DENTON I.S.D./BOOSTER CLUB RELATIONSHIPS

- Booster Club organizations may be formed to promote the school program or to compliment a particular student group or activity.
 - Students enrich their education and expand their horizons when they participate in school activities and programs.
 - The District greatly appreciates the time, effort and financial support that the Booster Clubs provide to our students.
- Even though a Booster Club works very closely with the District, it is a separate entity from the District.
 - However, the formation of a Booster Club must be approved by the appropriate District Principal or Administrator.
 - In addition, a Booster Club must abide by all Denton ISD policies, University Interscholastic League (UIL) regulations, Federal laws and Texas State laws concerning Booster organizations.

District or Booster Club EVENT

 Question: "Is this event a Booster Club or Campus/Student Club event?"

 The determining factor of who owns an event is "Who has the decision authority over the of the event"

Monetary support alone is not the deciding factor. A Booster

 but they have no authority to decide the activity or trips in which the
 campus or student club participate.

District

- School has the decision authority over the event
- Students may be required to participate
- Student fees are collected in relation to the event
- Example: Student group trip
- Example: Competition participation
