

Denton High School

Are you ready for Distance Learning?

Find out by completing the READI-Readiness for Education At a Distance Indicator assessment. It will take you about 35 minutes from start to finish but you may log out and complete it later if necessary. After you login, you will receive an email from READI with a READI PIN number that will allow you to log back in later or view your results again.

READI is meant to be an interesting experience by which you may learn more about yourself, distance learning, and how to succeed! Your READI score will not prevent you from registering for online classes. It is a tool that will help you assess your strengths and opportunities for growth related to distance learning in 5 areas.

1. **Individual Attributes** – procrastination, time management, willingness to ask for help, academic attributes
2. **Learning Styles** – what is your predominant learning style?
3. **Technical Competency, Skills, and Knowledge**
4. **Reading Rate and Recall**
5. **Typing Speed and Accuracy**

You will receive a full color report immediately following the completion of all areas of READI. You may email this report, print it, or download and save for future reference. It also provides some remedial tools connected to each area of READI to use.

To log in click here <http://txvsn.readi.info>.

Username/password: denton/student

All students should complete the assessment, print their results, and take the results to their assigned TxVSN Site Coordinator for review.

Thank you!
