Campus Improvement Plan
Crownover Middle School

WIG 6

Special Education WIG: To facilitate awareness of the individual needs of students as they are served through Special Education services in an effort to provide a FAPE and increase student achievement.

Objective:
To develop Individual Education Plans (IEP) which include the components of the Standard Based IEPs as mandated by the Federal government;
Ensure IEPs include the Time frame, Criterion, Behavior and Condition (TCBC) for each individual student;
To establish open lines of communication with our elementary feeder campus in an effort to assist students during transition from elementary to middle school; and,
To provide training and information to faculty/staff, students and parents of RCMS with regard to inclusionary practices at RCMS.

Mission Statement

Denton Independent School District's Mission Statement

…in pursuit of excellence…

The mission of the Denton Public Schools, in partnership with home and community, is to provide the best educational opportunities in a challenging yet supportive environment where individuals and cultural diversity are respected, so that our students become knowledgeable and responsible citizens, capable of life-long learning and demonstrate the necessary skills to contribute productively in a complex and ever-changing world.

Harpool Middle School's Mission Statement

After Two year as a school we now have a group of teachers working to create a Mission statement for our campus that will expan on our goal to "Make it right for the Students!"

Board Goals

Denton Independent School District's Board Goals

I. Vision … In pursuit of excellence, the district will:

- cultivate a network of professional learning communities addressing the educational needs of every child in our district
- develop and maintain a culture where learning remains our first priority
- remain committed to providing equitable and outstanding opportunities for every student on every campus
- establish goals for individual campuses that incorporate both measurable and intangible factors
- develop a budget focused on student and professional learning
- effectively communicate achievements and recognitions to the Denton ISD community
- prepare our students to be successful in a global society while instilling an appreciation for community service

II. Teaching & Learning… In pursuit of excellence, the district will:

- cultivate a consistent, strong, district-wide balanced curriculum based on ongoing needs assessments that supports all students
- establish high expectations with a curriculum that fosters inquiry and critical thinking
- develop academic skills and interpersonal relationships necessary for student success in college, the workplace and for life.
- expect full curriculum implementation on each campus by instructional leaders
- establish quality staff development programs that promote professional learning communities
- strive to deliver all academic programs through teachers possessing advanced degrees and demonstrable competence in their areas of professional responsibility
- stay abreast of and incorporate best practices into teaching, learning, technology and leadership
- advocate and practice true accountability based on measurement of individual student progress over time, regardless of external mandates
- actively pursue, foster and support an advanced digital learning environment

III. Climate… In pursuit of excellence, the district will:

- celebrate, respect, and promote the value of diversity in our Denton ISD Community.
- encourage and nourish a safe learning and compassionate working environment which ensures open and transparent communication and is supportive, cooperative, and ethical.
- establish a high expectation level for success for all students, staff, parents, and community
- instill in students a love of life-long learning
- motivate and prepare students to embrace their full responsibilities and obligations as active citizens of their community, nation, and world

IV. Parent and Community Involvement…In pursuit of excellence, the district will:

- foster a positive and welcoming environment that encourages parent and community partnerships to achieve success for all our students
- work continuously with the community in planning and facility development
- utilize citizens' advisory committees to focus on short and long-term tasks
- provide support services and promote health, wellness and safety for students and families
- establish and promote programs to develop and enhance parenting skills and participation in the schools
- promote child advocacy across the state and nation

V. Human Resources…In pursuit of excellence, the district will:

- develop and expect a consistently high level of, and respect for, professional performance by all staff
- recruit, select, employ and retain teachers in every classroom because of substantive experience in the discipline they teach, rather than in auxiliary functions
- maintain a diverse workforce with respect to qualifications, expertise, and commitment to excellence
- encourage all teachers and staff to pursue advanced professional development and degrees within their specialty area
- promote health and wellness in our workforce

VI. Growth, Change & Fiscal Responsibility…In pursuit of excellence, the district will:

- review and adjust policies and procedures as appropriate to address the challenges of rapid growth and changing demographic characteristics while maintaining and enhancing our strong sense of community
- create and continuously modify strategies to mitigate increasing stresses on our children, our schools, and our community
- be environmentally responsible and aggressively pursue energy efficiency and conservation principles in building design, transportation alternatives, and operating procedures
- work continuously with our community to adjust and enhance district goals as appropriate
- demonstrate effective and efficient management of district resources
- provide leadership and/or oversight to ensure District meets all fiscal, legal and regulatory requirements.

Harpool Middle School Campus Improvement Plan

2011-12 Comprehensive Needs Assessment Summary

In accordance with state and federal legislative requirements, the staff at Harpool Middle School conducted a comprehensive needs assessment for the 2011-12 school year. Data and findings from the comprehensive needs assessment were then used to develop the activities/strategies in the additional sections of the Campus Improvement Plan.

Demographics:

Demographics refer to the characteristics or make-up of the school and help us understand who we are currently working with and how we implement strategies, initiatives, programs and services to meet their needs.

Potential Data Sources:

- Enrollment
- Attendence
- Ethnicity
- Gender
- Mobility/Stability
- Special Program Participation
- At-Risk by Category
- Teacher-Student Ratios
- Graduation, Completion, Droupout and GED rates
- Course/Class Assignments
- College/University/Dual Credit/Advanced Placement Enrollment

Data Sources Reviewed

Demographic data are very important for us to understand as they are part of our educational system over which we have no control, but from which we can observe trends and learn for purposes of prediction and planning. – Victoria Bernhardt

List the actual data sources reviewed below.

- Enrollment Data

See page 7 of the guide for probing questions related to demographics.

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Staff knows how to look at Demographic data

Needs

- Better understanding of low SES students

Summary of Needs

- Better ideas of how to reach low SES students.

Student Achievement

Student Achievement data refers to the annual and longitudinal reviews from varied sources of formal and informal data. These data provide insights about the degree to which students are acquiring the knowledge and skills expected for each grade level and course of study.

Potential Data Sources:

- State Assessment Data
- LEPAS and AMAO Results
- SAT/ACT/PSAT Results
- Advanced Course/Dual Enrollment Data
- Standardized, Norm-Referenced, Criterion-Referenced Tests and Measures
- State and AYP Data Tables
- Texas Success Initiative (TSI) Data
- Course/Class Grades

Denton Independent School District

Mission Statement

Denton Independent School District's Mission Statement

…in pursuit of excellence…

The mission of the Denton Public Schools, in partnership with home and community, is to provide the best educational opportunities in a challenging yet supportive environment where individuals and cultural diversity are respected, so that our students become knowledgeable and responsible citizens, capable of life-long learning and demonstrate the necessary skills to contribute productively in a complex and ever-changing world.

McMath Middle School's Mission Statement

Our mission is to collaboratively, with the families and with the community, prepare all students to become educated, healthy, productive members of society both now and in the future.
We will maintain high standards and expectations for all members of our school family and maintain a climate of caring and respect for all.
Our students will become life-long learners able to adapt to a complex, diverse and constantly changing world.

Board Goals

Denton Independent School District's Board Goals

I. Vision … In pursuit of excellence, the district will:

- cultivate a network of professional learning communities addressing the educational needs of every child in our district
- develop and maintain a culture where learning remains our first priority
- remain committed to providing equitable and outstanding opportunities for every student on every campus
- establish goals for individual campuses that incorporate both measurable and intangible factors
- develop a budget focused on student and professional learning
- effectively communicate achievements and recognitions to the Denton ISD community
- prepare our students to be successful in a global society while instilling an appreciation for community service

II. Teaching & Learning… In pursuit of excellence, the district will:

- cultivate a consistent, strong, district-wide balanced curriculum based on ongoing needs assessments that supports all students
- establish high expectations with a curriculum that fosters inquiry and critical thinking
- develop academic skills and interpersonal relationships necessary for student success in college, the workplace and for life.
- expect full curriculum implementation on each campus by instructional leaders
- establish quality staff development programs that promote professional learning communities
- strive to deliver all academic programs through teachers possessing advanced degrees and demonstrable competence in their areas of professional responsibility
- stay abreast of and incorporate best practices into teaching, learning, technology and leadership
- advocate and practice true accountability based on measurement of individual student progress over time, regardless of external mandates
- actively pursue, foster and support an advanced digital learning environment

III. Climate… In pursuit of excellence, the district will:

- celebrate, respect, and promote the value of diversity in our Denton ISD Community.
- encourage and nourish a safe learning and compassionate working environment which ensures open and transparent communication and is supportive, cooperative, and ethical.
- establish a high expectation level for success for all students, staff, parents, and community
- instill in students a love of life-long learning
- motivate and prepare students to embrace their full responsibilities and obligations as active citizens of their community, nation, and world

IV. Parent and Community Involvement…In pursuit of excellence, the district will:

- foster a positive and welcoming environment that encourages parent and community partnerships to achieve success for all our students
- work continuously with the community in planning and facility development
- utilize citizens' advisory committees to focus on short and long-term tasks
- provide support services and promote health, wellness and safety for students and families
- establish and promote programs to develop and enhance parenting skills and participation in the schools
- promote child advocacy across the state and nation

V. Human Resources…In pursuit of excellence, the district will:

- develop and expect a consistently high level of, and respect for, professional performance by all staff
- recruit, select, employ and retain teachers in every classroom because of substantive experience in the discipline they teach, rather than in auxiliary functions
- maintain a diverse workforce with respect to qualifications, expertise, and commitment to excellence
- encourage all teachers and staff to pursue advanced professional development and degrees within their specialty area
- promote health and wellness in our workforce

VI. Growth, Change & Fiscal Responsibility…In pursuit of excellence, the district will:

- review and adjust policies and procedures as appropriate to address the challenges of rapid growth and changing demographic characteristics while maintaining and enhancing our strong sense of community
- create and continuously modify strategies to mitigate increasing stresses on our children, our schools, and our community
- be environmentally responsible and aggressively pursue energy efficiency and conservation principles in building design, transportation alternatives, and operating procedures
- work continuously with our community to adjust and enhance district goals as appropriate
- demonstrate effective and efficient management of district resources
- provide leadership and/or oversight to ensure District meets all fiscal, legal and regulatory requirements.

McMath Middle School Campus Improvement Plan

2011-12 Comprehensive Needs Assessment Summary

In accordance with state and federal legislative requirements, the staff at McMath Middle School conducted a comprehensive needs assessment for the 2011-12 school year. Data and findings from the comprehensive needs assessment were then used to develop the activities/strategies in the additional sections of the Campus Improvement Plan.

Demographics:

Demographics refer to the characteristics or make-up of the school and help us understand who we are currently working with and how we implement strategies, initiatives, programs and services to meet their needs.

Potential Data Sources:

- Enrollment
- Attendence
- Ethnicity
- Gender
- Mobility/Stability
- Special Program Participation
- At-Risk by Category
- Teacher-Student Ratios
- Graduation, Completion, Droupout and GED rates
- Course/Class Assignments
- College/University/Dual Credit/Advanced Placement Enrollment

Data Sources Reviewed

Demographic data are very important for us to understand as they are part of our educational system over which we have no control, but from which we can observe trends and learn for purposes of prediction and planning. – Victoria Bernhardt

List the actual data sources reviewed below.

- PEIMS Data
- At-Risk reports
- Demographic data from Dr. Nobles' Student Information notebooks for the past 3 years
- eSchools data
- AEIS reports
- Attendance data from the past 3 years from Mrs. Frank's Attendance notebooks for the past 3 years
- Drop out reports and mobility reports from Mrs. Foster's Registration notebooks for the past 3 years
- Discipline reports
- Class rolls

See page 7 of the guide for probing questions related to demographics.

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Diverse population both financially and ethically
- Title 1 status to help address low SES factors
- Well developed systems in place to help identify and assist at-risk students
- Students dismissed from special programs typically have success in he classroom and begin passing state assessment within 2 years of exiting program

Needs

- With almost half of our students identified as economically disadvantaged and a significant number identified as at-risk, our school needs to continue to find ways to serve those students and ensure their academic success.
- Increase parent learning and responsibiliy. We need more involvement from a broader segment of the parent population
- Increase diversity among the staff, including a greater diversity in ethnicity and language ability

- This staff works well together to meet the needs of the diverse population. New programs have been developed and implemented successfully to meet the needs as the population has changed over the past 3 years.
- Attempts have been made to hire a more diverse staff...the problem has been in finding highly qualified candidates.
- Under-represented students are actively recruitted for EXPO and enhanced classes
- Attendance is a priority and has not been a campus problem. Mrs. Frank in the attendance office works with all of our families, and especially with the Spanish speaking parents, to ensure that students are in shool.

Summary of Needs

- Based upon the needs assessment, we will continue to maintain what has been done in the areas defined above.
- We need additional ESL staff to help with the needs of our very large LEP population. However, we recognize that with limited funds we will not be able to address this need next year.
- We need the support of the BE/ESL department to help MMS continue to work toward having every teacher ESL certified
- Continued professional development on meeting the needs of LEP students and needs of economically disadvantaged students.

Student Achievement

Student Achievement data refers to the annual and longitudinal reviews from varied sources of formal and informal data. These data provide insights about the degree to which students are acquiring the knowledge and skills expected for each grade level and course of study.

Potential Data Sources:

- State Assessment Data
- LEPAS and AMAO Results
- SAT/ACT/PSAT Results
- Advanced Course/Dual Enrollment Data
- Standardized, Norm-Referenced, Criterion-Referenced Tests and Measures
- State and AYP Data Tables
- Texas Success Initiative (TSI) Data
- Course/Class Grades
- Graduation, Completion, Droupout, and GED Rates; Diploma Types
- Promotion/Retention Rates
- Classroom and Program Assessments and Other Data
- Student Work

Data Sources Reviewed

We want to gather and analyze data that will help us understand the system that produces the results we are getting. We also want to move our district continuous improvement efforts from random acts of improvement to focused improvement that centers on our ultimate purpose: improving learning for all students. – Victoria Bernhardt

List the actual data sources reviewed below.

- AEIS report
- district Data Binders 2010 and 2011
- Teacher assessments
- TELPAS data
- Campus data binders for the past 3 years
- AYP report
- Duke Talent Search results

See page 8 of the guide for probing questions related to Student Achievement

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Recognized campus in 2010
- Added an Accelerated Science class for students who have been identified at the end of 7th grade as potentially not passing the 8th grade science test
- Large number of students enrolled in enhanced or advanced classes. A small number of students attend high school classes on the high school campus while enrolled in middle school.
- Eleven students were recognized by Duke University for their performance on the SAT or ACT test.

Needs

- Differentiating instruction for the broad spectrum of student needs
- Maintaining appropriate rigor despite the large variance in student abilities
- Closing the achievement gap between all identified sub-groups

Summary of Needs

- Continue to ensure a gauranteed viable curriculum for all students
- Provide appropriate classes for the LEP students
- Support from BE/ESL in providing professional development and staffing to address the needs of the LEP students.
  Support from the curriculum department in providing professional development in the area of differentiation and assessment
- A Newcomer's Academy is needed to provide services for students the first year that they are in the USA
- Add the next level of Inclusion to provide the full range of services for our SPED students.
  (True co-teachers in the areas of reading, math and science will complete the 5 year Inclusion Plan for McMath, we will not be able to add the science co-teacher this year due to budget issues)
- Careful monitoring of the LEP students by the Title 1 counselor

School Culture and Climate

School culture refers to the organization's values, beliefs, transitions, and customs which shape the personality and climate of the organization. It determines how parents, community, staff and students feel about the school and affects how people interact within the system

Potential Data Sources

- Surveys
- Questionnaires
- Focus Groups
- Interviews
- Feedback Data
- Classroom and School Walkthrough Data
- Parent Conferences, Meetings, etc.

Data Sources Reviewed

Culture is the underground stream of norms, values, beliefs, traditions, and rituals that build up over time as people work together, solve problems, and confront challenges. This set of informal expectations and values shapes how people think, feel, and act in schools. – Author unknown.

List the actual data sources reviewed below.

- Parent, student and staff surveys
- CLT and PTA input
- Gallup Student Poll
- Discipline reports
- Look 2 Learning Walks
- Safety audit report
- Substitiute Feedback forms
- Counselor logs

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- All subgroups are involved in athletics, fine arts and extr-curricular activities
- 85% of the students report feeling safe in school
  an 95% of them know how to report a problem at school
- Student work is represented throughout the building.
- Teams work with students and their families to promote a positive climate and culture
- The front office has multiple Spanish speaking staff members.
  Several staff members are fluent in an additional language
- The common areas of the building are orderly and welcoming
- The expectation for behavior is consistent in all common areas of the building
- Feeder elementary schools are visited by student groups to help with the transition from 5th to 6th grade.

Needs

- Building security---front entrance
- Increase recognition of positive student behavior and achievements
- Increase parent contact
- Decrease the gap between team referrals for discipline

- Substitutes consistently leave feedback that McMath is nuturing and supportive as well as being well disciplined.
- Counselors spend most of their time working with students and families

Summary of Needs

- Plan a "formal" and reflective student award ceremony at the end of school
- Better communicate all of the good things going on at McMath
- Use technology to increase communication to community---Facebook, Twitter, Blogs, etc
- Maintain high level of expectations for all stake holders at McMath
- Continue to work with feeder elementary schools on transition.
  Increase communication between our school and their schools.
- Continue to develop the GOAL program by adding a 6th grade group and a community service project.
  Continue to work with Lee and Borman to develop a program for the girls.

Staff Quality, Recruitment and Retention

Staff Quality, Recruitment and Retention refers to the school organization's level of high-quality, highly-effective staff, particularly in high-poverty schools. This area is also focused on assessing the effect of recruitment and retention strategies on staffing patterns

Potential Data Sources

- Teacher Certification/Qualification Data
- Paraprofessional and Other Staff Qualifications
- Staff Effectiveness in Relation to Student Achievement
- PDAS and/or Other Staff Effectiveness Data
- Staff Mobility/Stability
- Special Programs Qualifications; e.g., Bilingual/ESL/, Special Education, etc.
- Professional Development Data
- Teacher-Student Ratios
- Graduation, Completion, Dropout, and GED rates
- Course/Class Completions, Grades, and Other Data
- Recruitment and Retention Strategies and Other Data

Data Sources Reviewed

An empowered organization is one in which individuals have the knowledge, skill, desire, and opportunity to personally success in a way that leads to collective organizational success. –Stephen Covey

List the actual data sources reviewed below.

- Highly Qualified report from HR
- PEIMS data
- AWARE data
- Data Binder 2010 and 2011
- Record of professional development
- Teacher input

See page 10 of the guide for probing questions related to School Culture and Climate

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Teaming!!
- All staff members are highly qualified and appropriately certified
- Low staff turn over rates for the past 3 years
- FYTA support for new teachers
- PLC training and support
- Teacher input on hiring
- Open and frequent communication between administrators and staff
- Many staff members are certified in content areas as well as SPED and ESL

Needs

- Replace PRIDE with PDAS and properly prepare teachers for that change
- Vertical communication with elementary and high school
- More consistency with "Sunshine Committee" duties
- Teachers are concerned about STAAR and need more information and time to plan

Summary of Needs

- STAAR preparation time and information.
- Provide additional professional development at the campus level on topics identified by the teachers (AWARE, student motivation, working with parents, etc)
- Support teacher moral in a variety of meaningful cost free ways
- Continue to use team time to do RTI, ARDs, parent contacts, student interventions, as well as curriculum planning.

Curriculum, Instruction and Assessment

The curriculum/curricula collectively describes the teaching, learning, and assessment materials and resources available for a given course of study. These are aligned with the TEKS and other standards, incorporating instruction and assessment processes.

Potential Data Sources

- Standards-Based Curriculum Resources and Materials
- Scope and Sequence, Pacing Guides; and/or Other Focus Documents
- Foundation Course/Class Materials
- Enrichment Course/Class Materials
- Technology
- Instructional Design/Delivery; High-Yield Strategies
- Lesson Study/Delivery Processes
- Collaborative Horizontal and Vertical Team Alignment Processes
- Student-Specific/Differentiated Strategies and processes
- Common benchmark Assessments and/or Other Assessments
- Class, School, and Special Program Schedules

Data Sources Reviewed

There are three kinds of curricula; they must be considered together and improved together: written curriculum, taught curriculum, and tested curriculum. – Fenwick English

List the actual data sources reviewed below.

- Master Schedule data
- AWARE data
- Curriculum Documents and lesson plans
- PLC documents
- Data Binder 2010 2011
- Teacher data collection

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Using a targeted intervention for identified students improved scores on TAKS (when compared to last year's scores w/o TPM)
- Several options are available to support reteaching and/or tutoring
- Using "Timz Attack" computer lab has been helpful
- Campus integration of Thinking Maps, Academic Vocabulary, and SIOP
- Quality of staff
- Supprt from CT and CTS
- PLCs help support curriculum, instruction and intervention

Needs

- Low Integrated Technology scores
- Interventions for LEP and SPED
- Adapting to the new structure for technology support (reduced CT and CTS availablity)
- Provide additional support for math and science PLCs
- Develop more cross content lessons to help with math and science

Summary of Needs

- Support from the curriculum department for math and science with a focus on common assessments and differentiated instruction
- Depending upon the findings of the Campus Technology committe, integration of the ITS skills across grade levels and content areas
- Contine Look 2 Learning walks to improve instruction

Family and Community Involvement

Family and Community Involvement refers to how these stakeholders and informed, invested and involved as partners in supporting the school community to maintain high expectations and high achievements for all students

Potential Data Sources:

- Family and Community Participation Counts by Type of Activity
- Parent Volunteer Information
- Parent Activity Evaluations and Feedback
- Parent and Community Partnership Data
- Mobility/Stability
- Demographic Data
- Community Service Agencies and Support Services

Data Sources Reviewed

The family is changing, not disappearing. WE have to broaden our understanding of it, look for the new metaphors. – Mary Catherine Bateson

List the actual data sources reviewed below.

- Parent Sign-In sheets for Open House
- Team contact logs
- Volunteer hour log
- Adopt-A-School documents
- PTA provided data

See page 12 of the guide for probing questions related to School Culture and Climate

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- 80% of parents signed in for Open House on Saturday
  71% of incoming 6th grade parents attended the 5th to 6th transition meeting
- UNT fraternity mentors are very involved with GOAL
- Counselors provide on-going parent education programs
- Increased volunteer hours
- Career Day and Tiger Day bring in high parent and community involvment
- Increased contact with parents by using photos sent home with a message about their child
- Phone messages sent out in both English and Spanish have been the most effective means of contacting the parents. Many of our parents do not have internet access.

Needs

- PTA meetings are attended by very few parents (less than 15 on average)
- Low parent attendance from the Spanish speaking population

- Community support for the gardening program has increased. Keep Denton Beautiful sumitted the gardening project for a state award and McMath won at the state level.

Summary of Needs

- Continue to use non-traditional ways to communicate with parents
- Seek additional community/parent support for environmental projects
- Continue to maintain updated websites that are easy for parents to access

School Context and Organization

School Context and Organization refers to the processes, structures, decision-making, and overall leadership aspects of the organization, including how these areas address quality teaching and learning.

Potential Data Sources:

- School Structure or Make-Up, e.g., Teaming, Looping, etc
- Decision Making Processes
- Master Schedule
- Leadership: Formal and Informal
- Supervision Structure
- Support Structures: Mentor Teachers
- Duty Rosters
- Schedule for Student Support Services, e.g., Counseling, Social Work, Library, etc.
- School Map and Physical Environment

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Teacher Talk--a twice monthly informal meeting for teachers and administrators to talk about any issue related to the school
- Common Team planning times daily
  Common content area PLC times weekly
- Flexible schedule options using the advisory period to address various needs as they arise
- Master schedule created based upon student requests and needs
- ARD schedule and process works well

Needs

- Add a calendar of school related events to the campus website
- Secure front entry---to be added 11-12 school year
- Fine arts facilities are inadequate---band hall construction to begin 11-12 school year
- Additional time to plan as a department
- Teachers self select duty times

Summary of Needs

- Renovations to the building to add a band hall and a secure front entrance will take place this year
- Team planning is vital to the effectiveness of McMath
- Continue to seek ways for departments to spend more time collaboratively planning and analyzing

Technology

Technology refers to modeling and applying digital tools and resources for students, staff, and other stakeholders to advance teaching and learning, and connect to real-world experiences, including post-secondary opportunities.

Potential Data Sources

- Technology Infrastructure, Networks, etc.
- Technology Hardware and Software
- Classroom Technology Needs by Area, Class, Department, etc.
- STaR Chart
- Professional Development/Teacher Preparation Needs in Technology
- Leadership and Administrative Support Structures for Technology Implementation
- Resource Allocations

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Teachers and students have access to multiple resources
- The number of computers and peripherals meets the needs of the campus
- Labs are maintained and are used frequently
- The CTS provides a high level of support to staff, students and parents
-

Needs

- CATE lab needs to be updated when funds are available
- Much of our equipment will need to be replaced in the near future and there is not a plan in place to address this
- The cost of the bulbs for the projectors is prohibitive and there is concern that once they burn out it will be difficult to fund a replacment
- There are times that an Apple product is the best choice and it is difficult to obtain those products
- Address the relevance of the ITS data and consider a more valid assessment of the targeted skills

Summary of Needs

- Plan for replacment of equipment over the next few years
- Campus Technology committee will analyze the ITS and make recommendations based on their findings
- Work with CATE to determine future needs and plans for the campus CATE program and how it will be supported

Comprehensive Needs Assessment Summary of Priority Needs
McMath Middle School

Demographics:

Based upon the needs assessment, we will continue to maintain what has been done in the areas defined above.

We need additional ESL staff to help with the needs of our very large LEP population. However, we recognize that with limited funds we will not be able to address this need next year.

Depending upon the findings of the Campus Technology committe, integration of the ITS skills across grade levels and content areas

Contine Look 2 Learning walks to improve instruction

Family and Community Involvement:

Continue to use non-traditional ways to communicate with parents

Seek additional community/parent support for environmental projects

Continue to maintain updated websites that are easy for parents to access

School Content and Organization:
Renovations to the building to add a band hall and a secure front entrance will take place this year
Team planning is vital to the effectiveness of McMath
Continue to seek ways for departments to spend more time collaboratively planning and analyzing

Technology:
Plan for replacment of equipment over the next few years
Campus Technology committee will analyze the ITS and make recommendations based on their findings
Work with CATE to determine future needs and plans for the campus CATE program and how it will be supported

Campus Improvement Plans
2011-12

McMath Middle School

Wildy Important Goals for 2011-12
WIG 1: Every student will achieve one year of academic growth in reading, math and science using the CLASS assessment from the pre-test in September 2011 to the post-test in May 2012
WIG 2: Increase AYP performance in math and reading special education sub-groups from 69% in reading to 80% and from 61% in math to 75% by June 2012.
WIG 3: Provide a safe, supportive and challenging education environment for all students at McMath as measured by participation in extra-curricular and UIL activities, discipline referrals, attendance* and survey responses showing at least a 10% improvement when compared to 2011 measures by June 1, 2012. (note attendance rates goal is 98% every 6 weeks...it is currently at 96%)

Denton Independent School District

Mission Statement

Denton Independent School District's Mission Statement

…in pursuit of excellence…

The mission of the Denton Public Schools, in partnership with home and community, is to provide the best educational opportunities in a challenging yet supportive environment where individuals and cultural diversity are respected, so that our students become knowledgeable and responsible citizens, capable of life-long learning and demonstrate the necessary skills to contribute productively in a complex and ever-changing world.

Navo Middle School's Mission Statement

The mission of Navo Middle School, in collaboration and open communication with the learning community, is to empower our students to become self-confident, respectful, and responsible citizens through maintaining high expectations, embracing diversity, and providing a safe, positive learning environment.

Board Goals

Denton Independent School District's Board Goals

I. Vision … In pursuit of excellence, the district will:

- cultivate a network of professional learning communities addressing the educational needs of every child in our district
- develop and maintain a culture where learning remains our first priority
- remain committed to providing equitable and outstanding opportunities for every student on every campus
- establish goals for individual campuses that incorporate both measurable and intangible factors
- develop a budget focused on student and professional learning
- effectively communicate achievements and recognitions to the Denton ISD community
- prepare our students to be successful in a global society while instilling an appreciation for community service

II. Teaching & Learning… In pursuit of excellence, the district will:

- cultivate a consistent, strong, district-wide balanced curriculum based on ongoing needs assessments that supports all students
- establish high expectations with a curriculum that fosters inquiry and critical thinking
- develop academic skills and interpersonal relationships necessary for student success in college, the workplace and for life.
- expect full curriculum implementation on each campus by instructional leaders
- establish quality staff development programs that promote professional learning communities
- strive to deliver all academic programs through teachers possessing advanced degrees and demonstrable competence in their areas of professional responsibility
- stay abreast of and incorporate best practices into teaching, learning, technology and leadership
- advocate and practice true accountability based on measurement of individual student progress over time, regardless of external mandates
- actively pursue, foster and support an advanced digital learning environment

III. Climate… In pursuit of excellence, the district will:

- celebrate, respect, and promote the value of diversity in our Denton ISD Community.
- encourage and nourish a safe learning and compassionate working environment which ensures open and transparent communication and is supportive, cooperative, and ethical.
- establish a high expectation level for success for all students, staff, parents, and community
- instill in students a love of life-long learning
- motivate and prepare students to embrace their full responsibilities and obligations as active citizens of their community, nation, and world

IV. Parent and Community Involvement…In pursuit of excellence, the district will:

- foster a positive and welcoming environment that encourages parent and community partnerships to achieve success for all our students
- work continuously with the community in planning and facility development
- utilize citizens' advisory committees to focus on short and long-term tasks
- provide support services and promote health, wellness and safety for students and families
- establish and promote programs to develop and enhance parenting skills and participation in the schools
- promote child advocacy across the state and nation

V. Human Resources…In pursuit of excellence, the district will:

- develop and expect a consistently high level of, and respect for, professional performance by all staff
- recruit, select, employ and retain teachers in every classroom because of substantive experience in the discipline they teach, rather than in auxiliary functions
- maintain a diverse workforce with respect to qualifications, expertise, and commitment to excellence
- encourage all teachers and staff to pursue advanced professional development and degrees within their specialty area
- promote health and wellness in our workforce

VI. Growth, Change & Fiscal Responsibility…In pursuit of excellence, the district will:

- review and adjust policies and procedures as appropriate to address the challenges of rapid growth and changing demographic characteristics while maintaining and enhancing our strong sense of community
- create and continuously modify strategies to mitigate increasing stresses on our children, our schools, and our community
- be environmentally responsible and aggressively pursue energy efficiency and conservation principles in building design, transportation alternatives, and operating procedures
- work continuously with our community to adjust and enhance district goals as appropriate
- demonstrate effective and efficient management of district resources
- provide leadership and/or oversight to ensure District meets all fiscal, legal and regulatory requirements.

Navo Middle School Campus Improvement Plan

2011-12 Comprehensive Needs Assessment Summary

In accordance with state and federal legislative requirements, the staff at Navo Middle School conducted a comprehensive needs assessment for the 2011-12 school year. Data and findings from the comprehensive needs assessment were then used to develop the activities/strategies in the additional sections of the Campus Improvement Plan.

Demographics:

Demographics refer to the characteristics or make-up of the school and help us understand who we are currently working with and how we implement strategies, initiatives, programs and services to meet their needs.

Potential Data Sources:

- Enrollment
- Attendence
- Ethnicity
- Gender
- Mobility/Stability
- Special Program Participation
- At-Risk by Category
- Teacher-Student Ratios
- Graduation, Completion, Droupout and GED rates
- Course/Class Assignments
- College/University/Dual Credit/Advanced Placement Enrollment

Data Sources Reviewed

Demographic data are very important for us to understand as they are part of our educational system over which we have no control, but from which we can observe trends and learn for purposes of prediction and planning. – Victoria Bernhardt

List the actual data sources reviewed below.

- AEIS Reports
- Eschool Attendance Reports
- Eschool Class Counts
- Navo MS Master Schedule
- PEIMS Reports
- Parent/School communication logs

See page 7 of the guide for probing questions related to demographics.

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Diversity in Student Groups (17% AA, 30% Hisp., 51% White, 2% Other ethnicity)
- Seeing increase in advanced course placement
- Ability to manage large student body
- Over 95% average daily attendance

Needs

- Improvement in attendance for at risk students
- Improvement in addressing the unique needs of LEP students in all areas

Summary of Needs

- Additional staff development for meeting the needs of at-risk students
- Additional staff development for meeting the needs of SPED students
- Improve school to home communication for students with attendance issues

Student Achievement

Student Achievement data refers to the annual and longitudinal reviews from varied sources of formal and informal data. These data provide insights about the degree to which students are acquiring the knowledge and skills expected for each grade level and course of study.

Potential Data Sources:

- State Assessment Data
- LEPAS and AMAO Results
- SAT/ACT/PSAT Results
- Advanced Course/Dual Enrollment Data
- Standardized, Norm-Referenced, Criterion-Referenced Tests and Measures
- State and AYP Data Tables

Mission Statement

Denton Independent School District's Mission Statement

…in pursuit of excellence…

The mission of the Denton Public Schools, in partnership with home and community, is to provide the best educational opportunities in a challenging yet supportive environment where individuals and cultural diversity are respected, so that our students become knowledgeable and responsible citizens, capable of life-long learning and demonstrate the necessary skills to contribute productively in a complex and ever-changing world.

Strickland Middle School's Mission Statement

The mission of Strickland Middle School is to provide the best educational opportunities in a challenging yet supportive environment where individuals and cultural diversity are respected, so that our learners of today will become the leaders of tomorrow.

Board Goals

Denton Independent School District's Board Goals

I. Vision … In pursuit of excellence, the district will:

- cultivate a network of professional learning communities addressing the educational needs of every child in our district
- develop and maintain a culture where learning remains our first priority
- remain committed to providing equitable and outstanding opportunities for every student on every campus
- establish goals for individual campuses that incorporate both measurable and intangible factors
- develop a budget focused on student and professional learning
- effectively communicate achievements and recognitions to the Denton ISD community
- prepare our students to be successful in a global society while instilling an appreciation for community service

II. Teaching & Learning… In pursuit of excellence, the district will:

- cultivate a consistent, strong, district-wide balanced curriculum based on ongoing needs assessments that supports all students
- establish high expectations with a curriculum that fosters inquiry and critical thinking
- develop academic skills and interpersonal relationships necessary for student success in college, the workplace and for life.
- expect full curriculum implementation on each campus by instructional leaders
- establish quality staff development programs that promote professional learning communities
- strive to deliver all academic programs through teachers possessing advanced degrees and demonstrable competence in their areas of professional responsibility
- stay abreast of and incorporate best practices into teaching, learning, technology and leadership
- advocate and practice true accountability based on measurement of individual student progress over time, regardless of external mandates
- actively pursue, foster and support an advanced digital learning environment

III. Climate… In pursuit of excellence, the district will:

- celebrate, respect, and promote the value of diversity in our Denton ISD Community.
- encourage and nourish a safe learning and compassionate working environment which ensures open and transparent communication and is supportive, cooperative, and ethical.
- establish a high expectation level for success for all students, staff, parents, and community
- instill in students a love of life-long learning
- motivate and prepare students to embrace their full responsibilities and obligations as active citizens of their community, nation, and world

IV. Parent and Community Involvement…In pursuit of excellence, the district will:

- foster a positive and welcoming environment that encourages parent and community partnerships to achieve success for all our students
- work continuously with the community in planning and facility development
- utilize citizens' advisory committees to focus on short and long-term tasks
- provide support services and promote health, wellness and safety for students and families
- establish and promote programs to develop and enhance parenting skills and participation in the schools
- promote child advocacy across the state and nation

V. Human Resources…In pursuit of excellence, the district will:

- develop and expect a consistently high level of, and respect for, professional performance by all staff
- recruit, select, employ and retain teachers in every classroom because of substantive experience in the discipline they teach, rather than in auxiliary functions
- maintain a diverse workforce with respect to qualifications, expertise, and commitment to excellence
- encourage all teachers and staff to pursue advanced professional development and degrees within their specialty area
- promote health and wellness in our workforce

VI. Growth, Change & Fiscal Responsibility…In pursuit of excellence, the district will:

- review and adjust policies and procedures as appropriate to address the challenges of rapid growth and changing demographic characteristics while maintaining and enhancing our strong sense of community
- create and continuously modify strategies to mitigate increasing stresses on our children, our schools, and our community
- be environmentally responsible and aggressively pursue energy efficiency and conservation principles in building design, transportation alternatives, and operating procedures
- work continuously with our community to adjust and enhance district goals as appropriate
- demonstrate effective and efficient management of district resources
- provide leadership and/or oversight to ensure District meets all fiscal, legal and regulatory requirements.

Strickland Middle School Campus Improvement Plan

2011-12 Comprehensive Needs Assessment Summary

In accordance with state and federal legislative requirements, the staff at Strickland Middle School conducted a comprehensive needs assessment for the 2011-12 school year. Data and findings from the comprehensive needs assessment were then used to develop the activities/strategies in the additional sections of the Campus Improvement Plan.

Demographics:

Demographics refer to the characteristics or make-up of the school and help us understand who we are currently working with and how we implement strategies, initiatives, programs and services to meet their needs.

Potential Data Sources:

- Enrollment
- Attendence
- Ethnicity
- Gender
- Mobility/Stability
- Special Program Participation
- At-Risk by Category
- Teacher-Student Ratios
- Graduation, Completion, Droupout and GED rates
- Course/Class Assignments
- College/University/Dual Credit/Advanced Placement Enrollment

Data Sources Reviewed

Demographic data are very important for us to understand as they are part of our educational system over which we have no control, but from which we can observe trends and learn for purposes of prediction and planning. – Victoria Bernhardt

List the actual data sources reviewed below.

- PEIMS Data- all categories
- AEIS Data - all
- Special programs data - Sp. Ed., GT, ESL
- Mobility

See page 7 of the guide for probing questions related to demographics.

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- More diverse - economically and race/ethnicity
- Mobility decreasing
- Total number of students compared to student in GT, ESL, & SPED is consistent
- GT male/female ratio is equal
- Total school male/female ratio

Needs

- 48% of student - free lunch, 8% reduced lunch
- No AA students currently in GT program
- Larger ID of GT white males than fit the school's population
- Student ethnicty is not equal to staff ethnicity
- Larger% of males in SPED?
- Larger% of AA students in SPED than student population would predict

Summary of Needs

- Are we prepared for an increasingly diverse population?
- How should we work to identify minority GT students?
- Why is our SPED% of male students much larger than total% or GT%?
- Are White males over identified in GT program or are other groups under identified or both?
- How does the discrepency between teacher ethnicities and student ethnicities affect students, parents, and staff?

Student Achievement

Student Achievement data refers to the annual and longitudinal reviews from varied sources of formal and informal data. These data provide insights about the degree to which students are acquiring the knowledge and skills expected for each grade level and course of study.

Potential Data Sources:

- State Assessment Data
- LEPAS and AMAO Results
- SAT/ACT/PSAT Results
- Advanced Course/Dual Enrollment Data
- Standardized, Norm-Referenced, Criterion-Referenced Tests and Measures
- State and AYP Data Tables
- Texas Success Initiative (TSI) Data
- Course/Class Grades
- Graduation, Completion, Droupout, and GED Rates; Diploma Types
- Promotion/Retention Rates
- Classroom and Program Assessments and Other Data
- Student Work

Data Sources Reviewed

We want to gather and analyze data that will help us understand the system that produces the results we are getting. We also want to move our district continuous improvement efforts from random acts of improvement to focused improvement that centers on our ultimate purpose: improving learning for all students. – Victoria Bernhardt

List the actual data sources reviewed below.

- 3 years of TAKS - state assessment data
- TELPAS data
- AYP data tables
- Classroom and program assessment data

See page 8 of the guide for probing questions related to Student Achievement

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- ESL students in Read 180 improved on TELPAS scores
- AA students reading scores
- attendance

Needs

- AA - students math scores
- males reading scores
- LEP students math and reading scores

Summary of Needs

- year to year tracking of students in intervention programs
- monitoring groups in Aware for ESL students
- possibly implement smaller ESL math classes in addition to accel. Math for LEP students

School Culture and Climate

School culture refers to the organization's values, beliefs, transitions, and customs which shape the personality and climate of the organization. It determines how parents, community, staff and students feel about the school and affects how people interact within the system

Potential Data Sources

- Surveys
- Questionnaires
- Focus Groups
- Interviews
- Feedback Data
- Classroom and School Walkthrough Data
- Parent Conferences, Meetings, etc.

Data Sources Reviewed

Culture is the underground stream of norms, values, beliefs, traditions, and rituals that build up over time as people work together, solve problems, and confront challenges. This set of informal expectations and values shapes how people think, feel, and act in schools. – Author unknown.

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Student involvement is represented by all ethnic groups
- 98% of students are involved in a club, fine arts, or athletics
- 79% feel safe at school
- 93% know how to report a safety problem at school
- 49% say drugs are not a problem at our school
- 62% would not know where to obtain drugs
- only 1% feel threatened by gangs
- 88% have not tried drugs, alcohol, inhalents, etc. in the past 30 days
- No ethnic group is over-represented in discipline referrals
- Attendance action reports are aligned with campus ethnicity

Needs

- 48% have heard someone threaten another student
- 47% heard someone joking about killing someone
- 38% believe bullying is the biggest safety problem
- 36% fight over boyfriends and girlfriends
- 48% would feel safer if they were taught how to recognize signs of dangerous student behaviors
- Building cleanliness
- Building up-to-dateness
- Building security

Summary of Needs

- males are overrepresented in discipline
- At risk students (sp.ed. & 504) are overrepresented in discipline referrals
- Improve building security
- Improve building cleanliness
- More comprehensive bullying training for students (in addition to RC, Officer Adams, & Ms. Williams

Staff Quality, Recruitment and Retention

Staff Quality, Recruitment and Retention refers to the school organization's level of high-quality, highly-effective staff, particularly in high-poverty schools. This area is also focused on assessing the effect of recruitment and retention strategies on staffing patterns

Potential Data Sources

- Teacher Certification/Qualification Data
- Paraprofessional and Other Staff Qualifications
- Staff Effectiveness in Relation to Student Achievement
- PDAS and/or Other Staff Effectiveness Data
- Staff Mobility/Stability
- Special Programs Qualifications; e.g., Bilingual/ESL/, Special Education, etc.

A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Highly Qualified Report
- Tutorials
- Math Labs before & after school
- Mentors
- University Reading Tutorials
- TAKS tutoring
- Commitment to PLC training and development
- Recognition/Awards for Staff
- Teacher Accountability
- Teaming/ Professional Development/Horizontal Planning/ Title I training

Needs

- Title I - Don't take entire grade level off campus at one time
- Current Appraisal system needs work
- Continue to improve staff community
- Lack of vertical teaming
- Higher attendance rates for technology training
- Additional staff training on STAAR

Summary of Needs

- Continue to refine and structure instruction based on disaggregated data from standardized testing
- Continue Love and Logic Training, including full course and refresher
- Continue to build a school culture that reflects a sense of community
- Improve planned vertical teaming and hold all accountable
- Move to PDAS appraisal which gives more input
- Offer incentives for teachers to go to technology training to improve teacher quality

Curriculum, Instruction and Assessment

The curriculum/curricula collectively describes the teaching, learning, and assessment materials and resources available for a given course of study. These are aligned with the TEKS and other standards, incorporating instruction and assessment processes.

Potential Data Sources

- Standards-Based Curriculum Resources and Materials
- Scope and Sequence, Pacing Guides; and/or Other Focus Documents
- Foundation Course/Class Materials
- Enrichment Course/Class Materials
- Technology
- Instructional Design/Delivery; High-Yield Strategies

A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Providing an additional elective for TAKS commended students creates smaller class sizes for students who need individual assistance
- Identifying students who need TAKS tutoring through benchmark testing and the use of Aware
- Providing mandatory TAKS tutoring for those students in need twice a week
- Placing students in additional reading/math classes to better prepare them for TAKS and future success
- Open computer lab with Math teacher before and after school-Study Island
- Constant evaluating to be better.
- Use of PLC strategies to improve the way we collaborate and teach

Needs

- Horizontal Planning/teaching all subjects
- District benchmarks at all grade levels
- Standardized testing is not differentiated
- Student understanding of purpose for and benefit of assessment
- Each teacher being accountable for all students learning the curriculum

Summary of Needs

- Horizontal Planning/teaching all subjects
- District benchmarks at all grade levels
- Standardized testing is not differentiated
- Student understanding of purpose for and benefit of assessment
- Each teacher being accountable for all students learning the curriculum

Data Sources Reviewed

The traditional way we "do school" will change as students have more access to the worlds around them. If we are producing globally competitive students, we have to adopt to the world they will encounter. – Superintendent

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- all rooms have direct connectivity to the Internet providing access to multiple resources and online learning
- Each educator has a dedicated computer with assigned use of peripheral technologies such as digital cameras, graphing calculators, etc.
- We have less than three studentsper Internet-connected multimedia computer. Ten labs are available for classroom reservation.
- Teacher-led and some student-centered technology activities are incorporated in content areas to enhance higher order thinking skillls
- Most teachers have completed professional development on integration of technology and demonstrate four or more SBEC Technology Application Standards.
- Campus provides regular access to instructional support and on-going professional development for the integration and use of technology in content areas
- Leadership communicates and implements a vision for integration of technology leading to improved student achievement.
- Campus has a technology rich Campus Improvement Plan and discretionary funds are used to implement technology goals.
- Campus uses a variety of media and formats, including telecommunications and the school Website to communicate, interact, and collaborae with stake holders
- Campus offers career and technology courses that teach 21st Century skills

Needs

- Fewer than forty percent of our students demonstrate mastery of Technology Applications TEKS of the 8th grade assessment
- The published scope and sequence for 6-8 Technology Applications is out-of-date and not correlated with new TA TEKS
- Dedicated student computers in classrooms load slowly and as a result sit unused in most classrooms.
- Few faculty members have completed professional development on the development or utilization of online learning.
- Professional development has been limited to face-to-face workshops. Other options, such as online learning and inquiry/action research are lacking
- One to on coputer to student access does not exist.
- There is no plan or budget for replacement of teacher and lab computers that are currently approaching last year of the four year expected life span.
- Multimedia applications for editing video and audio files are outdated and inadequate.
- Network storage space for teachers and students is inadequate.

Summary of Needs

- The campus technology team should be expanded to include faculty representatives.
- A comprehensive, systematic plan,including a scope and sequence, should be developed and implemented in order to ensure that 100 percent of our students master the Technology Application TEKS. The validity of the Eighth Grade Technology Assessment should be evaluated, with consideration given to a more authentic method of measuring student mastery of the objectives.
- Professional development should be expanded to utilize multiple staff development models.
- Campus administrators and technology staff should continue to communicate with district-level personnel the importance of developing a replacement cycle for all technology and moving toward a one to one computer to student ratio. Until a one to one ratio becomes possible, compus and district personnelshould seek funds to replace or retool computers that are "too slow" to be effective in the classroom.
- Options for replacing Windows Movie Matker and expanding network storage should be examined.

Comprehensive Needs Assessment Summary of Priority Needs
2010-2011

Demographics:
Are we prepared for an increasingly diverse population?
How should we work to identify minority GT students?
Why is our SPED% of male students much larger than total% or GT%?
Are White males over identified in GT program or are other groups under identified or both?
How does the discrepency between teacher ethnicities and student ethnicities affect students, parents, and staff?

Student Achievement:
year to year tracking of students in intervention programs
monitoring groups in Aware for ESL students
possibly implement smaller ESL math classes in addition to accel. Math for LEP students

School Culture and Climate:
males are overrepresented in discipline
At risk students (sp.ed. & 504) are overrepresented in discipline referrals
Improve building security
Improve building cleanliness
More comprehensive bullying training for students (in addition to RC, Officer Adams, & Ms. Williams

Teacher Quality:
Continue to refine and structure instruction based on disaggregated data from standardized testing
Continue Love and Logic Training, including full course and refresher
Continue to build a school culture that reflects a sense of community
Improve planned vertical teaming and hold all accountable
Move to PDAS appraisal which gives more input
Offer incentives for teachers to go to technology training to improve teacher quality

Curriculum, Instruction and Assessment:
Horizontal Planning/teaching all subjects
District benchmarks at all grade levels
Standardized testing is not differentiated
Student understanding of purpose for and benefit of assessment
Each teacher being accountable for all students learning the curriculum

Family and Community Involvement:
only half of the PTA newsletters were translated into Spanish
marquee should be in English and Spanish
all websites should be kept up-to-date

School Content and Organization:
time
money

Technology:
The campus technology team should be expanded to include faculty representatives.
A comprehensive, systematic plan,including a scope and sequence, should be developed and implemented in order to ensure that 100 percent of our students master the Technology Application TEKS. The validity of the Eighth Grade Technology Assessment should be evaluated, with consideration given to a more authentic method of measuring student mastery of the objectives.
Professional development should be expanded to utilize multiple staff development models.

Board Summary
Campus Improvement Plans
2011-12

Strickland Middle School

Wildy Important Goals for 2011-12
WIG 1: Improve student performance in all subject areas for all grade levels and sub-groups eliminating achievement gaps on all common assessments, benchmarks, and state assessments. STAAR testing accountability and AYP (CNA)
WIG 2: Provide necessary staff development to increase student performance for all subjects, grade levels and sub-groups eliminating achievement gaps on all common and state assessments. State testing accountability and AYP (CNA)
WIG 3: All members of the school community, especially parents, will be partners in the continuing improvement of the educational system and school climate. Continuous school improvement based on staff input survey, parent input, student input and data analysis. (CNA)
WIG 4: Goal: A school climate will be provided that is safe, orderly and well maintained. Student and staff survey, CLT recommendation that campus safety issues be addressed as a campus priority (CNA)

Denton Independent School District

Mission Statement

Denton Independent School District's Mission Statement

…in pursuit of excellence…

The mission of the Denton Public Schools, in partnership with home and community, is to provide the best educational opportunities in a challenging yet supportive environment where individuals and cultural diversity are respected, so that our students become knowledgeable and responsible citizens, capable of life-long learning and demonstrate the necessary skills to contribute productively in a complex and ever-changing world.

Denton High School's Mission Statement

Denton High School, in partnership with the home and community, is dedicated to the development of knowledgeable, compassionate individuals who actively and ethically, contribute to the betterment of our world. By providing challening and educational experiences that encourage cooperation, creativity and intercultural understanding, DHS aims to create life-long learners who embrace the diversity of others.

Board Goals

Denton Independent School District's Board Goals

I. Vision … In pursuit of excellence, the district will:

- cultivate a network of professional learning communities addressing the educational needs of every child in our district
- develop and maintain a culture where learning remains our first priority
- remain committed to providing equitable and outstanding opportunities for every student on every campus
- establish goals for individual campuses that incorporate both measurable and intangible factors
- develop a budget focused on student and professional learning
- effectively communicate achievements and recognitions to the Denton ISD community
- prepare our students to be successful in a global society while instilling an appreciation for community service

II. Teaching & Learning… In pursuit of excellence, the district will:

- cultivate a consistent, strong, district-wide balanced curriculum based on ongoing needs assessments that supports all students
- establish high expectations with a curriculum that fosters inquiry and critical thinking
- develop academic skills and interpersonal relationships necessary for student success in college, the workplace and for life.
- expect full curriculum implementation on each campus by instructional leaders
- establish quality staff development programs that promote professional learning communities
- strive to deliver all academic programs through teachers possessing advanced degrees and demonstrable competence in their areas of professional responsibility
- stay abreast of and incorporate best practices into teaching, learning, technology and leadership
- advocate and practice true accountability based on measurement of individual student progress over time, regardless of external mandates
- actively pursue, foster and support an advanced digital learning environment

III. Climate… In pursuit of excellence, the district will:

- celebrate, respect, and promote the value of diversity in our Denton ISD Community.
- encourage and nourish a safe learning and compassionate working environment which ensures open and transparent communication and is supportive, cooperative, and ethical.
- establish a high expectation level for success for all students, staff, parents, and community
- instill in students a love of life-long learning
- motivate and prepare students to embrace their full responsibilities and obligations as active citizens of their community, nation, and world

IV. Parent and Community Involvement…In pursuit of excellence, the district will:

- foster a positive and welcoming environment that encourages parent and community partnerships to achieve success for all our students
- work continuously with the community in planning and facility development
- utilize citizens' advisory committees to focus on short and long-term tasks
- provide support services and promote health, wellness and safety for students and families
- establish and promote programs to develop and enhance parenting skills and participation in the schools
- promote child advocacy across the state and nation

V. Human Resources…In pursuit of excellence, the district will:

- develop and expect a consistently high level of, and respect for, professional performance by all staff
- recruit, select, employ and retain teachers in every classroom because of substantive experience in the discipline they teach, rather than in auxiliary functions
- maintain a diverse workforce with respect to qualifications, expertise, and commitment to excellence
- encourage all teachers and staff to pursue advanced professional development and degrees within their specialty area
- promote health and wellness in our workforce

VI. Growth, Change & Fiscal Responsibility…In pursuit of excellence, the district will:

- review and adjust policies and procedures as appropriate to address the challenges of rapid growth and changing demographic characteristics while maintaining and enhancing our strong sense of community
- create and continuously modify strategies to mitigate increasing stresses on our children, our schools, and our community
- be environmentally responsible and aggressively pursue energy efficiency and conservation principles in building design, transportation alternatives, and operating procedures
- work continuously with our community to adjust and enhance district goals as appropriate
- demonstrate effective and efficient management of district resources
- provide leadership and/or oversight to ensure District meets all fiscal, legal and regulatory requirements.

Denton High School Campus Improvement Plan

2011-12 Comprehensive Needs Assessment Summary

In accordance with state and federal legislative requirements, the staff at Denton High School conducted a comprehensive needs assessment for the 2011-12 school year. Data and findings from the comprehensive needs assessment were then used to develop the activities/strategies in the additional sections of the Campus Improvement Plan.

Demographics:

Demographics refer to the characteristics or make-up of the school and help us understand who we are currently working with and how we implement strategies, initiatives, programs and services to meet their needs.

Potential Data Sources:

- Enrollment
- Attendence
- Ethnicity
- Gender
- Mobility/Stability
- Special Program Participation
- At-Risk by Category
- Teacher-Student Ratios
- Graduation, Completion, Droupout and GED rates
- Course/Class Assignments
- College/University/Dual Credit/Advanced Placement Enrollment

Data Sources Reviewed

Demographic data are very important for us to understand as they are part of our educational system over which we have no control, but from which we can observe trends and learn for purposes of prediction and planning. – Victoria Bernhardt

List the actual data sources reviewed below.

- AEIS data from 2009/2010
- AEIS data from 2010/2011
- PSAT Scores from October 2010
- SAT/ACT Scores
- Student Surveys
- Teacher Survey/Spring 2010
- Student Enrollment
- AP Scores
- PLC Data

See page 7 of the guide for probing questions related to demographics.

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Increased TAKS Scores
- SAT/ACT Scores remain strong
- PLC implementation worked with Students
- PLC implementation worked with most teacher groups
- TAKS initiatives were successful
- IB enrollment has increased for the class of 2013.

Needs

- Attendance
- African American Dropout
- African American AP participation
- Hispanic AP participation
- AP test participation
- Science/Math AEIS
- Adequate Yearly Progress

Summary of Needs

- Continued effort by faculty/staff on AEIS.
- Student attendance for academic and budgetary reasons.
- PAP/AP and IB participation.
- Common planning time for core classes (PLC).

Student Achievement

Student Achievement data refers to the annual and longitudinal reviews from varied sources of formal and informal data. These data provide insights about the degree to which students are acquiring the knowledge and skills expected for each grade level and course of study.

Potential Data Sources:

- State Assessment Data
- LEPAS and AMAO Results
- SAT/ACT/PSAT Results
- Advanced Course/Dual Enrollment Data
- Standardized, Norm-Referenced, Criterion-Referenced Tests and Measures
- State and AYP Data Tables
- Texas Success Initiative (TSI) Data
- Course/Class Grades
- Graduation, Completion, Droupout, and GED Rates; Diploma Types
- Promotion/Retention Rates
- Classroom and Program Assessments and Other Data
- Student Work

Data Sources Reviewed

We want to gather and analyze data that will help us understand the system that produces the results we are getting. We also want to move our district continuous improvement efforts from random acts of improvement to focused improvement that centers on our ultimate purpose: improving learning for all students. – Victoria Bernhardt

List the actual data sources reviewed below.

- 2011 AEIS Data
- Failures (repeaters)
- Six Weeks Data
- SAT/ACT Scores
- AP Scores
- Bonus Rounds
- IB/AP enrollment

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- TAKS Scores in ELA, Math, Science, SS
- 11th grade Scores

Needs

- 9th & 10th grade Hispanic math
- 9th & 10th grade African American math
- Economically Disadvantaged 9th & 10th grade math/science
- Special Education scores across the in all categories.

Summary of Needs

- Focus on all subgroups in math for AEIS and AYP.
- Focus on Science in 10th grade subgroups.
- Campus focus on core class repeaters (trailers/Comp Ed)
- Continue to focus on AP and IB enrollment

School Culture and Climate

School culture refers to the organization's values, beliefs, transitions, and customs which shape the personality and climate of the organization. It determines how parents, community, staff and students feel about the school and affects how people interact within the system

Potential Data Sources

- Surveys
- Questionnaires
- Focus Groups
- Interviews
- Feedback Data
- Classroom and School Walkthrough Data
- Parent Conferences, Meetings, etc.

Data Sources Reviewed

Culture is the underground stream of norms, values, beliefs, traditions, and rituals that build up over time as people work together, solve problems, and confront challenges. This set of informal expectations and values shapes how people think, feel, and act in schools. – Author unknown.

Strengths

- PLC's
- Common Planning
- IB Coordinator
- MYP Coordinator
- IB Activities

Needs

- Consistent discipline
- Teacher feedback on discipline

Summary of Needs

- Disciplinary Matrix
- More frequent administrator meetings (greater communication)
- More Frequent ALT meetings (greater communication)

Staff Quality, Recruitment and Retention

Staff Quality, Recruitment and Retention refers to the school organization's level of high-quality, highly-effective staff, particularly in high-poverty schools. This area is also focused on assessing the effect of recruitment and retention strategies on staffing patterns

Potential Data Sources

- Teacher Certification/Qualification Data
- Paraprofessional and Other Staff Qualifications
- Staff Effectiveness in Relation to Student Achievement
- PDAS and/or Other Staff Effectiveness Data
- Staff Mobility/Stability
- Special Programs Qualifications; e.g., Bilingual/ESL/, Special Education, etc.

A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- 100% HQ
- Strong hires in Core Subjects
- Little turnover
- TAKS data progressively increasing in all four core subject areas.
- 24:1 Teacher/Student Ratio

Needs

- 2011/2012 concentrate on decreasing the student/teacher ratio 29:1

Summary of Needs

- Retain campus teaching units.
- Smaller teacher/student ratio in core subjects.

Curriculum, Instruction and Assessment

The curriculum/curricula collectively describes the teaching, learning, and assessment materials and resources available for a given course of study. These are aligned with the TEKS and other standards, incorporating instruction and assessment processes.

Potential Data Sources

- Standards-Based Curriculum Resources and Materials
- Scope and Sequence, Pacing Guides; and/or Other Focus Documents
- Foundation Course/Class Materials
- Enrichment Course/Class Materials
- Technology
- Instructional Design/Delivery; High-Yield Strategies
- Lesson Study/Delivery Processes
- Collaborative Horizontal and Vertical Team Alignment Processes
- Student-Specific/Differentiated Strategies and processes
- Common benchmark Assessments and/or Other Assessments
- Class, School, and Special Program Schedules

Data Sources Reviewed

Denton High School

Wildy Important Goals for 2011-12
WIG 1: DHS will meet/exceed an 83% passing standard among the various subgroups in math to meet the federal guidelines established by NCLB (AYP). Based on the 2011 spring TAKS scores, 10th grade math scores in all subgroups (excluding white) failed to meet the 75% passing standard established by the Federal Government. Entry level math scores (9th grade) at DHS need to show improvement as well. DHS will focus on our at risk population by utilizing State Comp Ed funds for enhancing math skills through academic support classes, High School 101, target 9th grade SSI students in The Bronco Success Academy, utilize Saturday tutorials and focus our preparation on the STAAR test.
WIG 2: DHS will increase the participation and community awareness of the IB Programme (DP & MYP) for the 2011/2012 school year. 2010/2011 was a very successful year for the DHS IB programme. DHS will continue to focus our efforts on increasing enrollment (participation) in the IB Diploma Programme, as well as IB course students (certificates). DHS had seven IB graduates with three students earning the IB diploma. We are expanding the IB curriculum, increasing IB visibility, working to recognize the IB continuum and moving forward with 9th and 10th grade all school participation.
WIG 3: DHS will focus ninth grade teams on STAAR preparation for English 1, Algebra 1, Biology, World Geography. With the implementation of the STAAR (EOC) test, DHS will provide common planning periods for teachers of common courses, send team leaders to various staff development opportunities and disseminate information to all teachers affected.
WIG 4: Denton High School will increase participation on the AP exams and will maintain a high level of achievement in our pre-AP and AP classes.

Mission Statement

Denton Independent School District's Mission Statement

…in pursuit of excellence…

The mission of the Denton Public Schools, in partnership with home and community, is to provide the best educational opportunities in a challenging yet supportive environment where individuals and cultural diversity are respected, so that our students become knowledgeable and responsible citizens, capable of life-long learning and demonstrate the necessary skills to contribute productively in a complex and ever-changing world.

John H. Guyer High School's Mission Statement

Mission Statement

John H. Guyer High School is committed to providing an exceptional academic program for all students that integrates teh intellectual, social, cultural and physical aspects of learning in a positive environment.

Motto

Where the Tradition Begins and Excellence Continues
"Knowledge, Integrity, Courage"

Board Goals

Denton Independent School District's Board Goals

I. Vision … In pursuit of excellence, the district will:

- cultivate a network of professional learning communities addressing the educational needs of every child in our district
- develop and maintain a culture where learning remains our first priority
- remain committed to providing equitable and outstanding opportunities for every student on every campus
- establish goals for individual campuses that incorporate both measurable and intangible factors
- develop a budget focused on student and professional learning
- effectively communicate achievements and recognitions to the Denton ISD community
- prepare our students to be successful in a global society while instilling an appreciation for community service

II. Teaching & Learning… In pursuit of excellence, the district will:

- cultivate a consistent, strong, district-wide balanced curriculum based on ongoing needs assessments that supports all students
- establish high expectations with a curriculum that fosters inquiry and critical thinking
- develop academic skills and interpersonal relationships necessary for student success in college, the workplace and for life.
- expect full curriculum implementation on each campus by instructional leaders
- establish quality staff development programs that promote professional learning communities
- strive to deliver all academic programs through teachers possessing advanced degrees and demonstrable competence in their areas of professional responsibility
- stay abreast of and incorporate best practices into teaching, learning, technology and leadership
- advocate and practice true accountability based on measurement of individual student progress over time, regardless of external mandates
- actively pursue, foster and support an advanced digital learning environment

III. Climate… In pursuit of excellence, the district will:

- celebrate, respect, and promote the value of diversity in our Denton ISD Community.
- encourage and nourish a safe learning and compassionate working environment which ensures open and transparent communication and is supportive, cooperative, and ethical.
- establish a high expectation level for success for all students, staff, parents, and community
- instill in students a love of life-long learning
- motivate and prepare students to embrace their full responsibilities and obligations as active citizens of their community, nation, and world

IV. Parent and Community Involvement…In pursuit of excellence, the district will:

- foster a positive and welcoming environment that encourages parent and community partnerships to achieve success for all our students
- work continuously with the community in planning and facility development
- utilize citizens' advisory committees to focus on short and long-term tasks
- provide support services and promote health, wellness and safety for students and families
- establish and promote programs to develop and enhance parenting skills and participation in the schools
- promote child advocacy across the state and nation

V. Human Resources…In pursuit of excellence, the district will:

- develop and expect a consistently high level of, and respect for, professional performance by all staff
- recruit, select, employ and retain teachers in every classroom because of substantive experience in the discipline they teach, rather than in auxiliary functions
- maintain a diverse workforce with respect to qualifications, expertise, and commitment to excellence
- encourage all teachers and staff to pursue advanced professional development and degrees within their specialty area
- promote health and wellness in our workforce

VI. Growth, Change & Fiscal Responsibility…In pursuit of excellence, the district will:

- review and adjust policies and procedures as appropriate to address the challenges of rapid growth and changing demographic characteristics while maintaining and enhancing our strong sense of community
- create and continuously modify strategies to mitigate increasing stresses on our children, our schools, and our community
- be environmentally responsible and aggressively pursue energy efficiency and conservation principles in building design, transportation alternatives, and operating procedures
- work continuously with our community to adjust and enhance district goals as appropriate
- demonstrate effective and efficient management of district resources
- provide leadership and/or oversight to ensure District meets all fiscal, legal and regulatory requirements.

John H. Guyer High School Campus Improvement Plan

2011-12 Comprehensive Needs Assessment Summary

In accordance with state and federal legislative requirements, the staff at John H. Guyer High School conducted a comprehensive needs assessment for the 2011-12 school year. Data and findings from the comprehensive needs assessment were then used to develop the activities/strategies in the additional sections of the Campus Improvement Plan.

Demographics:

Demographics refer to the characteristics or make-up of the school and help us understand who we are currently working with and how we implement strategies, initiatives, programs and services to meet their needs.

Potential Data Sources:

- Enrollment
- Attendence
- Ethnicity
- Gender
- Mobility/Stability
- Special Program Participation
- At-Risk by Category
- Teacher-Student Ratios
- Graduation, Completion, Droupout and GED rates
- Course/Class Assignments
- College/University/Dual Credit/Advanced Placement Enrollment

Data Sources Reviewed

Demographic data are very important for us to understand as they are part of our educational system over which we have no control, but from which we can observe trends and learn for purposes of prediction and planning. – Victoria Bernhardt

List the actual data sources reviewed below.

- Eschool Plus
- PIEMS
- Special Education Data
- LEP Data
- 504 Data
- TAKS Data
- GT numbers from last three years

See page 7 of the guide for probing questions related to demographics.

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Stable sub population growth
- Overall drop in Special Ed population

Needs

- Growth of special ed population in Hispanic sub group
- Percentage of minority teachers does not match the demographics of students.

Summary of Needs

- Review Hispanic students being identified as Special Education-RTI Process
- Recruit more minority teachers

Student Achievement

Student Achievement data refers to the annual and longitudinal reviews from varied sources of formal and informal data. These data provide insights about the degree to which students are acquiring the knowledge and skills expected for each grade level and course of study.

Potential Data Sources:

- State Assessment Data
- LEPAS and AMAO Results
- SAT/ACT/PSAT Results
- Advanced Course/Dual Enrollment Data
- Standardized, Norm-Referenced, Criterion-Referenced Tests and Measures
- State and AYP Data Tables

Mission Statement

Denton Independent School District's Mission Statement

…in pursuit of excellence…

The mission of the Denton Public Schools, in partnership with home and community, is to provide the best educational opportunities in a challenging yet supportive environment where individuals and cultural diversity are respected, so that our students become knowledgeable and responsible citizens, capable of life-long learning and demonstrate the necessary skills to contribute productively in a complex and ever-changing world.

Billy Ryan High School's Mission Statement

Ryan High School will provide its diverse student population with a knowledge base that will make them productive citizens in the community and will prepare them for life after high school. The entire school, faculty, and staff will work together to produce individuals who are aware, concerned, knowledgeable, and responsible. RHS will foster citizenship, promote literacy, and cultivate personal fulfillment in its student body in a safe and healthy school climate.

Board Goals

Denton Independent School District's Board Goals

I. Vision … In pursuit of excellence, the district will:

- cultivate a network of professional learning communities addressing the educational needs of every child in our district
- develop and maintain a culture where learning remains our first priority
- remain committed to providing equitable and outstanding opportunities for every student on every campus
- establish goals for individual campuses that incorporate both measurable and intangible factors
- develop a budget focused on student and professional learning
- effectively communicate achievements and recognitions to the Denton ISD community
- prepare our students to be successful in a global society while instilling an appreciation for community service

II. Teaching & Learning… In pursuit of excellence, the district will:

- cultivate a consistent, strong, district-wide balanced curriculum based on ongoing needs assessments that supports all students
- establish high expectations with a curriculum that fosters inquiry and critical thinking
- develop academic skills and interpersonal relationships necessary for student success in college, the workplace and for life.
- expect full curriculum implementation on each campus by instructional leaders
- establish quality staff development programs that promote professional learning communities
- strive to deliver all academic programs through teachers possessing advanced degrees and demonstrable competence in their areas of professional responsibility
- stay abreast of and incorporate best practices into teaching, learning, technology and leadership
- advocate and practice true accountability based on measurement of individual student progress over time, regardless of external mandates
- actively pursue, foster and support an advanced digital learning environment

III. Climate… In pursuit of excellence, the district will:

- celebrate, respect, and promote the value of diversity in our Denton ISD Community.
- encourage and nourish a safe learning and compassionate working environment which ensures open and transparent communication and is supportive, cooperative, and ethical.
- establish a high expectation level for success for all students, staff, parents, and community
- instill in students a love of life-long learning
- motivate and prepare students to embrace their full responsibilities and obligations as active citizens of their community, nation, and world

IV. Parent and Community Involvement…In pursuit of excellence, the district will:

- foster a positive and welcoming environment that encourages parent and community partnerships to achieve success for all our students
- work continuously with the community in planning and facility development
- utilize citizens' advisory committees to focus on short and long-term tasks
- provide support services and promote health, wellness and safety for students and families
- establish and promote programs to develop and enhance parenting skills and participation in the schools
- promote child advocacy across the state and nation

V. Human Resources…In pursuit of excellence, the district will:

- develop and expect a consistently high level of, and respect for, professional performance by all staff
- recruit, select, employ and retain teachers in every classroom because of substantive experience in the discipline they teach, rather than in auxiliary functions
- maintain a diverse workforce with respect to qualifications, expertise, and commitment to excellence
- encourage all teachers and staff to pursue advanced professional development and degrees within their specialty area
- promote health and wellness in our workforce

VI. Growth, Change & Fiscal Responsibility…In pursuit of excellence, the district will:

- review and adjust policies and procedures as appropriate to address the challenges of rapid growth and changing demographic characteristics while maintaining and enhancing our strong sense of community
- create and continuously modify strategies to mitigate increasing stresses on our children, our schools, and our community
- be environmentally responsible and aggressively pursue energy efficiency and conservation principles in building design, transportation alternatives, and operating procedures
- work continuously with our community to adjust and enhance district goals as appropriate
- demonstrate effective and efficient management of district resources
- provide leadership and/or oversight to ensure District meets all fiscal, legal and regulatory requirements.

Billy Ryan High School Campus Improvement Plan

2011-12 Comprehensive Needs Assessment Summary

In accordance with state and federal legislative requirements, the staff at Billy Ryan High School conducted a comprehensive needs assessment for the 2011-12 school year. Data and findings from the comprehensive needs assessment were then used to develop the activities/strategies in the additional sections of the Campus Improvement Plan.

Demographics:

Demographics refer to the characteristics or make-up of the school and help us understand who we are currently working with and how we implement strategies, initiatives, programs and services to meet their needs.

Potential Data Sources:

- Enrollment
- Attendence
- Ethnicity
- Gender
- Mobility/Stability
- Special Program Participation
- At-Risk by Category
- Teacher-Student Ratios
- Graduation, Completion, Droupout and GED rates
- Course/Class Assignments
- College/University/Dual Credit/Advanced Placement Enrollment

Data Sources Reviewed

Demographic data are very important for us to understand as they are part of our educational system over which we have no control, but from which we can observe trends and learn for purposes of prediction and planning. – Victoria Bernhardt

List the actual data sources reviewed below.

See page 7 of the guide for probing questions related to demographics.

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths **Needs**

Summary of Needs

- How are we adjusting to the increase in our Hispanic population?
- How are we adjusting to the increase in low social economic numbers?
- Howe are we adjusting to the increase in student population?

Student Achievement

Student Achievement data refers to the annual and longitudinal reviews from varied sources of formal and informal data. These data provide insights about the degree to which students are acquiring the knowledge and skills expected for each grade level and course of study.

Potential Data Sources:

- State Assessment Data
- LEPAS and AMAO Results
- SAT/ACT/PSAT Results
- Advanced Course/Dual Enrollment Data
- Standardized, Norm-Referenced, Criterion-Referenced Tests and Measures
- State and AYP Data Tables
- Texas Success Initiative (TSI) Data
- Course/Class Grades
- Graduation, Completion, Droupout, and GED Rates; Diploma Types
- Promotion/Retention Rates
- Classroom and Program Assessments and Other Data
- Student Work

Data Sources Reviewed

We want to gather and analyze data that will help us understand the system that produces the results we are getting. We also want to move our district continuous improvement efforts from random acts of improvement to focused improvement that centers on our ultimate purpose: improving learning for all students. – Victoria Bernhardt

List the actual data sources reviewed below.

See page 8 of the guide for probing questions related to Student Achievement

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths **Needs**

Summary of Needs

- How are we going to continue to assess or students achievement with fewer resources? Larger Class size will be an issue.
- How are changes in accountablity standards going to change how we view student achievement?

School Culture and Climate

School culture refers to the organization's values, beliefs, transitions, and customs which shape the personality and climate of the organization. It determines how parents, community, staff and students feel about the school and affects how people interact within the system

Potential Data Sources

- Surveys
- Questionnaires
- Focus Groups
- Interviews
- Feedback Data
- Classroom and School Walkthrough Data
- Parent Conferences, Meetings, etc.

Data Sources Reviewed

Culture is the underground stream of norms, values, beliefs, traditions, and rituals that build up over time as people work together, solve problems, and confront challenges. This set of informal expectations and values shapes how people think, feel, and act in schools. – Author unknown.

Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths **Needs**

Summary of Needs

- How are we going to adjust to the change in Culture and Climate after we have sustained deep cuts to several programs.
- Howe are we going to adjust to the loss of colleagues and maintain a good climate among staff members?

Staff Quality, Recruitment and Retention

Staff Quality, Recruitment and Retention refers to the school organization's level of high-quality, highly-effective staff, particularly in high-poverty schools. This area is also focused on assessing the effect of recruitment and retention strategies on staffing patterns

Potential Data Sources

- Teacher Certification/Qualification Data
- Paraprofessional and Other Staff Qualifications
- Staff Effectiveness in Relation to Student Achievement
- PDAS and/or Other Staff Effectiveness Data
- Staff Mobility/Stability
- Special Programs Qualifications; e.g., Bilingual/ESL/, Special Education, etc.
- Professional Development Data

Mission Statement

Denton Independent School District's Mission Statement

…in pursuit of excellence…

The mission of the Denton Public Schools, in partnership with home and community, is to provide the best educational opportunities in a challenging yet supportive environment where individuals and cultural diversity are respected, so that our students become knowledgeable and responsible citizens, capable of life-long learning and demonstrate the necessary skills to contribute productively in a complex and ever-changing world.

Fred Moore High School's Mission Statement

Board Goals

Denton Independent School District's Board Goals

I. Vision … In pursuit of excellence, the district will:

- cultivate a network of professional learning communities addressing the educational needs of every child in our district
- develop and maintain a culture where learning remains our first priority
- remain committed to providing equitable and outstanding opportunities for every student on every campus
- establish goals for individual campuses that incorporate both measurable and intangible factors
- develop a budget focused on student and professional learning
- effectively communicate achievements and recognitions to the Denton ISD community
- prepare our students to be successful in a global society while instilling an appreciation for community service

II. Teaching & Learning… In pursuit of excellence, the district will:

- cultivate a consistent, strong, district-wide balanced curriculum based on ongoing needs assessments that supports all students
- establish high expectations with a curriculum that fosters inquiry and critical thinking
- develop academic skills and interpersonal relationships necessary for student success in college, the workplace and for life.
- expect full curriculum implementation on each campus by instructional leaders
- establish quality staff development programs that promote professional learning communities
- strive to deliver all academic programs through teachers possessing advanced degrees and demonstrable competence in their areas of professional responsibility
- stay abreast of and incorporate best practices into teaching, learning, technology and leadership
- advocate and practice true accountability based on measurement of individual student progress over time, regardless of external mandates
- actively pursue, foster and support an advanced digital learning environment

III. Climate… In pursuit of excellence, the district will:

- celebrate, respect, and promote the value of diversity in our Denton ISD Community.
- encourage and nourish a safe learning and compassionate working environment which ensures open and transparent communication and is supportive, cooperative, and ethical.
- establish a high expectation level for success for all students, staff, parents, and community
- instill in students a love of life-long learning
- motivate and prepare students to embrace their full responsibilities and obligations as active citizens of their community, nation, and world

IV. Parent and Community Involvement…In pursuit of excellence, the district will:

- foster a positive and welcoming environment that encourages parent and community partnerships to achieve success for all our students
- work continuously with the community in planning and facility development
- utilize citizens' advisory committees to focus on short and long-term tasks
- provide support services and promote health, wellness and safety for students and families
- establish and promote programs to develop and enhance parenting skills and participation in the schools
- promote child advocacy across the state and nation

V. Human Resources…In pursuit of excellence, the district will:

- develop and expect a consistently high level of, and respect for, professional performance by all staff
- recruit, select, employ and retain teachers in every classroom because of substantive experience in the discipline they teach, rather than in auxiliary functions
- maintain a diverse workforce with respect to qualifications, expertise, and commitment to excellence
- encourage all teachers and staff to pursue advanced professional development and degrees within their specialty area
- promote health and wellness in our workforce

VI. Growth, Change & Fiscal Responsibility…In pursuit of excellence, the district will:

- review and adjust policies and procedures as appropriate to address the challenges of rapid growth and changing demographic characteristics while maintaining and enhancing our strong sense of community
- create and continuously modify strategies to mitigate increasing stresses on our children, our schools, and our community
- be environmentally responsible and aggressively pursue energy efficiency and conservation principles in building design, transportation alternatives, and operating procedures
- work continuously with our community to adjust and enhance district goals as appropriate
- demonstrate effective and efficient management of district resources
- provide leadership and/or oversight to ensure District meets all fiscal, legal and regulatory requirements.

Fred Moore High School Campus Improvement Plan

2011-12 Comprehensive Needs Assessment Summary

In accordance with state and federal legislative requirements, the staff at Fred Moore High School conducted a comprehensive needs assessment for the 2011-12 school year. Data and findings from the comprehensive needs assessment were then used to develop the activities/strategies in the additional sections of the Campus Improvement Plan.

Demographics:

Demographics refer to the characteristics or make-up of the school and help us understand who we are currently working with and how we implement strategies, initiatives, programs and services to meet their needs.

Potential Data Sources:

- Enrollment
- Attendence
- Ethnicity
- Gender
- Mobility/Stability
- Special Program Participation
- At-Risk by Category
- Teacher-Student Ratios
- Graduation, Completion, Droupout and GED rates
- Course/Class Assignments
- College/University/Dual Credit/Advanced Placement Enrollment

Data Sources Reviewed

Demographic data are very important for us to understand as they are part of our educational system over which we have no control, but from which we can observe trends and learn for purposes of prediction and planning. – Victoria Bernhardt

List the actual data sources reviewed below.

See page 7 of the guide for probing questions related to demographics.

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Teacher student ratio is low

Needs

- We are not serving enough students
- Decreasing student population
- We have a negative image
- Takes too long to earn credits which impact low number of credits earned
- Decrease in African-American students and an increase in Hispanic students
- Increade in economically disadvantage students
- Poor attendance

Summary of Needs

- We need to explore "why" we are not getting the numbers
- We need to develop another avenue to lure students to Fred Moore
- How can we change our image to a positive
- What fast track programs (computer-based or classroom based) can we use
- We need to increase attendance percentage which will help increase student performance

Student Achievement

Student Achievement data refers to the annual and longitudinal reviews from varied sources of formal and informal data. These data provide insights about the degree to which students are acquiring the knowledge and skills expected for each grade level and course of study.

Potential Data Sources:

- State Assessment Data
- LEPAS and AMAO Results
- SAT/ACT/PSAT Results
- Advanced Course/Dual Enrollment Data
- Standardized, Norm-Referenced, Criterion-Referenced Tests and Measures
- State and AYP Data Tables
- Texas Success Initiative (TSI) Data
- Course/Class Grades
- Graduation, Completion, Droupout, and GED Rates; Diploma Types
- Promotion/Retention Rates
- Classroom and Program Assessments and Other Data
- Student Work

Data Sources Reviewed

We want to gather and analyze data that will help us understand the system that produces the results we are getting. We also want to move our district continuous improvement efforts from random acts of improvement to focused improvement that centers on our ultimate purpose: improving learning for all students. – Victoria Bernhardt

List the actual data sources reviewed below.

See page 8 of the guide for probing questions related to Student Achievement

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- TAKS performance
- Credits earned is consistent with prior years per average
- Students working diligently at home do well at school

Needs

- More credits
- TAKS/EOC prep

Summary of Needs

- We need increase the per student credits earned per year
- Increase the percentage passing the TAKS test
- Start gathering data in preparation for EOC testing

School Culture and Climate

School culture refers to the organization's values, beliefs, transitions, and customs which shape the personality and climate of the organization. It determines how parents, community, staff and students feel about the school and affects how people interact within the system

Potential Data Sources

- Surveys
- Questionnaires
- Focus Groups
- Interviews
- Feedback Data
- Classroom and School Walkthrough Data
- Parent Conferences, Meetings, etc.

Data Sources Reviewed

Culture is the underground stream of norms, values, beliefs, traditions, and rituals that build up over time as people work together, solve problems, and confront challenges. This set of informal expectations and values shapes how people think, feel, and act in schools. – Author unknown.

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Students feel comfortable and accepted
- Small number of major discipline issues

Needs

- Lack of staff meetings
- Lack of some teachers commitment to the alternative school philosophy
- Lack of group advisories
- Personal feeling interfere with the mission of the school
- Discipline issues in classroom

Summary of Needs

- Leadership need to establish more meetings
- Teachers need to adapt their classes to meet the needs of alternative students
- Leadership needs to have more group advisories
- Staff needs to atend a team building staff development
- Get parents involved at the onset of discipline concerns (not working; poor attendance;lack of credits; talking excessively)

Staff Quality, Recruitment and Retention

Staff Quality, Recruitment and Retention refers to the school organization's level of high-quality, highly-effective staff, particularly in high-poverty schools. This area is also focused on assessing the effect of recruitment and retention strategies on staffing patterns

Potential Data Sources

- Teacher Certification/Qualification Data
- Paraprofessional and Other Staff Qualifications
- Staff Effectiveness in Relation to Student Achievement
- PDAS and/or Other Staff Effectiveness Data
- Staff Mobility/Stability
- Special Programs Qualifications; e.g., Bilingual/ESL/, Special Education, etc.
- Professional Development Data
- Teacher-Student Ratios
- Graduation, Completion, Dropout, and GED rates
- Course/Class Completions, Grades, and Other Data
- Recruitment and Retention Strategies and Other Data

Data Sources Reviewed

An empowered organization is one in which individuals have the knowledge, skill, desire, and opportunity to personally success in a way that leads to collective organizational success. –Stephen Covey

A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- All teachers are "Highly Qualified" by NCLB standards
- District provided staff development

Needs

- At-risk staff development
- Lack of data driven staff development

Summary of Needs

- We will utilize the Rti training in distrct and Region XI
- There is a very strong need to visit other alternative campuses to see how they have adapted their curriculum to meet alternative student's needs

Curriculum, Instruction and Assessment

The curriculum/curricula collectively describes the teaching, learning, and assessment materials and resources available for a given course of study. These are aligned with the TEKS and other standards, incorporating instruction and assessment processes.

Potential Data Sources

- Standards-Based Curriculum Resources and Materials
- Scope and Sequence, Pacing Guides; and/or Other Focus Documents
- Foundation Course/Class Materials
- Enrichment Course/Class Materials
- Technology
- Instructional Design/Delivery; High-Yield Strategies
- Lesson Study/Delivery Processes
- Collaborative Horizontal and Vertical Team Alignment Processes
- Student-Specific/Differentiated Strategies and processes
- Common benchmark Assessments and/or Other Assessments
- Class, School, and Special Program Schedules

Data Sources Reviewed

There are three kinds of curricula; they must be considered together and improved together: written curriculum, taught curriculum, and tested curriculum. – Fenwick English

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- We use a "green folder" to keep students updated on credits earned and needed
- Instuctional design and delivery

Needs

- Lesson plans
- Presentation and discussion
- Less reliance on worksheets and bookwork

Summary of Needs

- Have teachers to submit lesson plans regularly to reflect TEKS, TAKS, etc.
- Have teachers to incorporate (non packet material) advanced critical thinking materials for classroom presentation
- Next year PDAS works against the "total packet" format and more toward rigor - higher order thinking
- Leadership will need to take a more active role in classroom curriculum - in the past I have had a total hands off approach

Family and Community Involvement

Family and Community Involvement refers to how these stakeholders and informed, invested and involved as partners in supporting the school community to maintain high expectations and high achievements for all students

Potential Data Sources:

- Family and Community Participation Counts by Type of Activity
- Parent Volunteer Information
- Parent Activity Evaluations and Feedback
- Parent and Community Partnership Data
- Mobility/Stability
- Demographic Data
- Community Service Agencies and Support Services

Strengths

- Excellent adoptors support
- Positive teen parenting program

Needs

- Very little parental involvement
- low school parental contact

Summary of Needs

- Create a more inviting atmosphere or more meaningful activities
- Have teachers to contact parents concerning students academic performance - good or bad

School Context and Organization

School Context and Organization refers to the processes, structures, decision-making, and overall leadership aspects of the organization, including how these areas address quality teaching and learning.

Potential Data Sources:

- School Structure or Make-Up, e.g., Teaming, Looping, etc
- Decision Making Processes
- Master Schedule
- Leadership: Formal and Informal
- Supervision Structure
- Support Structures: Mentor Teachers
- Duty Rosters

A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Excellent distrct support
- Strong District support at our graduations
- Staff has freedom to design their own curriculum
- We have very few policies specific for our campus - mostly district-based
- Teachers decide what assessments are used to evaluate individual students

Needs

- Some teachers choose not to participate in decision making

Summary of Needs

- Teachers can bring very valuable ideas in implementing school policies and decision making

Technology

Technology refers to modeling and applying digital tools and resources for students, staff, and other stakeholders to advance teaching and learning, and connect to real-world experiences, including post-secondary opportunities.

Potential Data Sources

- Technology Infrastructure, Networks, etc.
- Technology Hardware and Software
- Classroom Technology Needs by Area, Class, Department, etc.
- STaR Chart
- Professional Development/Teacher Preparation Needs in Technology
- Leadership and Administrative Support Structures for Technology Implementation
- Resource Allocations
- Technology Policies and Procedures
- Technology Plan
- Assessment of Technology Skills for Students, Staff and Other Stakeholders

Strengths

- Computers in every classsroom
- Some staff intergrate technology into their lessons and class
- Odysseyware is an online support for our students who have failed a course(s)

Needs

- Some staff member do not use technology in lessons

Summary of Needs

- We will have to incorporate a strong use of technology in the classroom next year to satisfy part of PDAS
- Teachers will need to visit other alternative schools or staff developments that demonstrate the use of technology throughout the lessons

Campus Improvement Plans
2011-12

Fred Moore High School

Wildy Important Goals for 2011-12
WIG 1: We will provide a campus that will continue to serve all at-risk populations through increased enrollment. To increase the population and maintain a challenging number of students on campus throughout the year.
WIG 2: Create a supportive, safe environment committed to providing a quality education for all students in our Accellerated Education Program. Provide at-risk students the opportunity to graduate (fill in the gaps to meet the needs of previously unsuccessful students).
WIG 3: Provide a Ninth Grade Intervention Program on our campus for students at-risk of dropping out at DHS, GHS, and RHS. Students will progress to the next grade level if not higher.

Mission Statement

Denton Independent School District's Mission Statement

…in pursuit of excellence…

The mission of the Denton Public Schools, in partnership with home and community, is to provide the best educational opportunities in a challenging yet supportive environment where individuals and cultural diversity are respected, so that our students become knowledgeable and responsible citizens, capable of life-long learning and demonstrate the necessary skills to contribute productively in a complex and ever-changing world.

Davis School DAEP's Mission Statement

To provide a structured social and academic climate in which stuidents choose how they will respond to our world.

Board Goals

Denton Independent School District's Board Goals

I. Vision … In pursuit of excellence, the district will:

- cultivate a network of professional learning communities addressing the educational needs of every child in our district
- develop and maintain a culture where learning remains our first priority
- remain committed to providing equitable and outstanding opportunities for every student on every campus
- establish goals for individual campuses that incorporate both measurable and intangible factors
- develop a budget focused on student and professional learning
- effectively communicate achievements and recognitions to the Denton ISD community
- prepare our students to be successful in a global society while instilling an appreciation for community service

II. Teaching & Learning… In pursuit of excellence, the district will:

- cultivate a consistent, strong, district-wide balanced curriculum based on ongoing needs assessments that supports all students
- establish high expectations with a curriculum that fosters inquiry and critical thinking
- develop academic skills and interpersonal relationships necessary for student success in college, the workplace and for life.
- expect full curriculum implementation on each campus by instructional leaders
- establish quality staff development programs that promote professional learning communities
- strive to deliver all academic programs through teachers possessing advanced degrees and demonstrable competence in their areas of professional responsibility
- stay abreast of and incorporate best practices into teaching, learning, technology and leadership
- advocate and practice true accountability based on measurement of individual student progress over time, regardless of external mandates
- actively pursue, foster and support an advanced digital learning environment

III. Climate… In pursuit of excellence, the district will:

- celebrate, respect, and promote the value of diversity in our Denton ISD Community.
- encourage and nourish a safe learning and compassionate working environment which ensures open and transparent communication and is supportive, cooperative, and ethical.
- establish a high expectation level for success for all students, staff, parents, and community
- instill in students a love of life-long learning
- motivate and prepare students to embrace their full responsibilities and obligations as active citizens of their community, nation, and world

IV. Parent and Community Involvement…In pursuit of excellence, the district will:

- foster a positive and welcoming environment that encourages parent and community partnerships to achieve success for all our students
- work continuously with the community in planning and facility development
- utilize citizens' advisory committees to focus on short and long-term tasks
- provide support services and promote health, wellness and safety for students and families
- establish and promote programs to develop and enhance parenting skills and participation in the schools
- promote child advocacy across the state and nation

V. Human Resources…In pursuit of excellence, the district will:

- develop and expect a consistently high level of, and respect for, professional performance by all staff
- recruit, select, employ and retain teachers in every classroom because of substantive experience in the discipline they teach, rather than in auxiliary functions
- maintain a diverse workforce with respect to qualifications, expertise, and commitment to excellence
- encourage all teachers and staff to pursue advanced professional development and degrees within their specialty area
- promote health and wellness in our workforce

VI. Growth, Change & Fiscal Responsibility…In pursuit of excellence, the district will:

- review and adjust policies and procedures as appropriate to address the challenges of rapid growth and changing demographic characteristics while maintaining and enhancing our strong sense of community
- create and continuously modify strategies to mitigate increasing stresses on our children, our schools, and our community
- be environmentally responsible and aggressively pursue energy efficiency and conservation principles in building design, transportation alternatives, and operating procedures
- work continuously with our community to adjust and enhance district goals as appropriate
- demonstrate effective and efficient management of district resources
- provide leadership and/or oversight to ensure District meets all fiscal, legal and regulatory requirements.

Davis School DAEP Campus Improvement Plan

2011-12 Comprehensive Needs Assessment Summary

In accordance with state and federal legislative requirements, the staff at Davis School DAEP conducted a comprehensive needs assessment for the 2011-12 school year. Data and findings from the comprehensive needs assessment were then used to develop the activities/strategies in the additional sections of the Campus Improvement Plan.

Demographics:

Demographics refer to the characteristics or make-up of the school and help us understand who we are currently working with and how we implement strategies, initiatives, programs and services to meet their needs.

Potential Data Sources:

- Enrollment
- Attendence
- Ethnicity
- Gender
- Mobility/Stability
- Special Program Participation
- At-Risk by Category
- Teacher-Student Ratios
- Graduation, Completion, Droupout and GED rates
- Course/Class Assignments
- College/University/Dual Credit/Advanced Placement Enrollment

Data Sources Reviewed

Demographic data are very important for us to understand as they are part of our educational system over which we have no control, but from which we can observe trends and learn for purposes of prediction and planning. – Victoria Bernhardt

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Enrollment has dropped
- Attendance peaked at 80%
- No acts of violence at DAEP!
- Many students recovered lost credit.

Needs

Summary of Needs

- 1.68 of the DISD population went to DAEP
- 75% were econ dis
- 40% Hispanic
- 33% female
- 50% 8 & 9th grade

Student Achievement

Student Achievement data refers to the annual and longitudinal reviews from varied sources of formal and informal data. These data provide insights about the degree to which students are acquiring the knowledge and skills expected for each grade level and course of study.

Potential Data Sources:

- State Assessment Data
- LEPAS and AMAO Results
- SAT/ACT/PSAT Results
- Advanced Course/Dual Enrollment Data
- Standardized, Norm-Referenced, Criterion-Referenced Tests and Measures
- State and AYP Data Tables
- Texas Success Initiative (TSI) Data
- Course/Class Grades
- Graduation, Completion, Droupout, and GED Rates; Diploma Types
- Promotion/Retention Rates
- Classroom and Program Assessments and Other Data
- Student Work

Data Sources Reviewed

We want to gather and analyze data that will help us understand the system that produces the results we are getting. We also want to move our district continuous improvement efforts from random acts of improvement to focused improvement that centers on our ultimate purpose: improving learning for all students. – Victoria Bernhardt

List the actual data sources reviewed below.

School Culture and Climate

School culture refers to the organization's values, beliefs, transitions, and customs which shape the personality and climate of the organization. It determines how parents, community, staff and students feel about the school and affects how people interact within the system

Potential Data Sources

- Surveys
- Questionnaires
- Focus Groups
- Interviews
- Feedback Data
- Classroom and School Walkthrough Data
- Parent Conferences, Meetings, etc.

Data Sources Reviewed

Culture is the underground stream of norms, values, beliefs, traditions, and rituals that build up over time as people work together, solve problems, and confront challenges. This set of informal expectations and values shapes how people think, feel, and act in schools. – Author unknown.

Sparks Campus

Denton Independent School District

Mission Statement

Denton Independent School District's Mission Statement

…in pursuit of excellence…

The mission of the Denton Public Schools, in partnership with home and community, is to provide the best educational opportunities in a challenging yet supportive environment where individuals and cultural diversity are respected, so that our students become knowledgeable and responsible citizens, capable of life-long learning and demonstrate the necessary skills to contribute productively in a complex and ever-changing world.

Sparks Campus's Mission Statement

The Sparks faculty and staff are committed to keeping detained students current with home ISD schedule, providing all students from many districts a state-recognized curriculum, and ensuring that all courses count towards graduation.

Board Goals

Denton Independent School District's Board Goals

I. Vision … In pursuit of excellence, the district will:

- cultivate a network of professional learning communities addressing the educational needs of every child in our district
- develop and maintain a culture where learning remains our first priority
- remain committed to providing equitable and outstanding opportunities for every student on every campus
- establish goals for individual campuses that incorporate both measurable and intangible factors
- develop a budget focused on student and professional learning
- effectively communicate achievements and recognitions to the Denton ISD community
- prepare our students to be successful in a global society while instilling an appreciation for community service

II. Teaching & Learning… In pursuit of excellence, the district will:

- cultivate a consistent, strong, district-wide balanced curriculum based on ongoing needs assessments that supports all students
- establish high expectations with a curriculum that fosters inquiry and critical thinking
- develop academic skills and interpersonal relationships necessary for student success in college, the workplace and for life.
- expect full curriculum implementation on each campus by instructional leaders
- establish quality staff development programs that promote professional learning communities
- strive to deliver all academic programs through teachers possessing advanced degrees and demonstrable competence in their areas of professional responsibility
- stay abreast of and incorporate best practices into teaching, learning, technology and leadership
- advocate and practice true accountability based on measurement of individual student progress over time, regardless of external mandates
- actively pursue, foster and support an advanced digital learning environment

III. Climate… In pursuit of excellence, the district will:

- celebrate, respect, and promote the value of diversity in our Denton ISD Community.
- encourage and nourish a safe learning and compassionate working environment which ensures open and transparent communication and is supportive, cooperative, and ethical.
- establish a high expectation level for success for all students, staff, parents, and community
- instill in students a love of life-long learning
- motivate and prepare students to embrace their full responsibilities and obligations as active citizens of their community, nation, and world

IV. Parent and Community Involvement…In pursuit of excellence, the district will:

- foster a positive and welcoming environment that encourages parent and community partnerships to achieve success for all our students
- work continuously with the community in planning and facility development
- utilize citizens' advisory committees to focus on short and long-term tasks
- provide support services and promote health, wellness and safety for students and families
- establish and promote programs to develop and enhance parenting skills and participation in the schools
- promote child advocacy across the state and nation

V. Human Resources…In pursuit of excellence, the district will:

- develop and expect a consistently high level of, and respect for, professional performance by all staff
- recruit, select, employ and retain teachers in every classroom because of substantive experience in the discipline they teach, rather than in auxiliary functions
- maintain a diverse workforce with respect to qualifications, expertise, and commitment to excellence
- encourage all teachers and staff to pursue advanced professional development and degrees within their specialty area
- promote health and wellness in our workforce

VI. Growth, Change & Fiscal Responsibility…In pursuit of excellence, the district will:

- review and adjust policies and procedures as appropriate to address the challenges of rapid growth and changing demographic characteristics while maintaining and enhancing our strong sense of community
- create and continuously modify strategies to mitigate increasing stresses on our children, our schools, and our community
- be environmentally responsible and aggressively pursue energy efficiency and conservation principles in building design, transportation alternatives, and operating procedures
- work continuously with our community to adjust and enhance district goals as appropriate
- demonstrate effective and efficient management of district resources
- provide leadership and/or oversight to ensure District meets all fiscal, legal and regulatory requirements.

Sparks Campus Campus Improvement Plan

2011-12 Comprehensive Needs Assessment Summary

In accordance with state and federal legislative requirements, the staff at Sparks Campus conducted a comprehensive needs assessment for the 2011-12 school year. Data and findings from the comprehensive needs assessment were then used to develop the activities/strategies in the additional sections of the Campus Improvement Plan.

Demographics:

Demographics refer to the characteristics or make-up of the school and help us understand who we are currently working with and how we implement strategies, initiatives, programs and services to meet their needs.

Potential Data Sources:

- Enrollment
- Attendence
- Ethnicity
- Gender
- Mobility/Stability
- Special Program Participation
- At-Risk by Category
- Teacher-Student Ratios
- Graduation, Completion, Droupout and GED rates
- Course/Class Assignments
- College/University/Dual Credit/Advanced Placement Enrollment

Data Sources Reviewed

Demographic data are very important for us to understand as they are part of our educational system over which we have no control, but from which we can observe trends and learn for purposes of prediction and planning. – Victoria Bernhardt

List the actual data sources reviewed below.

- Peims Report
- Court detention reports
- eSchools (Peims)

See page 7 of the guide for probing questions related to demographics.

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Multi-Certified Teachers
- The Offered Class Courses
- Students are offered credit by exam and credit recovery

Needs

- Bilingual Aides
- Bilingual Materials
- Additional Class Time
- At-Risk Intervention-we need for Facility to respond faster as we implment their discipline plan.
- Our students are not allowed to speak Spanish to one another, but could to a teacher. At this time we only have ESL certification.
- Start the school day later. We currently begin at 7:45 due to Facility conflict with their schedule.

Summary of Needs

- With additional bilingual help, we would be able to better serve our non-English speaking students. With more at-risk intervention and additional class time we would be able to offer more acredited classes, to keep these students on track to graduate.

Student Achievement

Student Achievement data refers to the annual and longitudinal reviews from varied sources of formal and informal data. These data provide insights about the degree to which students are acquiring the knowledge and skills expected for each grade level and course of study.

Potential Data Sources:

- State Assessment Data
- LEPAS and AMAO Results
- SAT/ACT/PSAT Results
- Advanced Course/Dual Enrollment Data
- Standardized, Norm-Referenced, Criterion-Referenced Tests and Measures
- State and AYP Data Tables
- Texas Success Initiative (TSI) Data
- Course/Class Grades
- Graduation, Completion, Droupout, and GED Rates; Diploma Types
- Promotion/Retention Rates
- Classroom and Program Assessments and Other Data
- Student Work

Data Sources Reviewed

We want to gather and analyze data that will help us understand the system that produces the results we are getting. We also want to move our district continuous improvement efforts from random acts of improvement to focused improvement that centers on our ultimate purpose: improving learning for all students. – Victoria Bernhardt

List the actual data sources reviewed below.

- State Assessment Data
- Norm-referenced test: WRAT4
- Credit Completion

See page 8 of the guide for probing questions related to Student Achievement

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Social Studies State Assessment Scores
- Regular Education Math
- Female Education Math
- Hispanic Math
- Students earn credit while here
- Students achieve more while at Sparks
- Gold Award in Social Studies
- Gold Award in Math Achievement

Needs

- Math State Assessment Scores from former tests.
- Departmentalize special Education Math
- Improving 8th Grade Math skills.
- Enriching 10th Grade Reading
- Students come in lacking credits
- Utilize credit by exam for more of our students.
- Difficult to interest student who are over age for level and have been out of school for a very long time.
- Credit recoupment for our long term students using collaboration with home ISD.
- Students come to Sparks with an erratic arrangement of credits. (may be a Sophomore-but have few core credits)

Summary of Needs

- Develop a way to challenge students who score above grade level so that their grades better align with functional assessments.
- Curriculum or classes to address the needs of special education students who score below grade level as well as to challenge students who score above grade level.
- Develop a way to help students who are lacking credits to earn those credits.

School Culture and Climate

School culture refers to the organization's values, beliefs, transitions, and customs which shape the personality and climate of the organization. It determines how parents, community, staff and students feel about the school and affects how people interact within the system

Potential Data Sources

- Surveys
- Questionnaires
- Focus Groups
- Interviews
- Feedback Data
- Classroom and School Walkthrough Data
- Parent Conferences, Meetings, etc.

Data Sources Reviewed

Culture is the underground stream of norms, values, beliefs, traditions, and rituals that build up over time as people work together, solve problems, and confront challenges. This set of informal expectations and values shapes how people think, feel, and act in schools. – Author unknown.

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Safe Location
- Many Resources
- More Control of Students than regular campus
- Higher Staff to student ratio
- Low staff turnover
- Booke Lana's teacher evaluation.
-
-

Needs

- We desperately need more physical space.
- Janitor/Cleaner Facility-Facility does not clean our areas.
- More Class Time-this would give us time for tutoring possibilities
- Classes divided by levels/subjects
- Negotiate with Facility for a bigger array of positive reinforcers allowed.
- Bilingual Aide
- Tutor/Homework has been requested by students.
- Outdoor time for students to work in outdoor learning opportunities.

Summary of Needs

- There are 3 basic areas that we can combine our needs. 1) Space/Cleanliness 2) Time 3) Attitude.
- 1) The building and classrooms need to be cleaned up and cleaned out to help create more space. A janitor is needed to help keep the classrooms clean. We need to remove unused materials from the building.
- The students need to be taught to take care of their materials and area.
- 2) The students are asking for more tutors and homework. Some teachers and students have requested that the classses be divided by grade levels and subjects. Both of these will require us to be more creative with our time.
- 3) The students are asking for positive reinforcers and outside activities. We need to focus on using the TEKS and being open to new ways fo teaching and interacting with the students.
- Both students and staff would like fewer distractions in the classroom by county staff, whether radio communication or talking to one another.

Staff Quality, Recruitment and Retention

Staff Quality, Recruitment and Retention refers to the school organization's level of high-quality, highly-effective staff, particularly in high-poverty schools. This area is also focused on assessing the effect of recruitment and retention strategies on staffing patterns

Potential Data Sources

- Teacher Certification/Qualification Data
- Paraprofessional and Other Staff Qualifications
- Staff Effectiveness in Relation to Student Achievement
- PDAS and/or Other Staff Effectiveness Data
- Staff Mobility/Stability
- Special Programs Qualifications; e.g., Bilingual/ESL/, Special Education, etc.

A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Multi-level Certifications
- close-knit group
- Very little turnover with staff and faculty.

Needs

- Clearly defined job descriptions for support staff
- Stay current with best practice researched based instruction that is applicable for our students.
- Need to fill open Math position
- Continue to maintain and update certifications with ESBEC through continuing eduction opportunities
- We need to continue our search for a bi-lingual staff who is willing to work in the jail situation.
- Need to eqalize opportunities for all faculty and staff so that all can attend at least one off site staff development.

Summary of Needs

- Clearly defined job descriptions for support staff
- Need for teachers to callaborate with outside colleagues at conferences
- Need to fill open Math position

Curriculum, Instruction and Assessment

The curriculum/curricula collectively describes the teaching, learning, and assessment materials and resources available for a given course of study. These are aligned with the TEKS and other standards, incorporating instruction and assessment processes.

Potential Data Sources

- Standards-Based Curriculum Resources and Materials
- Scope and Sequence, Pacing Guides; and/or Other Focus Documents
- Foundation Course/Class Materials
- Enrichment Course/Class Materials
- Technology
- Instructional Design/Delivery; High-Yield Strategies
- Lesson Study/Delivery Processes

A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- meeting students at current level of performance
- "filling in" students' educational gaps
- small classes to increase focus on idividual students
- providing engaging and hands on activities for students in most classes
- many teachers focus on TEKS and state assesment standards

Needs

- more time to focus on individual course standards
- to continue working on instructional strategies and aligning activies to meet student needs
- increase higher order thinking skills and problem solving across content areas
- All teachers need to follow district scope and sequence
- All teachers need to focus on TEKS and state assesment standards

Summary of Needs

- Separation of classes into specific content areas-World Goegraphy, World History, etc instead of having all social studies classes mixed together in order to ensure student mastery of specific TEKs and mastery of state assessment standards
- Better alignment with district scope and sequence for all classes
- More horizontal alignment/collaberation between POST and Detention
- Implementation of higher order thinking skills
- Utilize the testing of the facility to implemment the instruction in the classroom.
- Facility to allow the Sparks Campus to have more flexibility with the assignment of classes-example if we could mix the females and males in the classes of the various disciplines.
- Determine positive reinforcement that the Facility will allow to encourage students.

Family and Community Involvement

Family and Community Involvement refers to how these stakeholders and informed, invested and involved as partners in supporting the school community to maintain high expectations and high achievements for all students

A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- Family involvement in ARDS for our students.
- Open House at least once a year when possible.
- Communicate with parents by mailing reports and report cards to parents.
- Participate in a Title I survey
- Phone conferences with parents.
- Work with the Facility to develop communication with family members.
- Work with the Court system to secure infromation about students who are continuously enrolling and withdrawing.

Needs

- Streamline communications with the POST program about new students in the program.
- Update the campus information handbook which is given to each family upone enrollment.
- Communicate with receiving ISD and parents that student coursework and grades are valid-Principal's letter.
- Continue to seek campus community supporters for needs not covered by District funds.
- Steamline communications POST staff concerning familiy issues that would affect the learning environment for the child.

Summary of Needs

- Understanding that we are a unique environment due to our students being in a juvenile detention center and our relationship with the county facility.
- Understand our restrictions with both the students, families and communtiy participation.
- Understand the privacy of our student records because of the location of Sparks Campus.

School Context and Organization

School Context and Organization refers to the processes, structures, decision-making, and overall leadership aspects of the organization, including how these areas address quality teaching and learning.

Potential Data Sources:

- School Structure or Make-Up, e.g., Teaming, Looping, etc
- Decision Making Processes
- Master Schedule
- Leadership: Formal and Informal
- Supervision Structure
- Support Structures: Mentor Teachers
- Duty Rosters

A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- All teachers are involved in decision making- involved stakeholders.
- Accumulated alternative resources for instruction
- Willing to think outside of the box to find solutions in our "detention" instruction arrangement.
- Multi leveled classroom
- PLC by campus and by programs.
- Communication with Sp. Ed.

Needs

- Additional copies of the WRAT
- Additional copies of the KTEA
- On site staff development
- Conferences on "at risk" students-like "Mean Girl".
- Heavy duty printer for the sp ed office to continue to provide the sp ed communication.
- We need to retain our full time diag which we were given and now she has been given other assignments.

Summary of Needs

- Our campus requires more specialized training that deals with the at-risk student.
- We need more benchmark testing materials such as the WRAT and KTEA.

Technology

Technology refers to modeling and applying digital tools and resources for students, staff, and other stakeholders to advance teaching and learning, and connect to real-world experiences, including post-secondary opportunities.

Potential Data Sources

- Technology Infrastructure, Networks, etc.
- Technology Hardware and Software
- Classroom Technology Needs by Area, Class, Department, etc.

Comprehensive Needs Assessment Summary of Priority Needs

Demographics:
With additional bilingual help, we would be able to better serve our non-English speaking students. With more at-risk intervention and additional class time we would be able to offer more acredited classes, to keep these students on track to graduate.

School Culture and Climate:
There are 3 basic areas that we can combine our needs. 1) Space/Cleanliness 2) Time 3) Attitude.
1) The building and classrooms need to be cleaned up and cleaned out to help create more space. A janitor is needed to help keep the classrooms clean. We need to remove unused materials from the building.

Student Achievement:
Develop a way to challenge students who score above grade level so that their grades better align with functional assessments.
Curriculum or classes to address the needs of special education students who score below grade level as well as to challenge students who score above grade level.
Develop a way to help students who are lacking credits to earn those credits.

Teacher Quality:
