

## *Pride and Prejudice Take Home Quiz- Vol 1*

1. Find five characters who were proud and/or prejudiced. Make sure that you represent both pride and prejudice amongst your choices. Explain who, how, and where in the novel you find them, and more importantly explain why they are either proud and/or prejudiced.  
*(Goal here is to start trying to determine the difference between “pride” and “prejudice.”)*
2. Determine which was the moment of GREATEST DISCOMFORT for each of the following characters and identify when and why: Elizabeth Bennet, Fitzwilliam Darcy, Mr. Bennet, and Mrs. Bennet.  
*(Goal here is to start working on what causes people to lose their self-confidence.)*

You may use your book and your brain to answer these questions, but do not look for answers elsewhere. You should be able to make these determinations on your own merit. **You are on your honor!** Answers should be typed and turned in to Turnitin.com by November 1<sup>st</sup>.
