TUESDAY

WEEK 14

Name _____

the men floated on ice floes until april 9 1916. they ate penguins seals and the last of their supplies. When one man spilled his cup of precious milk shackleton silently poured some of his own into the mans cup. Other men follows Shackletons' lead. One night, the floe cracked in two and a man fell into the crack. Shackleton ever alert pulled the man out seconds before the floe smashed back together. shackleton worried, but he never let his men know. he wouldnt let any one give up hope

WEDNESDAY**WEEK 14**

At the edge of the ice pack the men launched there lifeboats. for six long days, they rowed in the tiny open boats. Wet sick and covered with sores. They landed on a uninhabited island. help was over 800 miles away across one of the worlds most dangerous oceans? Most men would have given up but shackleton did not. He sail with five men, leaving 22 behind. Looking death in the eye he refused to quite. He made it to land and he eventually rescued his men. His men never gave up hope they knew their leader would return
