## Facilities

### Testing Rooms:

Current I&E and Lit Crit contests will be in the Renaissance Hall.  
Number Sense, Calculator, Mathematics, Science, and Computer Science contests will be in the Band Hall.  
All other competitions will be in assigned classrooms.

**Coaches' Hospitality:** Coffee and a light meal for coaches will be provided.

**Concessions:** The Commons will be open all day for students not in testing. There will be a full concession stand available in the Commons area for both breakfast and lunch. There are no eating places within walking distance of Ryan High School.

**Awards:** Award ceremonies will be in the Commons as each contest is completed.

## Awards

In each division, large school and small school, the following awards will be given:

- One individual trophy to each of the top **six** individuals in each event.
- One individual trophy to the high scorer in the Biology, Chemistry, and Physics sections of the Science contest.
- One team trophy (and an individual trophy to each member) to the top Accounting, Calculator, Mathematics, Computer Science, Current Issues & Events, Literary Criticism, Number Sense, Science, and Spelling teams.  
One team trophy for the top Journalism and team.
- Sweepstakes team awards will be given to the top three high schools. Sweepstakes points will be the sum of the team scores as outlined in the 2015-16 C&CR for the UIL Spring Meet Contests.

**Note:** All 1A, 2A, 3A and 4A schools will compete in the Small School division; all 5A and 6A schools will compete in the Large School division. Non-UIL schools may compete in the division as determined by their size.

**Rules:** UIL rules will apply. Coaches are responsible for checking their own students' papers after they have been graded to confirm correct scores. After the awards ceremony begins, no changes will be made because of incorrect scoring or keys.

**In the event of inclement weather check [www.dentonisd.org/rhsuil](http://www.dentonisd.org/rhsuil) for updates.**

## Special Information about Academic Contests

- **Computer Applications** will be limited to **2** students per school. Contestants must bring their own computer and printer as well as paper, a power strip, and an extension cord.
- **Ready Writing** will be limited to **2** students per school. Event will be hand written. Computers may not be used. Contestants must bring paper and pen (no pencil).
- **Journalism** events will be hand written. Computers may not be used.
- **Computer Science** - Students will compete individually for individual awards. Schools with at least three entries will compete for the team awards using their best three scores from the individual competition. No calculators will be allowed. Written test only.
- **Current Events** - No team may have more than four members. Schools may enter up to two teams.
- **Spelling, Accounting, and each Journalism event** will be limited to **4** students per school.
- **Coaches are expected** to help grade the literary contests (except Ready Writing) and provide judges for speaking events. There will be experienced people in charge of each event.
- **Contests may be closed when maximum capacity is reached in a contest room.** Please have entry numbers as close to the actual number of entries as possible.

### Registration Process and Fees for Non-speaking Events
