

Dear Parents:

We are so excited to have *Classworks* available for our students to be able to work on outside of school!

Classworks delivers engaging, targeted instruction to students based on their individual needs and learning styles. Your child can now access a large portion of these activities from home.

How will my child access *Classworks*?

Enter the following URL in your browser: _____

Access the Student Module by following the link located on our school/district website.

Note: If you receive a certificate security message, please accept the certificate in order to proceed.

Your child's log in information is below:

User Name: _____ (Student should enter their first **or** last name. Not both.)

ID#: _____

Classworks Password (if assigned): _____

Once your child has logged into *Classworks*, click the _____ class to access their assignment. The name of the assignment is _____.

The work your child completes at home will be reviewed by your child's teacher.

What can parents do to help?

- Provide a quiet learning environment as your child works on lessons.
- Share any concerns/questions with your child's teacher.
- Provide motivation and support to ensure success.
- See System Check note below.

If you would like to learn more about *Classworks*, visit their website at www.classworks.com.

Thank you for partnering with us to help your child succeed!

*Before using *Classworks*, please make sure that your computer has the correct components installed in order to run *Classworks*. To check your computer, click on the blue "**System Check**" link located on the student login screen. Follow the instructions provided.*
