

2016
Guyer Band Booster Club
Golf Tournament

The Guyer Band Booster Club is an organization that provides both financial and volunteer support for the Guyer High School Band. Any parent, grandparent or guardian of a band or color guard student is eligible to join the booster club. The volunteer support provided is in the form of chaperones for band trips, coordination of band functions and any other help required by the band and its directors. The financial support from the booster club assists the band with financial needs not covered by the budget allocated by the school district or by the band fees collected for each student. Many of the things financed by the band booster club would either not be possible or would need to be covered by an increase in band fees if it was not provided by the club. Some of the specific items paid by the booster club include: private lessons for students who are unable to afford them, additional percussion and color guard instruction, snacks and meals for the band at special events, props for the marching show, new and replacement percussion equipment, color guard costumes and band camp scholarships.
