

RHS Strutters Personal Internet Profiles Position Statement

Your membership with the Strutters is a privilege, not a right. As a Strutter, there is a high expectation for you to conduct yourself in a 'lady-like' manner at all times by the Director and the RHS administration. This includes any form of internet post, profile, blog or website connected to you or about you. Your internet pages/spaces provide much information about you in a public venue. From the information you provide, the pictures you link, and the bulletins posted, a profile is established about your character and online reputation. It is important that you take as much care with this 'online' reputation as you do with your 'real life' reputation. You are responsible for your profile. This profile is an extension of you, and directly affects, and reflects upon, the Strutter organization.

The following will be required for your internet profiles:

- Have a password protected profile and only allow people you know to have access. Consider allowing your parents access to your site.
- No inappropriate pictures (such as those taken in under garments, revealing swimwear, plunging necklines, smoking, alcohol, drug paraphernalia, or anything sexual in content.)
- Do not post or keep any posts of foul language or sexually explicit comments.
- Do not choose to support advertisements on your profile that promote alcohol, smoking or sexually explicit materials.
- Request friends who post inappropriate photographs to delete them, and always "un-tag" your name from pictures that cannot be deleted.
- Do not bully other students on profiles or chat forums, or participate in any such conversations.
- Do not post negative comments related in any way to RHS or the Strutters.
- Do not take or exchange nude or partially dressed photographs of yourself or others via cell phone or internet.
- Do not re-post or re-tweet any posts from another profile that contain inappropriate material or foul language.
- Should the Director have a Strutter Facebook set up, all Strutters must "friend" this profile to receive reminders, etc. from teammates and the Director.

Protocol for your Profile:

If you have inappropriate material on your profile, you will be asked to remove it immediately and you will receive a demerit(s). If the problem continues, more demerits will be assigned and parents will be contacted. Severe cases could result in removal from the team.

Illegal or Inappropriate Content:

If you have any illegal content or information displayed on your profile, or any is found on any other profile or internet site, you will be held to either the RHS Code of Student Conduct or the Extracurricular Code of Conduct rules and regulations.
