Applications are to be given to each sport team coach completed and signed by applicant.

Scholarships are awarded based on specific criteria established by the Guyer Athletic Booster Club. We look to recognize a student who has excelled academically and athletically or as an active community citizen, we look for students that have work hard to achieve success without being at the top of their class.

Guyer Athletic Booster Club Scholarship applications are read blindly and contain questions designed to help the scholarship readers and the Scholarship Selection Committee select seniors that should be recognized for their academic and athletic careers while at Guyer High School.
