

Dear Parents,

We would like to share with you tool that you can access during school closures to support your child's social skills and social emotional learning. The program provides resources to support your own wellness during this difficult time as well as evidenced based resources, strategies and tools for your child to support improving social and emotional wellness as well as to decrease and manage problem behavior. The program is called Rethink Ed and is designed to put evidenced based resources and tools in the hands of educators and those working with children/students.

Your parent login will allow you to access the following features:

- Online-Video Training Course for Adults- "Social Emotional Learning, Mental Health and Equity"
- Access to videos, activities and resources for skills that your child is working on
- Online access to live and recorded webinars from experts Social Emotional Learning, Psychology and Mental Health on a wide range of topics
- Access to a library of 100's of quality printable resources to use at home to promote learning
- Strategies and suggestions for at-home social emotional learning activities
- Access to lesson instructions and home strategies in English and Spanish
- Access to your child's online activity center to practice basic academic skills and watch Social skills videos (*note-access will depend on skills and videos assigned by district)

Your district will provide you a registration link where you can create your own account to access these great resources.

If you would like a Rethink Ed Account, please follow the steps below:
