Navo Middle School Parents/Guardians:

Denton ISD and Navo Middle School is committed to achieving academic excellence for our students to ensure that they can compete in an ever-changing, global community.

To help facilitate academic excellence, Navo Middle School's administrators will be spending at least **one full day and two partial days** in the classroom each week to help improve the teaching and learning that occurs on a daily basis. We aim to provide feedback to teachers that will help improve the quality of learning experiences for our students.

We are committed to being where the important work happens – **in the classroom** – but your concerns are still very important to us, therefore we encourage you to contact your student's teacher/coach to resolve your concerns quickly.

If you still have a question or concern after speaking with your student's teacher, please contact your child's assistant principal. Our campus assistant principals are responsible for student management, so most issues can be resolved with the teacher and/or the assistant principal. The office assistant, Ms. Southern, will set a time for an administrator to meet with you or return your call in a timely manner.

Our goal is to provide the best service to you while not compromising the monitoring of student learning and achievement.

Thank you for your ongoing support of Navo Middle School. We appreciate your patience and understanding as we implement these practices to improve student learning.

Sincerely,  
Navo Middle School Administration

**Principal:**  
**Mario Layne**

**Assistant Principals:**  
**8<sup>th</sup> Grade – Chris Smith    7<sup>th</sup> Grade - Toni Goodman    6<sup>th</sup> Grade – Patricia Jameson**
