More Fun Stuff:

You will be contacted by your officer at some point this summer about squad practices. Make sure you know when and where they will be held! Also, don't forget to STRETCH, practice your TECHNIQUE, and stay ACTIVE! You will be a much happier camper if you stay limber and in shape during the summer! We are so excited to have you on our team this year! **Take each day one day at a time!** It will be hard, at points, but it will be so worth it by the time Spring Show rolls around! Get ready to make some AMAZING friendships, learn some OUTSTANDING routines, become an IMPROVED dancer and learn all about what it means to be an exemplary student!! Strutters are proud to represent Ryan High School in a dignified manner, and we are proud to have YOU!
