions
- maintain a diverse workforce with respect to qualifications, expertise, and commitment to excellence
- encourage all teachers and staff to pursue advanced professional development and degrees within their specialty area
- promote health and wellness in our workforce

VI. Growth, Change & Fiscal Responsibility…In pursuit of excellence, the district will:

- review and adjust policies and procedures as appropriate to address the challenges of rapid growth and changing demographic characteristics while maintaining and enhancing our strong sense of community
- create and continuously modify strategies to mitigate increasing stresses on our children, our schools, and our community
- be environmentally responsible and aggressively pursue energy efficiency and conservation principles in building design, transportation alternatives, and operating procedures
- work continuously with our community to adjust and enhance district goals as appropriate
- demonstrate effective and efficient management of district resources
- provide leadership and/or oversight to ensure District meets all fiscal, legal and regulatory requirements.

Eugenia Porter Rayzor Elementary School Campus Improvement Plan

2011-12 Comprehensive Needs Assessment Summary

In accordance with state and federal legislative requirements, the staff at Eugenia Porter Rayzor Elementary School conducted a comprehensive needs assessment for the 2011-12 school year. Data and findings from the comprehensive needs assessment were then used to develop the activities/strategies in the additional sections of the Campus Improvement Plan.

Demographics:

Demographics refer to the characteristics or make-up of the school and help us understand who we are currently working with and how we implement strategies, initiatives, programs and services to meet their needs.

Potential Data Sources:

- Enrollment
- Attendence
- Ethnicity
- Gender
- Mobility/Stability
- Special Program Participation
- At-Risk by Category
- Teacher-Student Ratios
- Graduation, Completion, Droupout and GED rates
- Course/Class Assignments
- College/University/Dual Credit/Advanced Placement Enrollment

Data Sources Reviewed

Demographic data are very important for us to understand as they are part of our educational system over which we have no control, but from which we can observe trends and learn for purposes of prediction and planning. – Victoria Bernhardt

List the actual data sources reviewed below.

- student ethnicity
- student growth trends
- economic disandvantage trends
- gender

See page 7 of the guide for probing questions related to demographics.

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Overall Growth is 8% a year
- Rise in economically disadvantage from 4% to 10%
- Rise in hispanic population by 10%
- American Indian 3%/Asian 7%
- African American 8%/Native Hawaiin 1%
- White 67%/Hispanic 14%
- Males 55%/Femailes 45%
- Gifted and Talented Total 8% of the population; 2% black; 78% white; 20% Asian

Needs

- by adding new teachers to the campus we must have a PD plan for consistancy due to 8% growth every year
- staff development and implementation of stategies for EDC
- stratategies to increase performance for females in science and math
- stratategies to increase performance for males in language arts
- Hispanic and African American representation in Gifted and Talented

Summary of Needs

- We must have a continuum of professional development because of our growth; we add teachers to the campus every year.
- African American and Hispanic representation in Gifted and Talented
- Our girls don't perform as well in science and math. Our males don't perform as well in lanugage arts.

Student Achievement

Student Achievement data refers to the annual and longitudinal reviews from varied sources of formal and informal data. These data provide insights about the degree to which students are acquiring the knowledge and skills expected for each grade level and course of study.

Potential Data Sources:

- State Assessment Data
- LEPAS and AMAO Results
- SAT/ACT/PSAT Results
- Advanced Course/Dual Enrollment Data
- Standardized, Norm-Referenced, Criterion-Referenced Tests and Measures
- State and AYP Data Tables
- Texas Success Initiative (TSI) Data
- Course/Class Grades
- Graduation, Completion, Droupout, and GED Rates; Diploma Types
- Promotion/Retention Rates
- Classroom and Program Assessments and Other Data
- Student Work

Data Sources Reviewed

We want to gather and analyze data that will help us understand the system that produces the results we are getting. We also want to move our district continuous improvement efforts from random acts of improvement to focused improvement that centers on our ultimate purpose: improving learning for all students. – Victoria Bernhardt

List the actual data sources reviewed below.

- ELI
- Kathy Richardson
- Common Assessment
- Benchmarks, AWARE
- Just 4 Kids
- DRA
- Observation Survey
- AEIS

See page 8 of the guide for probing questions related to Student Achievement

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- 99% of students meeting average range
- Text Reading Levels
- Fluency Levels
- Beginning Reading Rec in Stainine 3-4
- % passing all TAKS areas
- 3% ELL; 100% pass reading with 27% commended
- 100% pass math with 36% commended

Needs

- Inferencing
- Writing to a Prompt
- Mathematics Automaticity
- Commended Rate
- College and Career Readiness
- K-2 rigor
- ELL Commended Rate

Summary of Needs

- Our goal this year was to raise the commended rate in order to reach the goal of more students becoming college and career readiness. While we increased this percent we did not meet our goal. Therefore, we will continue to work on the commended rate through STAAR and colledge and career readiness through Just 4 kids. In addition, we will look at our K-2 curriculum and increase the rigor at these grade levels. We must target the ELL commended rate. Our vertical teams identified several areas that need addressing school-wide - inferencing, writing to a prompt and mathematics automaticity. We will address these areas in our 2011-2012 wigs.

School Culture and Climate

School culture refers to the organization's values, beliefs, transitions, and customs which shape the personality and climate of the organization. It determines how parents, community, staff and students feel about the school and affects how people interact within the system

Potential Data Sources

- Surveys
- Questionnaires
- Focus Groups
- Interviews
- Feedback Data
- Classroom and School Walkthrough Data
- Parent Conferences, Meetings, etc.

Data Sources Reviewed

Culture is the underground stream of norms, values, beliefs, traditions, and rituals that build up over time as people work together, solve problems, and confront challenges. This set of informal expectations and values shapes how people think, feel, and act in schools. – Author unknown.

List the actual data sources reviewed below.

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Teacher Quality
- School Climate
- Staff Collaborates Well Together
- School Safety
- Parent Involvement in Education of Students

Needs

- Spanish Program Improvement
- Fund Raising
- PLC Teams Dealing with Conflict

Summary of Needs

- 1/2 of our students are not pleased with the Spanish program. They find it boring and celebrate when it is over. A parent, Mrs. Baumgarten is working on improvement of this program.
- Every year we have a group of parents that complain about the Boosterthon Fun Run that is put on by the PTA. We need to find some compromises in order to make it successful in every ones' eyes.
- Teachers are working on building a team that is high performing and targeting conflict in a team. The good, the bad and the ugly.

Staff Quality, Recruitment and Retention

Staff Quality, Recruitment and Retention refers to the school organization's level of high-quality, highly-effective staff, particularly in high-poverty schools. This area is also focused on assessing the effect of recruitment and retention strategies on staffing patterns

Potential Data Sources

- Teacher Certification/Qualification Data
- Paraprofessional and Other Staff Qualifications
- Staff Effectiveness in Relation to Student Achievement
- PDAS and/or Other Staff Effectiveness Data
- Staff Mobility/Stability
- Special Programs Qualifications; e.g., Bilingual/ESL/, Special Education, etc.
- Professional Development Data
- Teacher-Student Ratios
- Graduation, Completion, Dropout, and GED rates
- Course/Class Completions, Grades, and Other Data
- Recruitment and Retention Strategies and Other Data

Data Sources Reviewed

A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- 100% certified in teaching area
- 2 out of 3 paras have colledge degrees
- 100% of teachers are profecient
- staff turnover has improved every year
- 100% highly trained in literacy instruction
- CIP is created by staff and monitored throughout the year

Needs

- working as a team/transparency
- still want to look at staff turnover
- Teacher/staff absence

Summary of Needs

- As a PLC our focus next year will be transparency of our team.
- We will continue to work on staff turnover.
- Teacher/staff absence must also be addressed.

Curriculum, Instruction and Assessment

The curriculum/curricula collectively describes the teaching, learning, and assessment materials and resources available for a given course of study. These are aligned with the TEKS and other standards, incorporating instruction and assessment processes.

Potential Data Sources

- Standards-Based Curriculum Resources and Materials
- Scope and Sequence, Pacing Guides; and/or Other Focus Documents
- Foundation Course/Class Materials
- Enrichment Course/Class Materials
- Technology
- Instructional Design/Delivery; High-Yield Strategies
- Lesson Study/Delivery Processes
- Collaborative Horizontal and Vertical Team Alignment Processes
- Student-Specific/Differentiated Strategies and processes
- Common benchmark Assessments and/or Other Assessments
- Class, School, and Special Program Schedules

Data Sources Reviewed

There are three kinds of curricula; they must be considered together and improved together: written curriculum, taught curriculum, and tested curriculum. – Fenwick English

Strengths

- scope and sequence
- common language in LA and Math
- PD in instructional design
- instructional design
- horizontal teaming
- Schedule
- PRIME Time
- Interventionalist
- RTI Process

Needs

- Refine Vertical Teaming
- Understanding and Implementing Assessment
- Student Self Directed Assessment

Summary of Needs

- We began vertical teams this year. We met 3 times. We will keep the same teams and work to profect our vertical PLCs. In addition, we will continue to understand and and implement assessment according to Stiggins and Marzano with an imphasis on student directed assessment.

Family and Community Involvement

Family and Community Involvement refers to how these stakeholders and informed, invested and involved as partners in supporting the school community to maintain high expectations and high achievements for all students

Potential Data Sources:

1/2 of our students are not pleased with the Spanish program. They find it boring and celebrate when it is over. A parent, Mrs. Baumgarten is working on improvement of this program.
Every year we have a group of parents that complain about the Boosterthon Fun Run that is put on by the PTA. We need to find some compromises in order to make it successful in every ones' eyes.
Teachers are working on building a team that is high performing and targeting conflict in a team. The good, the bad and the ugly.

Teacher Quality:
As a PLC our focus next year will be transparency of our team.
We will continue to work on staff turnover.
Teacher/staff absence must also be addressed.

Curriculum, Instruction and Assessment:
We began vertical teams this year. We met 3 times. We will keep the same teams and work to profect our vertical PLCs. In addition, we will continue to understand and and implement assessment according to Stiggins and Marzano with an imphasis on student directed assessment.

Family and Community Involvement:
We will continue to strive to communicate with parents and community. This area can always be improved.

School Content and Organization:
We must include more voice in the decisions of the school by implementing more of the World Café activities into our staff meetings.

Technology:
Addition of mini laptop cart or Ipad cart - Goal for PTA
Add more interactive white boards in the classrooms
