

Welcome to Anime Club

This is a time and space for students to share their love of anime with other students. Anime club will be on the dates that are listed below. During anime club, we will watch and discuss anime, as well as create illustrations of our favorite anime. All of the videos the students will watch will be rated PG, G, TV-G, or TV-PG. TV-14 may be shown, but will only include mild language. We let the students make a list of the anime they wish to watch and then take a vote on it. Anime club meetings are the first and third Wednesday of the month, with the exception of January & May. See dates below.

There is a membership fee of \$5 to join anime club.

We will also be taking any snack donations. Please contact us for details.

Please fill out the bottom portion of the permission slip and return it to Mr Hernandez (room 126) with a payment of \$5 by September 18th.
