Dear Cadets,

It is a great pleasure to welcome you to Ryan High School's Air Force Junior ROTC Program. Your commitment to the program will be exemplified throughout this school year as your instructors promote the goals of Ryan High School and our community through the Air Force Junior ROTC Program.

"Building Better Citizens for America" is the primary mission of our school's AFJROTC Program. Our aerospace curriculum and community service projects are structured to emphasize opportunities for you to develop yourselves as citizens. We support this through helping you develop personal traits such as integrity, teamwork, responsibility, ethics, self-discipline, and respect. These traits will serve you well as you travel through your life here at Ryan High School.

Congratulations on choosing a program with such high standards...I expect great things from each of you! I firmly believe significant involvement in our AFJROTC program provides you with the tools to be a true citizen leader.

Best of luck this year!

FOREWORD

1 Aug 21

The TX-093 Air Force AFJROTC Group was established at Ryan High School by an agreement between the Denton Independent School District and the United States Air Force. The Senior Aerospace Science Instructor (SASI) and the Aerospace Science Instructor (ASI) are both retired Air Force personnel with over 55 years of combined Air Force/AFJROTC experience. The instructors have an extensive background in leadership, management, and teaching.

The students who enroll in Air Force Junior ROTC are referred to as —Cadets. The entire group of cadets is referred to as a Group. The Cadet Group is —owned, managed, and operated by Cadet Officers and Cadet Non-commissioned Officers. Using this cadet organization structures allows cadets to learn leadership skills through direct activities.

The attached cadet handbook contains policy guidance, requirements and rules of conduct for AFJROTC cadets. Each cadet will study this handbook and be held responsible for knowing its contents. The handbook describes cadet operations, cadet rank and chain of command, job descriptions, procedures for promotions, awards, grooming standards, and uniform wear. It supplements AFJROTC and Air Force directives. This guide establishes the standards that ensure the entire Cadet Group works together towards common goals and will earn pride in unit achievements.

We believe most cadets will voluntarily work for the betterment of the Group if they are aware of the goals and mission of the unit. You, as a Cadet, are responsible for obtaining a thorough understanding of the contents of this cadet handbook. Only then can you maximize your experience and participation in the AFJROTC program and apply these standards to the benefit of yourself and TX-093. We wish each of you great success in your academic and AFJROTC endeavors.

INTRODUCTION

The purpose of this Cadet Guide is to spotlight your personal responsibilities and obligations as a member of TX-093. You will be expected to know and comply with the policies and procedures as outlined in this guide. You should read, become thoroughly familiar with, and refer often to the information in this guide.

Cadets are expected to keep informed and to comply with all published unit orders and directions. Ignorance of directives is not an acceptable excuse for failure to comply with their provisions. When a cadet encounters a situation not specifically covered by this guide or supplemental directions/instructions, they are expected to use good judgment and common sense. If there are doubts about the meaning of the directive or order, cadets should request clarification from AFJROTC cadet leadership. Further questions concerning AFJROTC academics or leadership training requirements may be referred to the appropriate Aerospace Science Instructor (ASI).

It will be a cadet responsibility to keep this guide current and to make all changes that may be published. The overall success of the Ryan High School Cadet Corps this year will depend on how well everyone accepts personal responsibilities and performs their assigned duties. The Cadet Corps is dedicated to maintaining the high standards of excellence we have established at Ryan High. Individual efforts, attitude, and dedication will determine how successful we are in achieving our goals.

CADET HAZING POLICY

Any form of hazing, whether verbal or physical, will not be tolerated within any AFJROTC unit or activity. In addition, requiring cadets, individually or as a group, to perform any physical action as a reprimand, punishment, or for failure to perform will also not be tolerated. Cadets will not condone or encourage any type of hazing or initiation rituals.

Examples of prohibited physical activities include, but are not limited to: push-ups, running laps, or any inappropriate physical contact such as shoving, pulling or grabbing. Any form of verbal abuse, teasing, public rebuke or any attempt to otherwise humiliate a cadet is prohibited. This prohibition is applicable to all AFJROTC unit activities, and includes instructors, cadets and any personnel involved with or participating in an AFJROTC unit or activity.

Unauthorized Clubs. No unit may encourage, facilitate, or otherwise condone secret societies or private clubs as part of the AFJROTC program.

The AFJROTC instructors will strictly enforce the Cadet Hazing Policy

The Air Force Song

Off we go into the wild blue yonder,

Climbing high into the sun;

Here they come zooming to meet our thunder,

At 'em now, Give 'em the gun! (Give 'em the gun now!)

Down we dive, spouting our flame from under,

Off with one helluva roar!

We live in fame or go down in flame. Hey!

Nothing'll stop the U.S. Air Force!

CHAPTER ONE

MISSION AND OBJECTIVES OF THE AFJROTC PROGRAM

1. **MISSION:** The AFJROTC mission is to "Develop citizens of character dedicated to serving their nation and community."
2. **PURPOSE:** Title 10 of the US Code, Section 2031 states, "The purpose of AFJROTC is to instill values of citizenship, service to the United States, personal responsibility, and sense of accomplishment.

The AFJROTC program is grounded in the Air Force core values of integrity first, service before self, and excellence in all we do. The curriculum emphasizes the Air Force heritage and traditions, the development of flight, applied flight sciences, military aerospace policies, and space exploration. Some of the activities include:

- Academic studies
- Character education
- Life skills education
- Leadership opportunities
- Team-building experiences
- Intramural competition
- CIA field trips/training opportunities

3. **BENEFITS:** Cadets who are actively involved in the AFJROTC program develop confidence, self-discipline, self-reliance, and learn to work together as a team. In addition to the academic program teaching leadership and life skills, aerospace history, and aerospace science, the cadets also benefit from the following:
 - a. Leadership – The corps of cadets and the AFJROTC program is an active, on-going leadership laboratory. Cadets have numerous opportunities to develop and practice leadership skills as they plan, organize, manage, lead, and participate in community service projects, field trips, drill competitions, and other corps activities. Leadership responsibilities for upperclassmen include group staff positions or corps event planning.
 - b. Credits – AFJROTC is an elective or PE credit. Additional years of AFJROTC are local elective credits.
 - c. Certificate of Completion – A Certificate of Completion is awarded for the successful completion of three or four years of AFJROTC. This certificate will enable a cadet to enlist in any branch of the armed services at an advanced rank with increased pay and benefits.
 - d. Cadet Leadership Courses (CLC) – Each summer, cadets may compete for a spot at CLC. Our unit PLANS to attend the Houston CLC which consists of a

basic, intermediate and advanced summer camp located at University of Houston in Houston, Texas. It is hosted by a collection of high school AFJROTC units (including Ryan High). **Seats limited at 10.**

Selection Criteria for CLC

1. **MUST** wear the AFJROTC uniform throughout the school year.
2. **MUST** pass AFJROTC classes.
3. **MUST** pass all core classes.
4. **MUST** know how to perform/command all 30 drill commands.
5. **MUST** be physically fit. Must be able to run 1-mile in under 10 minutes. Cadets who score below acceptable standards on the PFT may not be selected to attend camp.
6. **MUST** understand they represent the TX-093 Corps.
7. **MUST** be involved in at least one co-curricular activity in the corps during the school year.

CHAPTER TWO

ADMISSION, TRANSFER, AND DISENROLLMENT OF STUDENTS

1. **ELIGIBILITY:** To be eligible for and to participate in the AFJROTC TX-093 program, a student must be:
 - a. Enrolled in a course of instruction at Billy Ryan High School.
 - b. A citizen or national of the United States or an immigrant lawfully admitted to the United States for permanent residence.
 - c. Of good moral character.
 - d. Physically fit to participate in AFJROTC training. A cadet is considered physically fit if he or she is qualified for the Physical Education (PE) Program.
 - e. Drill-Only Class. This course is only offered during the A3 class period. If a cadet is enrolled in this course, they must also be enrolled in a regular AS class. Enrollment must be approved by the SASI and cadets in this class are expected to be a part of the unit drill team and/or color guard.
 - f. Cadet Reserve Program. Cadets may be enrolled as a “Reserve Cadet” if approved by the SASI/ASI and the cadet must have completed at least one full year of traditional AFJROTC. This option is only used when a cadet is highly deserving of being a part of the program but cannot fit a regular AS class into their school schedule. Cadets who are a part of the reserve program must still wear the uniform weekly as required by other cadets, and they are also eligible to be a part of all other unit activities.

2. **TRANSFER:** Students who transfer from other AFJROTC units may receive full credit for training already received, with appropriate documentation from their previous unit. It is the student’s responsibility to forward all documentation to the aerospace science instructors. The student transfer may wear AFJROTC equivalent ribbons earned from another branch.

3. **DISENROLLMENT:** A cadet may be dis-enrolled for any reason deemed necessary by the SASI at any time during the school year. Below are examples of some reasons:
 - a. Failure to maintain acceptable course standards including haircut, unauthorized hair color, grooming, improper uniform wear, failure to wear the AFJROTC uniform or PT gear, behavior, etc.
 - b. Refusal to participate in training, disciplinary infractions, or reasons involving undesirable traits of character.

- c. Failure to remain enrolled in school (including re-assignment to DAEP).
- d. Failure to maintain a passing grade in AFJROTC course work.
- e. Insubordination toward AFJROTC cadet leaders or Billy Ryan High faculty/staff.
- f. SASI deems removal of a cadet is best for overall management of the program.

CHAPTER THREE

GENERAL INFORMATION

1. **ORGANIZATION:** The unit will be organized as on the model of an active-duty Air Force unit. For TX-093, our unit consists of one operational group with three squadrons.
2. **CHAIN OF COMMAND:** Within the Corps of Cadets, the chain of command is as follows:
 - a. Cadet Airmen report to their Element Leader, who report to the Flight Commander, who in-turn report to their Squadron Commander.
 - b. The Deputy Group Commander will act on behalf of the Group Commander during the Group Commander's absence.
 - c. See Attachment 1 for the organizational chart/chain of command.
3. **TEXTBOOKS:** The textbooks used in the AFJROTC program are furnished to the cadets without charge. All textbooks, hard back and paperback, are controlled items and will remain in the classroom with few exceptions.
4. **AFJROTC ACADEMIC PROGRAM:** The program is divided into three graded parts. The first part is called Aerospace Science taught by the Senior Aerospace Science Instructor and consists of classroom instruction on subjects pertaining to Aerospace Science. The second part is called Leadership Education taught by the Aerospace Science Instructor and consists of drill, inspections, and leadership education. The third part is the Cadet Wellness Program. Cadets are expected to participate as scheduled to include weekly activities and periodic fitness testing in accordance with AFJROTC requirements.
5. **CLASS SCHEDULE:**
 - a. Aerospace Science academics will normally be taught by the SASI.
 - b. Leadership Education will normally be taught by the ASI.
6. **UNIFORMS:** Cadets are required to wear their uniform on "uniform day". Failure to wear your uniform on "uniform day" or to make-up a uniform inspection on the established day will result in a zero for that week. Continued failure to wear the uniform will result in dismissal from AFJROTC. **Officers and NCOs will be removed from their positions and all may be reduced in rank.**

CHAPTER FOUR

CADET REMOVAL PROCESS

1. **GENERAL:** Cadets may be removed from AFJROTC based on numerous circumstances. Headquarters AFJROTC has given full authority to the Senior Aerospace Science instructor to remove any cadet, at any time, for any reason deemed necessary to uphold the standards of the program. Some of these situations may include, but are not limited to:

- a. Failure to wear the AFJROTC uniform as directed and maintain the uniform in an acceptable condition.
- b. Failure to maintain proper military grooming standards or immediately correct grooming violations to include hair, nails, jewelry, or tattoos.
- c. Involvement in criminal/illegal activity to include use of any substances deemed illegal or inappropriate by DISD policy (Immediate Removal).
- d. Refusal to participate in PT or wear the issued PT gear.
- e. Transfer to Davis Disciplinary School (Immediate Removal).
- f. Disrespect towards instructors.
- g. Repeated admission to In-School Suspension or Out of School Suspension.
- h. Has committed his or her third offense (immediate removal from the program).

2. **PROCESS:** Cadets who fail to perform based on the minimum expectations of an AFJROTC cadet will be formally counseled by the cadet corps commander (depending on the specific situation), the SASI, or ASI. A counseling letter will be documented based on three strikes, but understand a cadet may be removed at any time by the SASI. Below outlines the process for cadet violations:

- a. *First Offense:* Sign counseling memo, email to parent acknowledging the problem area, and how to correct it.
- b. *Second Offense:* Sign counseling memo, parent will be contacted via email with a CC to the counselor.
- c. *Third Offense:* Contact parent and counselor to begin cadet removal process.

3. **VARIATIONS:** Extenuating circumstances will be handled on a case-by-case basis.

NOTE 2: Some incidents will warrant immediate removal from AFJROTC. Examples include vaping, drug use, or alcohol use in AFJROTC operated rooms or during AFJROTC activities, multiple ISS placements, OSS, DAEP, etc.

CHAPTER FIVE

CADET CONDUCT, MILITARY COURTESY, AND CLASSROOM PROCEDURES

1. **GENERAL:** Cadets are always expected to conduct themselves as proper young ladies and gentlemen. They will not use abusive, vulgar, obscene, or profane language. Cadets will not annoy or harass other cadets with insulting, inflammatory, insinuating, or defaming remarks or obscene gestures. Cadets will not indulge in horseplay such as hitting, slapping, sparring, or wrestling that frequently develops into undesirable behavior.
2. **CADET CONDUCT:** Cadets in AFJROTC are expected to set the example for other students. As such, your behavior is closely monitored by school administrators, teachers, and even other students.
 - a. **Public Display of Affection (PDA).** Cadets will not indulge in forms of physical contact such as “romantic” HUGGING, KISSING, or EMBRACING (Public Display of Affection- “PDA”) within the confines of the AFJROTC area, while on any AFJROTC trip, or ANYWHERE WHILE IN UNIFORM. PDA while in uniform also directly affects your weekly uniform grade.
 - b. **School Dress Code.** All pants, shorts, and skirts must be worn on or above the hip bone (belts if needed). Shirts that could be considered inappropriate should not be worn. All shorts and skirts must be longer than fingertips with arms straight down. All school dress codes facial piercing policies will be enforced as outlined in the DISD Student Handbook. All cadets, both upper and lower classmen, will enforce these standards always, regardless of one’s rank/position.
 - c. **Cadet Officer / NCO Conduct.** A cadet Officer or NCO has special leadership responsibilities by virtue of their achievement in earning those ranks. They are held to much higher standards and are expected to set a positive example for other cadets. Among other general responsibilities to maintain rank/position, cadet officers and NCOs are expected to:
 - 1) Take the initiative when leadership action on their part is needed to ensure the unit mission is successfully accomplished. This includes taking an active role in team activities.
 - 2) Meet their financial obligations to the unit and the AFJROTC program promptly and completely.
 - 3) Complete AFJROTC class and program assignments conscientiously.
 - 4) Participate regularly in at least one after school co-curricular/LDR activity OR regularly attend community service events.

- 5) Follow school/AFJROTC guidelines, setting the example for subordinate cadets.

Note: *Cadet Officers and NCOs who fail to wear their uniform as required may lose their corps position and/or be reduced in rank.*

3. **MILITARY/CADET COURTESY:** The practice of saying “Yes Sir, Yes Ma’am or No Sir, No Ma’am” to any adult will be the norm. This is a long-established military courtesy that will soon become a habit.

- a. **Addressing AFJROTC instructors.** Cadets will never address instructors by their first or last name only. Cadets may use their rank / last name or just rank. Two examples are “Colonel”, “Sergeant”, Colonel Deal, or Sergeant Warren. You can also never go wrong with simply saying “Sir”.
- b. **Addressing other cadets.** A junior cadet will address a senior cadet using their cadet rank followed by their last name (ie. Cadet Staff Sergeant Sims). A senior cadet will address a junior cadet either with the last name or cadet rank/name.

4. **SALUTES:** The salute is a courteous exchange of military greeting the world over. Military personnel and cadets consider the salute a respectful greeting between members in uniform and it is one of the oldest traditions binding military professionals together. You will be taught the proper manner of saluting and the rules which govern its use among the military services.

- a. Saluting between cadets, cadet officers, and commissioned officers (ie.SASI) is always required when in uniform **outdoors**. Under a porch or awning is considered indoors for saluting purposes.
- b. The salute is rendered indoors only when cadets are reporting to cadet officers or the SASI/ASI. The proper sequence of “reporting in,” includes rendering the salute and the statement, “Sir/Ma’am, Cadet (last name) reports as ordered,” or other appropriate comments. The cadet holds the salute until it is returned or otherwise acknowledged by the officer. When the purpose of the report or meeting is completed, the cadet salutes again to report out. The officer will acknowledge the salute and the cadet will exit and leave.
- c. The salute is never given or returned while running. The cadet will come to quick time (marching) and render the salute when approximately six paces from the officer.
- d. If a cadet observes the American Flag being raised or lowered while in uniform, they will come to attention and render the hand salute until the flag has reached the summit or base of the flagstaff. If the cadet is in civilian clothes, they will come to attention, remove headgear if worn, and place their right hand over their heart until the function is complete.
- e. During the Pledge of Allegiance while in uniform, the cadet will stand at attention.

When in civilian clothes, stand at attention and place the right hand over the heart.

- f. When the cadet is outdoors in uniform and the National Anthem is played, the cadet will stand at attention, face the flag or music, and render the hand salute until the music stops.
- g. If a cadet is late for a formation, they will approach the person in charge when the formation is at a halt, salute, and request permission to fall in.
- h. Cadet officers and NCOs should correct saluting violations in a courteous manner when such violations are made by cadets' junior to them.
- i. When in uniform and both arms are full, only a verbal greeting, "Good morning, sir or ma'am", or "Good afternoon, sir or ma'am" is required. The officer will acknowledge the verbal greeting in the same manner. No salute is exchanged.
- j. The Ryan High School campus is a saluting/hat area except for the bus lane area and portable classroom area. Saluting and headgear wear is mandatory during extra-curricular activities and field trips as directed by SASI/ASI. Cadets will wear their caps outside the front of the school and to/from vehicles.

5. CLASSROOM ENTRY/EXIT PROCEDURES: Classroom instruction will begin with cadets standing at ease by their seats before the last bell. The Flight Commander and Flight Sergeant will be positioned in front of the class. The flight sergeant will call roll and mark the attendance binder. He/she will report missing cadets to the flight commander. The flight commander will then have the flight recite the pledges and AFJROTC Cadet Creed. The Flight Commander reports the flight status to the SASI or ASI. The SASI/ASI will take charge of the flight after the Flight Commander completes the daily briefing. At the end of the period, the Flight Commander will call the Flight to attention and then dismiss the Flight. All cadets will remain attentive during class or may be directed to stand at attention at the rear of the classroom.

6. TARDIES AND UNEXCUSED ABSENCES: Cadets are expected to report to ALL classes on time. Tardies will be marked in attendance as required. If a cadet is absent for a legitimate reason, it is their responsibility to ensure it is corrected by the school attendance office. These two areas will be reviewed periodically to determine a cadet's ability to participate in extracurricular activities, field trips, and award of some cadet medals.

7. CADET DAILY BRIEFING: This is one of the main forms of communication to cadets. All are expected to listen attentively to the daily briefing in class and ask for clarification as needed. The Flight Commander is responsible to ensure all members understand the brief.

8. FLAG DETAIL: Designated flights will have cadets volunteer to be on the flag detail team to raise/lower the flags on the school flagpole. If the weather is inclement (bad), check with the SASI or ASI prior to raising or lowering the flags. Do not go out into threatening weather to lower or raise the flags. There are times when the flags will be put up at "Half-

Staff". When this occurs, the flags will be raised to the top of the pole, then lowered until they are approximately half-way down. At the end of the school day, if flags are at half-staff, they will first be raised to the top of the pole, and then brought all the way down. After the flags are disconnected from the pole, cadets will properly fold both flags prior to returning to the classroom.

9. **ELECTRONIC DEVICES:** School and District policy allows LIMITED use of electronic devices in the classroom (see School's Student Handbook for specifics). For AFJROTC, cadets will **NOT** use, display, monitor, or take out their electronic devices without the express approval of the SASI or ASI. Failure to adhere to these restrictions may result in confiscation and turnover of the item to school administrators.

10. **CALLING THE ROOM TO ATTENTION:** When an administrator or military guest enters the classroom, the first person to see the visitor will call the room to attention. Cadets will remain at attention until the command "At Ease", "As you were", etc. is given. The room does not need to be called to attention if a Billy Ryan student enters the room to deliver a note, etc. but it is better to call the room to attention if you are not sure.

Note: The Flight Commander will call the room to attention when the Cadet Corps Commander enters the classroom.

11. **GENERAL CLASSROOM RULES:**

- a. **Before school:** Cadets may come to the classroom before school hours; however, no "horseplay" is allowed. Cadets will remain in the classroom or return to the Commons; in no case will loitering be allowed outside the classroom or in the hallways.
- b. **During the school day:** Normally, cadets will NOT come to the AFJROTC classroom unless they have pre-coordinated with the SASI or ASI to work on a specific project. If allowed, the cadet must be UIL eligible (not on the failure report) and that cadet will not interfere with classroom discussion.
- c. **Lunch:** The cadet classroom is "OPEN" for cadet use during the "E" lunch periods on "B" Days.
- d. **After school:** Only cadets involved in after-school AFJROTC activities should be in the classroom after school. Cadets monitoring activities will not interact or interfere with on-going team practices (APT, Drill, Color Guard) with teams they are not a member of.
- e. Cadets will **NOT** sit on desktops, tables, or any countertops in the classrooms.

12. **TELEPHONE PROCEDURES:** TX-093 cadets have access to a telephone in the SASI and ASI offices/classroom. The telephone will **not** be used by cadets without the specific permission of the SASI/ASI. Calls home to be picked up or to obtain AFJROTC related

information is considered official use. The office phone is the primary phone for SASI/ASI use. Answer the AFJROTC phone in the following manner:

“Ryan High School AFJROTC, Cadet (your last name), how may I help you?”

CHAPTER SIX

CADET GROOMING AND PERSONAL APPEARANCE

1. **EXPECTATIONS:** Cadets who enroll in AFJROTC are expected to maintain specific grooming standards to be a member of the program. Grooming standards must be met within the FIRST WEEK of enrollment. Failure to do so will result in immediate removal from AFJROTC.

2. MALE CADET GROOMING STANDARDS:

- a. **Hair:** Will be clean, well-groomed, and present a professional appearance. Will *not* contain excessive amounts of grooming aids (e.g. gel, mousse, pomade, or moisturizer), appear lopsided, touch either eyebrow, or end below an imaginary line across the forehead at the top of the eyebrows that is parallel to the ground. If applied, dyes, tints, bleaches and frostings must result in natural hair colors. Examples of natural hair colors are brown, blonde, brunette, natural red, black or grey. All cadets are authorized to wear hair in a natural color regardless of their natural born hair color. Prohibited examples (*not* all-inclusive) are burgundy, purple, orange, fluorescent or neon colors. Unauthorized: Mohawk, mullet or etched designs.
- b. **Hair Bulk and tapering:** Tapered appearance on both sides and the back of the head, both with and without headgear. A tapered appearance is one that when viewed from any angle outlines the member's hair so that it conforms to the shape of the head, curving inward to the natural termination point without eccentric directional flow, twists or spiking. A block-cut is permitted with tapered appearance. Hair will not exceed 2 inches in bulk, regardless of length and ¼ inch at natural termination point; allowing only closely cut or shaved hair on the back of the neck to touch the collar. Hair will not touch the ears or protrude under the front band of headgear. Cleanly shaven heads, military high-and-tight or flat-top cuts are authorized. Prohibited examples (not all inclusive) are Mohawk, mullet, cornrows, dreadlocks or etched shapes/design. Cadets may have one (cut, clipped or shaved) front to back, straight-line part, not slanted or curved, on either side of their head, above the temple. Part will not exceed 4 inches length or ¼ inch width. Men are not authorized hair extensions.
- c. **Sideburns and Mustaches:** You may have sideburns if they are neatly trimmed and tapered in the same manner as your haircut. Sideburns must be straight and of even width (not flared or cut to a point) and end in a clean-shaven horizontal line. They may not extend below the lowest part of the outer ear opening. Male cadets may have mustaches; however, they will be conservative (moderate, being within reasonable limits; not excessive or extreme) and will not extend downward beyond the lip line of the upper lip or extend sideways beyond a vertical line drawn upward from both corners of the mouth.

- d. **Beards: Are NOT authorized.** If a medical doctor determines a cadet cannot shave, the parent will provide documentation to the SASI for review. The SASI will submit a waiver request in WINGS for review by the HQ AFJROTC Waiver Review board. If approved, cadets will keep all facial hair trimmed not to exceed $\frac{1}{4}$ inch in length. Individuals granted a shaving waiver will not shave or trim any facial hair in such a manner as to give a sculptured appearance.

Headbands or fabric scrunchies will not exceed one inch in width. Ornaments are *not* authorized (i.e., ribbons, beads, jeweled pins).

c. Locs, braids, twists, micro-braids, French braids, Dutch braids and cornrows are authorized. Locs are defined as portions of hair that have been intentionally or unintentionally fused together to form a loc or locs. A braid or twist is two or more portions of interwoven hair. If adding additional hair, it must be a natural-looking color, similar to the individual's hair color. It must be conservative (moderate, being within reasonable limits; not excessive or extreme). Multiple locs, braids, twists or cornrows may come together down the back in one or two braids or a single ponytail. Hair must not exceed bulk standard. Headgear must fit properly. Headgear must fit properly. All locs, braids and twists, when worn will be of uniform dimension, no wider than one inch, with natural spacing between the locs, braids, and twists and must be tightly interwoven to present a neat, professional, and well-groomed appearance. When worn, multiple locs, braids, or twists shall be of uniform dimension, small in diameter (approximately ¼ inches), show no more than ¼

inch of scalp between the locs, braids, or twists and must be tightly interwoven to present a neat, professional appearance. A braid/twist must continue to the end of the hair without design and following the contour of the head and may be worn loose or in a secured style within hair standards. Exception: Micro-braids or twists are not required to continue to the end of the hair.

- d. Fingernails. Male cadets are not authorized to wear nail polish. If worn by female cadets, nail polish will be a single color that does not distinctly contrast with the female cadet's complexion, detract from the uniform, or be extreme colors. Some examples of extreme colors included, but are not limited to, purple, gold, blue, black, bright (fire engine) red and fluorescent colors. Do not apply designs to nails or apply two-tone or multi-tone colors. However, white-tip French manicures are authorized. CHAPTER SEVEN

CADET UNIFORM WEAR AND GRADING POLICY

1. **GENERAL:** The AFJROTC cadet uniform is, with certain exceptions, the same as that worn by active duty personnel. It is the distinctive dress of a proud and honorable profession. [Male cadets](#) and [female cadets](#) will learn how to wear the uniform correctly and with pride! Cadets must be aware of their responsibility for maintaining their uniform in good order and for wearing it correctly. Uniforms are issued clean and in good repair. It is each cadet's responsibility to keep it that way.

2. **UNIFORM FITTING:** The goal is to have all cadets with proper uniforms within the first 4-weeks of enrollment. Fitting will occur as time allows until all cadets have the required uniforms. All cadets will initially be fitted for the Class C uniform. Returning cadets will be fitted for other uniform combinations thereafter.

3. **UNIFORM DAY:** Uniforms will be worn on the designated A/B scheduled "UNIFORM DAY". The type of uniform to be worn or special uniform requirements for the coming week will be posted by the Corps Cadet Superintendent or 1st Sergeant before the first period on Friday the week prior. Failure to wear your uniform when directed will result in a zero for that week. *Officers and NCOs will be removed from their positions and all may be reduced in rank.*

NOTE: The uniform must be worn the entire school day to receive grade credit. The uniform may be removed for PE, dance, sports, or lab work only if prior approval is granted by the ASI. Upon completion of the activity (sports, lab, etc.), cadets **MUST** put their uniform back on unless the cadet was authorized to remove it for the last block of the day.

4. **UNIFORM GRADE AND MAKEUP POLICY:** Uniform wear is a large part of the AFJROTC program. A cadet may earn up to 100 points, weighted 60% of the total 9-week grade. *All cadets are required to **ARRIVE** at school wearing the appropriate uniform each Tuesday or Wednesday and remain in uniform until the end of the school day. Failure to do so will result in a zero for that grade.* Below are situations regarding uniform wear as it relates to the uniform grade:

- a. Cadets wearing the uniform correctly on their designated day the entire school day may earn full credit minus discrepancies found during inspection.
- b. If a cadet has an excused absence on uniform day: The cadet may wear the uniform the first day upon return to school for full credit minus any discrepancies found during the makeup inspection. Two days later, a maximum of 70%. Three days or more = a zero.

- c. Cadet has an unexcused absence on uniform day: The cadet may wear the uniform the next school day for a maximum grade of 70%. If not completed then, the grade will be a zero.
- d. Cadet fails to wear the uniform on the designated day and is present in class: Grade will be a zero with no makeup opportunity.
- e. Cadet wears the uniform, but is found wearing it incorrectly, wearing civilian clothes with the uniform, or major grooming violations: Grade will be a zero with no makeup opportunity.

WARNING

Any cadet on a co-curricular team who misses uniform wear may be suspended from the team and/or competitions. The same cadet also loses the right to wear the team cord/pin if awarded.

Hair may show in the front of the cap.

- (1) Ribbons of other JROTC services: AFJROTC cadets transferring from an Army, Navy, or Marine AFJROTC may wear the AFJROTC equivalent ribbon. Only five CAP ribbons (General Carl Spaatz Award, General Ira C. Eaker Award, Amelia Earhart Award, General Billy Mitchell Award, and General J. F. - a. The light blue shirt and blouse can be machine laundered, DO NOT BLEACH. Heavy starch will give them a crisp appearance. All uniform items will be cleaned prior to turn in.
- b. ABUs can be laundered or dry cleaned, no starch.
- c. **REMEMBER:** The uniform must be PROFESSIONALLY DRY-CLEANED, on clothes hangers, under plastic wrap, with cleaner's tags still attached, and turned in ON TIME.

- b. The uniform may only be worn for official AFJROTC events or activities that have been approved by the SASI, ASI, or Cadet Group Commander. Wearing the uniform during activities such as hitchhiking, student demonstrations, political rallies, or in any other inappropriate environment is prohibited.

CHAPTER EIGHT

CLOTHING AND EQUIPMENT ACCOUNTS

1. Protecting government and school property is each cadet's responsibility. All AFJROTC uniform items and books are loaned to you by the United States Air Force. These items remain the property of the Air Force and must always be accounted for.
2. At the time you are issued your uniform and equipment items, you will be required to sign a hand receipt and place your initials on each line for individual items. Each item then becomes your personal responsibility. If you lose it, or willfully or negligently destroy it, you will be required to pay for it.
3. One complete uniform with all accessories and insignia will be issued to each cadet. It is important to understand that all items must be turned in when a cadet leaves or is removed from AFJROTC.
4. To preclude unnecessary expense or delay for the cadet and to provide efficient turn-in of uniforms and equipment, the following suggestions are offered:
 - a. **DO NOT** leave uniform items in unlocked lockers, or unattended in other places at school.
 - b. **DO NOT** lend uniform items or insignia to other cadets or persons.
 - c. **DO NOT** permit another cadet or person to turn in or exchange your uniform or equipment items.
5. When a uniform or equipment item is lost, worn out, or becomes unserviceable, a second item will be issued, and payment determination will be made at the end of the school year. When turning in or exchanging uniform items or equipment, deal only with the designated logistics personnel or ASI.

CHAPTER NINE

CO-CURRICULAR/LEADERSHIP REQUIREMENT (LDR) ACTIVITIES

1. **JV COLOR GUARD / VARSITY ELITE COLOR GUARD:** Color Guard teams are open on a competitive basis to all cadets. This is one of the most visible activities in the unit and only the most professional cadets will be chosen to participate. The unit Color Guards present the National, State, and other flags at school and community events and compete in color guard competitions. Color guard is selected from the pool of cadets based on desire, performance, ability to drill, and academic grades. All cadets must maintain UIL eligibility to remain on either color guard team. Cadets may earn the color guard arc pin.

- a. **JV Color Guard.** Open to all cadets NEW to color guard and selection occurs each September. They will perform in the standard issued uniform. Cadets may earn ABUs at the end of 1st semester based on overall performance in the program and on color guard. Additionally, JV may compete beginning the second semester. There is no maximum number of cadets.
- b. **Varsity Elite Color Guard.** There will be a maximum of 9 cadets on the varsity team. Open to all 2nd and 3rd year cadets (must have served on the JV team), high performing 1st year cadets active with JV color guard, and selection occurs each December. Selection is based on the cadet's grades, teacher recommendations, and ability to drill which is evaluated through a try-out process. Cadets and their parents will acknowledge a one-year commitment to this team. Varsity will be issued the "honor guard" uniform.

2. **DRILL TEAM / INSPECTION TEAM:** The unit Drill Teams represent Ryan High School at drill competitions and ceremonial functions. All cadets are eligible to compete for a position on a Drill Team. Practice is held after school, and these teams require an extensive amount of time, so only the most dedicated should join. Cadets may earn the drill team arc pin.

- a. **Saber Team.** At least 9 cadets who [perform/compete with Air Force swords](#).
- b. **Armed Drill Team.** Must consist of at least 10 cadets. This team [performs with rifles](#) marching to a specific sequence based on the competition rules.
- c. **Armed Exhibition Team.** Must consist of at least 10 cadets. They will develop a [marching performance with rifles](#) with specific time constraints based on the rules of the competition.
- d. **Unarmed Drill Team.** Must consist of at least 10 cadets. This team [performs without rifles or swords](#), marching to a specific sequence based on the competition rules.
- e. **1st Year Cadet Unarmed Drill Team.** Must consist of a team commander who is in their 2nd year of AFJROTC and at least 9 cadets in their first year of AFJROTC.

Cadets on this team [perform the AFJROTC 30-command drill sequence](#) at a competition.

- f. **Inspection Team.** Must consist of at least 10 cadets. This team competes in the [inspection phase of a competition](#). Cadets must be able to perform basic drill movements and their dress, appearance, and grooming must be impeccable. Additionally, cadets are usually asked questions based on general knowledge and/or specific questions provided ahead of time to study.

3. **PHYSICAL FITNESS TEAM:** Includes both male and female teams. Unit Physical Fitness Team members train to develop enhanced individual physical fitness levels for competition. Events typically include pushups, sit-ups, pullups (males), flex arm hang (females), standing long jump, and 4x100 relay. Cadets may earn the PT Team arc pin.

4. **AWARENESS PRESENTATION TEAM (APT):** All cadets are eligible for membership on this team. The APT is formed to give presentations to elementary and middle schools to help younger students develop into good citizens and avoid self-defeating behavior patterns and chemical dependency. Members are responsible for developing their materials and participating regularly in recurring presentations. Primary team members may be awarded the AFJROTC Awareness Presentation Team Badge.

5. **MODEL ROCKETRY TEAM:** Unit members with an interest in learning more about rocketry and space science may join the Model Rocketry team. They will complete training programs, build and launch model rockets, and [compete in model rocketry competitions](#). Team members can earn the AFJROTC Model Rocketry Badge.

6. **ORIENTEERING TEAM:** Orienteering is the skill of [finding your way through a series of checkpoints](#) on an unfamiliar course using a map and a compass. Typically, a course is set in a wilderness area and the participants are timed as they complete it. Cadets may earn the Orienteering rocker arc pin.

7. **FLAG DETAIL TEAM:** This team of cadets are primarily responsible for the raising / lowering of the school flags. They must be versed in proper care of the flags and display including special occasions when they are flown at half-staff. Additionally, this team is key during flag retirement ceremonies. Cadets may earn the flag detail rocker arc pin.

8. **CYBER PATRIOT TEAM:** Cyber Patriot, the [National High School Cyber Defense Competition](#); *is* sponsored by the Air Force Association in conjunction with the USAF. This national competition excites high school students and motivates them toward careers in cyber defense and other STEM disciplines, while instilling greater national cyber security awareness in the tens of thousands reached. This year's competition starts in October, completing in the spring.

9. **ACADEMIC BOWL TEAM:** Each AFJROTC unit will be allowed one team consisting of four cadets, including two juniors, two sophomores. Freshman may "play up" in place of a sophomore. Seniors may not be included on the team. Two alternates

(one sophomore and one junior) may be named in case a team member must drop out before the end of the competition. The alternates may participate in the online testing; however, if selected to participate in the final round in Washington, DC, only four team members will attend.

10. CURRICULUM IN ACTION (CIA) FIELD TRIPS: Field trips are available to all cadets who maintain good standing in AFJROTC. These include trips to military bases, space flight facilities, museums, college campuses, airports, etc. The trips are designed to expand your knowledge about the aerospace environment in which we live. The corps typically takes one day trip during the first semester and one overnight trip during the second semester. Cadets must be UIL eligible and have written parental/guardian approval to participate.

11. SOCIAL ACTIVITIES: The unit participates in the annual Denton ISD Military Ball and hosts this event every 4 years. In addition, we have informal picnics and parties to help cadets become better acquainted with each other and have a good positive recreational experience. All official AFJROTC activities must be approved by the SASI/ASI.

12. FUNDRAISING ACTIVITIES: TX-093 sponsors fund-raising activities to generate money to purchase special equipment and support field trips and social activities. Each cadet is expected to participate in these efforts. Events are planned by the cadets as they become available.

13. COMMUNITY SERVICE PROJECTS: A large part of being in AFJROTC is “Service Before Self”. This means that cadets are expected to think of others before themselves by planning and participating in various community service activities during the year. Each cadet should establish a goal of completing at least 12 hours of community service each school year. The cadet senior leadership will ensure there are plenty of opportunities.

Note: All AFJROTC sponsored events require parental/guardian approval and supervision by the SASI/ASI. When school-sponsored transportation is provided, cadets are expected to travel and return on the school-sponsored transportation. Exceptions to this rule require prior written approval by parents/guardians.

CHAPTER TEN

CADET PROMOTIONS, CORPS COMMANDER SELECTION, and DEMOTIONS

1. Promotion provides challenge and motivation to the members of AFJROTC. Promotions reflect visible evidence of progression and standing among fellow cadets. It should be noted that promotion is evidence of growing maturity, the ability and willingness to accept additional responsibility, and a demonstrated growth of leadership.

2. Promotions are based on uniform wear and grooming, academic grades, general cadet knowledge requirements, meeting a promotion board (for SSgt-SMSGt), and demonstrated leadership abilities. Each cadet should understand how selections for command and staff positions are made to permit equal opportunity for advancement. The SASI may waive any of the requirements in this chapter based on the needs of the corps.

Note: Promotions are normally held at the end of the 1st, 2nd, and 3rd 9-week grading periods.

3. The TX-093 promotion system is patterned after the active Air Force and conforms to guidance provided by Headquarters AFJROTC. Cadets have “permanent rank” and “temporary rank”. Permanent rank is based on one enlisted stripe for each year of AFJROTC. The permanent rank is Cadet Airman for the first year of AFJROTC; Cadet Airman First Class for the second year; Cadet Senior Airman for the third year; and Cadet Staff Sergeant for the fourth year of AFJROTC. Temporary rank is any rank beyond cadet Staff Sergeant. A cadet will wear only the rank he or she has earned, and this may/may not correlate with the normal rank associated with the job position within the corps that the cadet has been assigned. New cadets will be promoted to Cadet Airman at the end of the first 9-week grading period (unless promoted due to participation in the new cadet summer orientation). Returning cadets will be awarded their rank after successful completion of the online “ranks quiz”.

4. The Unit Manning Document and Organizational Chart reflects a limited number of authorized leadership positions. To give as many cadets as possible the opportunity to experience an active leadership role, we may employ a semester rotation system. Rotation may be lateral, up, or down. Every cadet must understand and cooperate with the rotation system to obtain maximum leadership training. Each cadet is asked to give their successor the same degree of loyalty and respect they would expect for themselves. Cadets will experience both followership and leadership situations on an alternating basis, so stay flexible and responsive.

5. Cadet Staff Positions / Team Commanders:

- a. In April of each year, the unit cadet Superintendent or First Sergeant will distribute Unit Position Survey Forms to determine individual interests, goals, and desires regarding staff positions for the upcoming year. The completed surveys will be

reviewed by the incoming cadet group commander who will develop a proposed listing for SASI/ASI review. The following will be considered in selections.

- (1) Individual desire/interest.
- (2) Grade in school/years in AFJROTC.
- (3) Current rank/position.
- (4) Previous experience.
- (5) Academic performance.
- (6) Attitude/Conduct
- (7) Professionalism/Maturity.
- (8) Self-discipline.
- (9) AFJROTC participation.
- (10) Leadership ability / Attendance at a CLC

- b. To be eligible for appointment and to maintain a unit position, a cadet must possess at least a "B" in AFJROTC. They must also demonstrate an exceptional attitude, military bearing, and effective leadership potential to assume positions of higher responsibility.
- c. Cadet staff positions are normally filled by 2nd-4th year cadets. First year cadets will not normally be considered for cadet officer positions. However, consideration is given for previous military studies experience, such as Civil Air Patrol or cadets in higher grade levels. Cadets must attend a CLC to advance to a cadet officer rank, but this may be waived by the SASI based on the needs of the corps.

6. Cadet Officer Promotions: Cadet officer ranks are considered "temporary rank" and only a select number of cadets will be promoted to officer ranks. Cadets may be promoted to an officer rank at the beginning of each school year and again at the beginning of the 2nd semester. The officer corps will be comprised of those cadets with a demonstrated interest in AFJROTC as indicated by grades, demonstrated leadership abilities, and completion of the following criteria:

- a. Successfully complete a Cadet Leadership Course (if available).
- b. Maintain UIL eligibility and be of highest moral character.
- c. Apply for and be selected to fill an officer position vacancy.

d. Attend the cadet officer promotion ceremony.

e. As in the active Air Force, evaluation and promotion is based upon several factors. The Air Force calls this the “WHOLE PERSON” concept. Consideration is given to each of the following qualities:

(1) Academic Leadership: How well does the cadet perform on homework, quizzes, examinations, class projects, and uniform wear? Are assignments completed on time and in a thorough manner?

(2) Organizational Leadership: How well does the cadet function in positions of leadership in the organization? Has the cadet earned the respect of subordinates? Does the cadet give proper consideration for subordinates?

(3) Co-curricular Activity Leadership: To what degree does the cadet carry interest and enthusiasm beyond the classroom? Does the cadet demonstrate excellence in several outside team activities?

(4) Demonstrate Integrity: There are many ways in which a cadet can show integrity. The most evident include doing the right thing even when no one is looking, owning up to mistakes; not shifting the blame on others, and modeling expected behavior of other cadets.

(5) Service before Self: How active is the Cadet regarding service to the community, school, and the cadet organization?

(6) Excellence: Does the cadet strive to do their best each and every day?

f. Officer Oath: New cadet officers will be required to attend a promotion ceremony where they will recite the officer oath as written below:

“I, (state your name) _____, hereby accept appointment as a cadet officer in the Air Force Junior Reserve Officer Training Corps, with full knowledge of the duties and responsibilities attached to this position. I will live by and uphold the Cadet Honor Code. I will always seek integrity first, service before self, and excellence in all I do. I will model expected behavior and be a mentor to junior cadets. I will perform the duties of my position, accept responsibility, and conduct myself as a cadet officer at all times. I further understand that I must continue throughout the school year to demonstrate my ability to hold the office to which I have been appointed.”

Note: the SASI has final approval authority/waiver for all officer promotions.

9. Enlisted Cadet Promotions: Cadet may progress through the enlisted cadet ranks from Cadet Airman Basic through Cadet Senior Master Sergeant. There are three opportunities for cadets to apply for promotion, once at the end of 1st, 2nd, and 3rd quarters.

a. Standard Promotion:

(1) Every cadet applying for promotion must be prepared to demonstrate the criteria outlined in this guide.

(2) All Cadets must submit a Promotion Request Form to their flight commander for promotion consideration. Flight Commanders will forward this form to cadet Training Squadron Commander who will coordinate the forms for approval and signatures.

(3) Every cadet applying for promotion to a rank of Cadet Staff Sergeant and above must attend the cadet evaluation board for an interview. Cadets will be scheduled for an interview date/time and will be required to wear their Class A dress uniform for the board.

b. Field Promotion: Field Promotions are issued directly by the SASI for outstanding performance by a cadet going beyond the call of duty.

c. Below the Zone Promotion: These promotions are given to enlisted cadets who have been model cadets and performed above and beyond. Cadet senior staff may hold a BTZ board when necessary for these cadets.

10. Cadet Promotion Board: A cadet promotion board will be convened by the Corps Commander three times per year. The promotion board will consist of up to four members but will include the Group Superintendent or Group First Sergeant for enlisted cadet promotions:

a. Chairperson (as determined by the Training SQ/CC): This cadet will ask one question regarding accomplishments in the corps and reasons for promotion. This cadet will also be the presiding officer over the board and is responsible for the discipline/conduct of board members and the board's overall standardization.

b. Other Board Members: These cadets will ask all knowledge questions and review all requirements for cadets testing for any rank above Cadet Senior Airman.

11. The chart on the following page outlines the mandatory requirements that must be met before the cadets are eligible for a standard promotion.

12. Corps Commander Selection Process. Any cadet becoming a Junior or Senior the upcoming school year may apply for corps commander. All cadets competing for one of the corps commander positions will complete an application and submit it to the ASI. The board will consist of the SASI, ASI, one of the outgoing Corps Commanders, and a school administrator/teacher. Board members will score the individual applications prior to the board. Each board member will ask the interviewee opinionated questions to determine the cadet's ability to think under pressure. Finally, the SASI will take all board member's scores and compile that information along with other factors to determine selections for the

upcoming year.

13. Cadet Demotions: Cadets may be reduced in rank for cause at any time during the school year. A Cadet demotion board will consist of the Group Commander, Vice Group Commander, and Chief of Staff. An Enlisted Cadet demotion board will consist of the Group Commander, Vice Group Commander, and the Group Superintendent or First Sergeant. The board's decision will go to the SASI for final approval. Cadets may be demoted by the SASI for cause at any time. Reasons for demotion include but are not limited to:

- a. Failure to maintain a passing grade in AFJROTC.
- b. Failure to satisfactorily perform duties as outlined in the cadet guide job descriptions.
- c. Failure to maintain grooming standards, wear the AFJROTC uniform or PT Uniform.
- d. Failure to maintain the additional standards of professionalism as expected for a cadet officer or NCO (such as unsatisfactory uniform wear).

CHAPTER ELEVEN

ORGANIZATION OF TEXAS-093, AFJROTC CADET CORPS

1. **ORGANIZATION:** The unit will be organized as a Cadet Group with three squadrons to include Support, Operations, and Training Squadrons.

2. **CHAIN OF COMMAND:** The organizational chart (see Attachment 1) reflects a “Chain-of-Command” by a solid line connecting the functions or positions. Information, guidance, and decisions flow down the chain of command in oral and written instructions. Information and recommendations also flow up the chain of command. Information flow and coordination between lateral functions is also necessary for efficient staff functioning. Unless there is a free communication flow throughout the organization, the unit will quickly become ineffective. The Corps Commander, the SASI and the ASI have an “open door” policy, meaning, if a cadet has a sensitive issue or feels it is inappropriate to use their chain of command, a cadet may address a concern directly with them without using their normal chain-of-command.

3. **UNIT MANNING DOCUMENT:** Authorized leadership positions are shown in the Unit Manning Document below. Cadets must learn the duties and responsibilities of assigned positions. Promotion up the chain of command will be based on job performance and potential for more responsibility.

CADET HEALTH AND WELLNESS PROGRAM

1. The cadet health and wellness program is organized and performed by the cadets. The cadet PT Team Commander has overall responsibility for this in developing an exercise program for the entire school year. All cadets participating must have a completed/signed fitness screening questionnaire on file with the unit.

UNIT STAFF MEETING PROCEDURES

1. The corps commander will hold staff meetings at least twice per month.
2. Staff meetings are held to provide the opportunity for face-to-face communication between the commander and the staff. It is a vehicle for corps problem solving and allows the cadet staff to participate in the unit planning and remain informed about issues and activities of importance to the unit goals and objectives. It is the responsibility of designated Corps Staff members to be present at staff meetings. Failure to attend staff meetings could result in loss of position/rank.
3. The following staff meeting procedures applies:
 - a. The group commander will normally conduct the meeting. The ranking officer will chair in the commander's absence. Meetings will not be cancelled due to absences.
 - b. A meeting agenda will be created. The agenda will be approved by the commander and include at a minimum a status report of each Sqn Commander (OPS, SS, TNG) and status of unit goals. Final agenda approval is by SASI/ASI. (Agenda will be finalized one full day prior to the staff meeting).
 - c. The Information Management Officer (or NCOIC), will serve as recorder and prepare minutes (template on google drive) of each meeting detailing decisions reached, actions taken, and assignments made with detail concerning the action officer/specialist and project suspense dates to be met. The staff meeting report will be submitted to the CC within 3 school days of the meeting. After approval, a copy of the minutes will be posted on the unit bulletin board, with the electronic copy posted on google drive.
 - d. The group commander will follow-up on all pending actions directed during the unit staff meeting to ensure that the responsible staff member accomplishes their required actions.
5. The meeting will begin with a status report from all Sqn Commanders. The group commander will brief staff on special interest items and unit policy. Subsequently, briefings will be given by other staff members on the status of upcoming activities, suspense, problem areas, and recommended solutions. When possible, issues brought before the staff should be put forth in the "completed Staff Work" format, i.e., problems, options, and recommended solutions.

AIR FORCE RANK AND INSIGNIA

“Rank” and “grade” are terms used by the military to classify service members. Rank is the actual title held by a service member, while grade is a letter/number combination that means the same thing. Service members are classified as either enlisted or officers. The following chart (on the next pages) identifies the rank and grade for airmen in the U.S. Air Force.

ENLISTED					
E-1	E-2	E-3	E-4	E-5	E-6
No Insignia					
Airman Basic	Airman	Airman First Class	Senior Airman	Staff Sergeant	Technical Sergeant
E-7		E-8			
					
Master Sergeant	First Sergeant	Senior Master Sergeant	First Sergeant		
E-9					
					
Chief Master Sergeant	First Sergeant	Command Chief Master Sergeant	Chief Master Sergeant of the Air Force		

(The Air Force no longer uses Warrant Officer grades.)

OFFICERS					
O-1	O-2	O-3	O-4	O-5	O-6
					
Second Lieutenant (Gold)	First Lieutenant	Captain	Major (Gold)	Lieutenant Colonel	Colonel

FLAG OFFICERS				
O-7	O-8	O-9	O-10	O-11
				
Brigadier General	Major General	Lieutenant General	General	General of the Air Force (Wartime only grade)

Within the enlisted ranks are two divisions based on experience and skill. The first three enlisted positions are usually entry level. Noncommissioned officers are those personnel who have advanced above the first three entry level positions and are in a supervisory position over personnel in lower grades.

Commissioned officers are appointed by the President and confirmed by the Senate. Commissioned officers have authority over lower ranking officers, warrant officers, and enlisted personnel.

The “E” and the “O” followed by a number identifies that person’s PAY GRADE, or in other words, how much that person is paid monthly based on the pay scale. As an example, a Master Sergeant is an E-7 or a Colonel is an O-6.
