Muncy's Message

Dear Broncos,

I am always proud to brag about our successes on campus and most importantly, those of the academic variety. The National Merit Scholarship Program recognizes students across the country based on student scores on their Preliminary SAT taken in October each year. This year DHS has five National Merit Scholarship Semifinalists, four National Merit Commended Scholars, two students who have qualified for the National Hispanic Recognition Program and one Black American Scholar. These students are:

<u>Semifinalists</u>	<u>Commended</u>	<u>Hispanic Scholars</u>	<u>Black American Scholar</u>
Patrick Burke	Jonathan Berg	Trevor Davila	Christyauna Clark
Trevor Davila	Timothy DeReuse	Stephen Place	
Sylvia Li	Julia Difiore		
Clarissa Root	Julia Moen		
Christine Ryu			

We are proud of the hard work and sacrifice that got these students to this level of academic success and we wish them the best in their pursuit of higher education.

In years past, Fine Arts have always been strong at DHS and this year is no exception. We currently have students in Band, Choir and Orchestra competing at the Regional level vying for All State Honors. Once again our kids have put in countless hours perfecting their talent and sharing it with the world. It is always a treat to sit back and enjoy the fruits of their labor at each and every concert. Theatre Arts and Visual Arts are no different. The time and energy put forth is evident in each individual piece of work and/or drama production. David Mairs shared with me a story about a great artist whose simple definition of the arts is "that which makes us human." It's comforting to see our kids pour their hearts into this venue.

Athletically DHS has been struggling in certain aspects and flourishing in others. There are many great things that are learned in the spirit of competition and the commitment to teammates. Our volleyball team made it to the playoffs as did our boys cross country team. We also had two outstanding performances by Ashley Husbands and Mathew Renner who qualified for regional cross country in Lubbock. Congratulations to all these athletes as well as the other dedicated athletes at DHS. Your passion is admired and very much appreciated.

I have elaborated about some of the success of students at DHS and of course it goes without saying that behind each great kid is a caring and passionate teacher/coach. I am honored to work with some great people and I appreciate their dedication and effort with our kids. I love DHS and I know that it is rich in history and tradition, but *it is the people at this school that make it great*. Our looks are changing but things inside remain the same – we are committed to academic achievement. It is great to be a Bronco!

October Teacher of the Month: Mrs. Barbara Goolsby

According to the Legal Framework for the Child-Centered Process ARD committee membership, effective October 5, 2009, CTE representation at every annual meet is required. Mrs. Goolsby spearheaded this project. Once notified, she quickly and

efficiently held a meeting with all CTE teachers informing them of this change. Under Mrs. Goolsby's leadership, energy, and enthusiasm the teachers readily accepted this task without any complaints. We are truly honored to work with this professional!

October Staff Member of the Month: Mr. Ronnie Phillips

Ronnie works tirelessly in maintaining DHS's 42,000 square foot field house and keeps it looking immaculate. He is a team player and goes far beyond his assigned custodial duties. He is an extension of our staff and has the respect of our coaches and players. Thank you Ronnie for helping take care of DHS's new addition.

~Kimberly Thaggard

The Teachers and Staff Members of the Month

September Teacher of the Month: Ms. Jamie Covey

If you know Jamie Covey- you know she is busy. In addition to teaching four different preps, from two different curriculums, Jamie also finds a way to muster up the energy to arrive at DHS at roughly 7:00am every morning. In addition to her teaching, Jamie continues to sponsor the American Sign Language Club which she has sponsored for over nine years. Lastly and most importantly Jamie is a PROUD soldier in our United States Naval Forces, where she has served ALL OF US, in Iraq and here at home. Jamie, thank you- from the bottom of our hearts!

September Staff Member of the Month: Camille Khoury

Secretary, runner, copier, substitute, student-aide, teacher-aide, no matter what title you give her, she is happily and cordially, always Camille. In the month of September Camille was asked to fill in many of the aforementioned gaps, and that she did. She is constantly running about the school, fulfilling all of her necessary tasks, many of them providing the glue that holds our school together; most importantly though, Camille does her job with a sincere smile and with great dedication.

Going Green and Staying Green

Denton High School has achieved the "**Highest Weight Award**" from the City of Denton Recycling Program. DHS beat out both Ryan and Guyer. The **Custodial Staff** does an amazing job of keeping up with the hallway dumpsters, as well as the teachers who frequently dump their classroom bins. Keep up the good work!

~Kimberly Thaggard

Teen Driving Notes

Every year, about 5,000 teenagers are killed in car crashes, and approximately 375,000 are injured. Despite safer cars, better roads, and driving education programs, the statistics have not changed much over the years. As a parent, you can help start change. You are the biggest influence on your teen driver.

There are good drivers, "okay" drivers and some that are just plain terrible. You know the ones you yell at—eating a cheeseburger when the light turns green, applying make-up or shaving on I-35. Are you setting a good example—wearing your seat belt, cell phone at ease, maintaining proper speed and distance, following traffic signs and signals? You are the one your teen sits beside. You are the one your teen sees, learns from and copies behavior. Your teen notices. Be the good driver. Be the good role model. Educating your teen is your job, whether you consciously take on the task or not. Put your teen driver under your influence.

~Grace Chalton, PTSA President

Interact Club

The Interact Club participated in the Tree Giveaway on October 24th. The Tree Giveaway is an annual event sponsored by Keep Denton Beautiful in which volunteers distribute baby trees to registered Denton residents free of charge. The event was a success, and approximately 900 trees were given away. For more information on the Tree Giveaway and other Keep Denton Beautiful events, visit kdb.org

The Interact Club is also trying to raise funds for their service trip to Nicaragua, which will take place during Spring Break. They will be sending 2 – 6 students and are currently selling scrubs to the faculty of Denton High School. The scrubs are purple, and they have "DHS Staff" embroidered on the pocket. They are selling for \$20. The staff also has the option of getting their name embroidered on the pocket for an additional cost of \$5. If you wish to order scrubs or have any questions, please feel free to e-mail Lauren Kruse, the Interact Club Vice-President, at laurenkruse@gmail.com.

~Scott Spaulding, Sponsor

National Achievement

Congratulations to Christyauna Clark for being recognized as an "Outstanding Participant in the National Achievement Scholarship Program." Christyauna scored in the top 3% of more than 160,000 Black Americans who requested considerations in the 2010 National Achievement Program.

Congratulations to Christyauna on this great accomplishment.

~Darrell Muncy, Principal

Calling All Seniors!

Your DHS/PTSA will once again award scholarships to DHS seniors, but seniors **must be PTSA members to qualify. Student memberships are only \$5. Turn your money and information into the DHS Office. It's an investment that has the potential to be financially rewarding!**

Class of 2010

IB Update

IB Diploma Programme

NOVEMBER is ENROLLMENT MONTH for the next class of IB Diploma Candidates! Current Sophomores interested in becoming involved in the next Diploma Programme class may pick up IB DP Applications from the IB Office (room 121). Completed IB DP Applications are due November 20, 2009. If you have questions, please drop by and see Dr. Singletary, IB Coordinator, in the IB office.

Presentations will be made in selected classes to help inform students of the opportunities of involvement in our IB DP. **MARK THIS DATE: NOVEMBER 17, 2009**, there will be an informational meeting for parents of current sophomores that may be interested in the IB Diploma Programme. The meeting will be held in the DHS Library from 7-9 pm.

Parents should call (940.369.2238) or email lsingletary@dentonisd.org if they plan to attend. If more parents want to attend than the library will host, the meeting can be moved to accommodate the crowd.

Seniors are in the process of registering for the IB external exams which will be held during the month of May. Seniors are busy developing and completing IB Internal Assessments, which will be combined with IB external exam grades for a final score. Seniors will not receive their IB test results until July, 2010, when IB releases all IB test scores throughout the world.

Juniors have been busy in their IB classes, as one would expect, but they have also been busy earning Creativity, Action, and Service (CAS) hours. Approximately 130 hours have been earned by the juniors so far this semester. Long-term project hours will be turned in at the end of each semester. One electronic project that has been underway is IB in Three Words. Almost all the juniors have contributed to the final project...final contributions will be added. The final version will be used during enrollment.

IB Middle Years Programme

MARK THIS DATE: November 19, 2009, there will be an **IB Informational meeting**. The meeting will be held in the **DHS auditorium from 7-9 pm**. Information regarding IB Middle Years Programme and IB Diploma Programme will be shared. **Parents of current eighth graders** throughout the district wanting to learn more about IB should plan to attend. We look forward to sharing the IB information with interested parents.

Teachers continue to share comments on the implementation of IB MYP philosophies in their classrooms. Ms. O'Hearn, French teacher, shared that she has implemented writing journals in her classes, which have been used as response and reflective opportunities. "I enjoy reading the journals and it gives me an opportunity to get to know the students better and for them to get positive, written feedback from me" writes Ms. O'Hearn.

~Lynn Singletary, IB Coordinator

DHS Receives Grant

Denton High School has received a \$750 grant from the ExxonMobil Educational Alliance program to support the school's Partners in Art and Partners in PE program. Bill Douglas of **Exxon on the Run** at 700 South Stemmons in Denton, Texas, worked with school officials to secure the grant, which is one of 2,400 available to schools across the country served by Exxon or Mobil stations. The grants were made possible by funding from the ExxonMobil Corporation.

"Denton High School works hard to make learning interesting and fun," said Bill Douglas. "As an Exxon retailer, I am proud to help young people of Denton."

The ExxonMobil Educational Alliance program is designed to provide Exxon and Mobil retailers with an opportunity to invest in the future of their communities through educational grants to neighborhood schools. ExxonMobil believes that, as members of the community, local retailers are best qualified to work with local educators to help identify schools and programs most in need of support.

Bill Douglas of **Exxon on the Run** met stringent eligibility criteria before applying for and being awarded this grant, including having a commitment to provide a superior buying experience for customers.

Reminders!

With the flu season upon us, DHS would like to remind students and parents about the process when a student has been absent from school. When returning to school after an absence, a student must pick up an absence form from the attendance office to be taken home and signed by a parent/legal guardian. It will be stamped with the date and time when the student picks it up and again when it is returned, completed and signed. The yellow copy will be given to the student for the family records after the return date has been stamped on it. Students have two school days to return the completed form to the attendance office.

Please remember that if you are picking up a student at DHS, you will need to enter through the front center doors. The receptionist, Linda Beckmann, will send for the student to come to the office and sign out. All visitors to the DHS campus must bring a photo ID to be able to visit on the campus and to receive a visitors badge through the Raptor Ware software system.

AF JROTC

In October we participated in the UNT parade and earned the McAvoy

Trophy for marching units. Later that month 53 cadets traveled to Altus Air Force Base, OK. Some cadets toured the base while others flew a three-hour in-flight refueling mission on a KC-135. On Monday, Oct. 26, US Aviation Group hosted seven of our cadets at Denton Municipal Airport for area flights...thank you! Our fajita dinner plate fundraiser event was a huge success. Thank you to the parents and contributors for the support. On Nov. 6 our senior AFROTC color guard members were recognized at Senior Night of the Denton vs Little Elm football game. These seniors have performed at many athletic and community events as color guard details. On Veterans Day, Nov. 11, hosted a reveille ceremony where we will pay tribute to our Armed Services Veterans. Cadets will gather in front of the school as a Corps and pay respects to those who have and are serving our country.

As we express our gratitude, we must never forget that the highest appreciation is not to utter words, but to live by them. ~John Fitzgerald Kennedy

DHS Student Email

All students have their own email account this year with *Live@edu..* This new email system gives students the ability to store documents in what is called a *skydrive*, and communicate with peers and teachers on academic projects. A student email account follows the pattern: ID#@dentonstudent.org.

It is recommended that students check their email daily for teacher announcements, upcoming events, and important school news.

The screenshot shows the Denton Independent School District website's Parent Connection page. It features a navigation menu with links for Home, Our District, Employment, School Board, Departments, For Parents, For Students, and For Staff. The main content area is titled 'Parent Connection - Gradespeed' and includes a 'Parent Information Letter' section. The letter promotes higher student achievement by enhancing communication between teachers and families. It lists the following information accessible to parents:

- Attendance on a daily basis (2nd-12th grades)
- Assignments (2nd-12th grades)
- Current class averages (2nd-12th grades)

Below this list are 'Registration Instructions' and a 'Trusted sites' indicator.

DHS Honors Veterans

The Denton High School National Honor Society honored all veterans on November 11th. Since our nation's founding, brave men and women have taken up arms to defend the truths set forth in the Declaration of Independence. By their service they have kept

America strong, and protected our way of life for more than two centuries. The program included performances from the DHS AFROTC, band, orchestra, choir, and special readings for the Veterans. The guest speaker was well-known and respected businessman and veteran, Frenchy Rheault. The National Honor Society would like to thank all the DHS individuals and organizations for their support in planning the program.
