

CROSS OAKS ELEMENTARY SCHOOL DESIGNATED WALKER FORM 2015-2016

For their safety, Cross Oaks students in pre-k, kindergarten, and first grade will not be released to walk home without the supervision of either:

- An adult with the student's unique pink car tag provided to parents at registration (walker pick-up is outside the cafeteria at 2:50),
- An older sibling in grades 2nd - 5th, or
- An older student in grades 2nd - 5th, designated in writing by the younger student's parent using this form.

Parents of PK/K/1 students wanting them to be released to walk home with a 2nd – 5th grade **non-sibling** will need to complete this form and provide it to the school office at least 24 hours in advance.

All PK/K/1 students are expected to walk close to and remain actively supervised as they leave our campus grounds. We ask that parents help reinforce this expectation with older students who are supervising our young children. Parents are also responsible for communicating with the families of designated older walkers when their child is absent from school, or if their regular dismissal transportation procedures have changed.

Thank you to all of our Cross Oaks parents for their support of our student safety policies! Please contact the office at (972) 347-7100 with any questions.
