## Welcome to Fred Moore Day Nursery School

Dear Families,

We are so excited to welcome you and your family to our center. We are honored to be chosen to partner with you for your child's educational experience.

Here at Fred Moore Day Nursery School our mission is to serve families in our community by offering comprehensive, affordable and well-balanced care for children in a quality learning center.

Our goals are to provide a warm and nurturing environment that encourages the development of the whole child. We strive to provide an environment that encourages families and teachers to work together as partners to encourage children's independence through decision making and understanding.

We provide quality care to families at a reduced rate using a sliding scale based on income and household size. As Denton ISD's first public early childhood school, we utilize a high quality curriculum in order to help children prepare for kindergarten beginning as early as 6 weeks old.

We welcome parents into our centers and hope that you will freely and frequently stop by or participate actively in your child's learning experience. We use ProCare Connect to keep families informed and connected to their students while they are here at school. You can message our Administrative team and your child's teacher directly through the ProCare app. You will receive an email link with the steps to complete so you can be connected to your child's class once we place them in a room.

This enrollment form ensures we have all the information necessary to meet you and your child's needs, while helping us get to know you and your family and complying with licensing regulations and demographic reporting data. We know this packet can be extensive, so we are here to help with any step of the way. Please complete all the portions except ones that are for staff only or are highlighted in Blue, we will take care of that part once we receive your completed enrollment packet. We have highlighted all the required information in yellow to help with the completion process.

We will communicate with you and set up a time for us to review our Family Handbook with you and to go over your enrollment paperwork prior to your child beginning care.

We are committed to making sure your experience here with us is a positive one, and your children are in a safe, healthy environment where they can flourish and grow. Please feel free to call us any time with any questions or concerns you may have.

Here at Fred Moore Day Nursery School we believe it takes a village, and we are thankful to be chosen to be a part of yours.

We are happy you are here, and we look forward to getting to know you.

Welcome to our Village,

Parent/Guardian:

This letter is intended for parents or guardians of children enrolled in a child care center. Fred Moore Day Nursery School offers healthy meals to all enrolled children as part of our participation in the U.S. Department of Agriculture's (USDA) Child and Adult Care Food Program (CACFP). The CACFP provides reimbursements for healthy meals and snacks served to children enrolled in child care. Please help us comply with the requirements of the CACFP by completing the attached Meal Benefit Income Eligibility Form. In addition, by filling out this form, we will be able to determine if your child(ren) qualifies for free or reduced price meals.

1. Do I need to fill out a Meal Benefit Form for each of my children in day care? You may complete and submit one CACFP Meal Benefit Income Eligibility Form for all children enrolled in child care in your household only if the children in child care are enrolled in the same center. We cannot approve a form that is not complete, so be sure to read the instructions carefully and fill out all required information. Return the completed form to:  
Fred Moore Day Nursery School, 821 Cross Timber Street,  
Denton, TX 76205; (940) 369-2345
2. Who can get free meals without providing income information? Children in households getting Supplemental Nutrition Assistance Program (SNAP) (formerly Food Stamps), Temporary Assistance for Needy Families (TANF), or Food Distribution Program on Indian Reservations (FDPIR) can get free meals. Foster children (reference question #8 for more information on foster children) and children enrolled in a Head Start Program (HSP), Early Head Start Program (EHSP), or Even Start Program (ESP) and have not entered kindergarten) are also eligible for free meals. Households with children enrolled in a HSP, EHSP or ESP can provide a certification letter from the program of the child's enrollment and do not need to complete the CACFP Meal Benefit Income Eligibility Form.
3. Who can get reduced price meals? Your children can get low cost meals if your household income is within the reduced price limits on the Income Chart, sent with this application. Children in households participating in WIC may be eligible for reduced price meals.
4. May I fill out a form if someone in my household is not a U.S. citizen? Yes. You or your children do not have to be U.S. citizens to qualify for meal benefits offered at the child care center.
5. Who should I include as members of my household? You must include everyone in your household (such as grandparents, other relatives, or friends who live with you) who shares income and expenses. You must include yourself and all children who live with you. You also may include foster children who live with you.
6. How do I report income information and changes in employment status? The income you report must be the total gross income listed by source for each household member received last month. If last month's income does not accurately reflect your circumstances, you may provide a projection of your monthly income. If no significant change has occurred, you may use last month's income as a basis to make this projection. If your household's income is equal to or less than the amounts indicated for your household's size on the attached Income Chart, the center will receive a higher level of reimbursement. Once properly approved for free or reduced price benefits, whether through income or by providing a current SNAP, TANF, FDPIR case number, you will remain eligible for those benefits for 12 months. You should notify us, however, if you or someone in your household becomes unemployed and the loss of income causes your household income to be within the eligibility standards.
7. What if my income is not always the same? List the amount that you normally get. For example, if you normally get \$1000 each month, but you missed some work last month and only got \$900, put down that you get \$1000 per month. If you normally get overtime, include it, but not if you only get it sometimes.
8. What if I have foster children? Foster children that are under the legal responsibility of a foster care agency or court are eligible for free meals. Any foster child in the household is eligible for free meals regardless of income. Households may include foster children on the Meal Benefit Form, but are not required to include payments received for the foster child as income. Households wishing to apply for such benefits for foster children can provide the Texas Department of Family and Protective Services Form 2085FC, Placement Authorization Foster Care/Residential Care, to their child's caregiver and do not need to complete the CACFP Meal Benefit Income Eligibility Form.
9. We are in the military, do we include our housing and supplemental allowances as income? If your housing is part of the Military Housing Privatization Initiative and you receive the Family Subsistence Supplemental Allowance, do not include these allowances as income. Also, in regard to deployed service members, only that portion of a deployed service member's income made available by them or on their behalf to the household will be counted as income to the household. Combat Pay, including Deployment Extension Incentive Pay (DEIP) is also excluded and will not be counted as income to the household. All other allowances must be included in your gross income.
10. (Pricing program only) Will the information I give be verified? Maybe. We may ask you to send written proof to verify the information you submitted on the form. What if I disagree with the decision about the information I complete on this form?

You can talk to Chanel Knott, either in person or by telephone at 940-369-2345. You may ask for a hearing by calling or writing to:

### Privacy Act Statement:

The Richard B. Russell National School Lunch Act requires the information on this application. You do not have to give the information, but if you do not, we cannot approve the participant for free or reduced price meals. You must include the last four digits of the Social Security Number of the adult household member who signs the application. The Social Security Number is not required when you apply on behalf of a foster child or you list a Supplemental Nutrition Assistance Program (SNAP), Temporary Assistance for Needy Families (TANF) Program or Food Distribution Program on Indian Reservations (FDPIR) eligibility number for the participant or other (FDPIR) identifier or when you indicate that the adult household member signing the application does not have a Social Security Number. We will use your information to determine if the participant is eligible for free or reduced price meals, and for administration and enforcement of the Program.

### Non-discrimination Statement:

In accordance with federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, this institution is prohibited from discriminating on the basis of race, color, national origin, sex (including gender identity and sexual orientation), disability, age, or reprisal or retaliation for prior civil rights activity.

Program information may be made available in languages other than English. Persons with disabilities who require alternative means of communication to obtain program information (e.g., Braille, large print, audiotope, American Sign Language), should contact the responsible state or local agency that administers the program or USDA's TARGET Center at (202) 720-2600 (voice and TTY) or contact USDA through the Federal Relay Service at (800) 877-8339.

To file a program discrimination complaint, a Complainant should complete a Form AD-3027, USDA Program Discrimination Complaint Form which can be obtained online at: <https://www.usda.gov/sites/default/files/documents/USDA-OASCR%20P-Complaint-Form-0508-0002-508-11-28-17Fax2Mail.pdf>, from any USDA office, by calling (866) 632-9992, or by writing a letter addressed to USDA. The letter must contain the complainant's name, address, telephone number, and a written description of the alleged discriminatory action in sufficient detail to inform the Assistant Secretary for Civil Rights (ASCR) about the nature and date of an alleged civil rights violation. The completed AD-3027 form or letter must be submitted to USDA by:

- (1) mail: U.S. Department of Agriculture  
Office of the Assistant Secretary for Civil Rights  
1400 Independence Avenue, SW  
Washington, D.C. 20250-9410; or

## CACFP INFANT FEEDING PREFERENCE

Dear Parent/Guardian,

This child care provider participates in the Child and Adult Care Food Program (CACFP) and receives USDA reimbursement for serving nutritious meals to infants according to program requirements. Participation in this program requires child care providers to follow specific meal patterns according to the age of the infant.

If your child is exclusively breastfed, child care providers participating in the CACFP can feed your infant the breast milk you supply and meet the meal pattern requirements. Breastfeeding is widely recognized as the best source of nutrition for infants.

The Institute of Medicine and the American Academy of Pediatrics recommend that adults/caregivers, who work with infants and their families, promote and support exclusive breastfeeding for the first six months and continuation of breastfeeding in conjunction with complementary foods for 1 year or more, and the Texas Department of Agriculture (TDA) encourages child care provider's to dedicate a space for mothers to breast feed their infants on site.

Child care providers participating in the CACFP **are required** to offer at least one infant formula for infants who are enrolled for child care. You may decline the infant formula offered, and supply breast milk and/or your own preferred infant formula.

Additionally, when you determine in consultation with your physician that your child is developmentally ready, the child care provider will also be **required** to offer infant cereal and other foods. As with infant formula, you can decline the infant cereal and other foods offered and provide those items to your child care provider. It is important to note that your child care provider will not receive reimbursement for meals that contain more than one parent provided component. Speak to your child care provider to understand what components are required for your infant's meal and the exceptions made for infants with disabilities, so that your infant receives the most nutritious meal possible.

**It is very important that you indicate your preferences on the form that follows so we can honor the nutrition choices you have made for your family.** Please complete the information below to designate your preference for infant formula, infant cereal and other foods.

Call ECI for an evaluation or more information

1-888-754-0524  
817-446-8000

Services are provided in places familiar to the child: where they live, learn and play, such as the home, childcare or community setting.

## More About ECI

### Our Mission

To assure that families of young children with developmental delays have the resources and support they need to reach their goals.

### WHAT IS A DEVELOPMENTAL DELAY?

A developmental delay is when a child is behind schedule reaching early childhood milestones. These significant lags may occur in one or more areas of growth: emotional, mental or physical.

Types of delays:

- Communication – speech and language
- Cognitive – thinking and learning
- Motor - movement
- Social/emotional – relationships, interactions
- Self-help – feeding, dressing

REMEMBER: Children develop at their own pace. However, if you are concerned that your child may have some delays, early intervention is the best way to help them. Call ECI for an evaluation. If you are eligible, ECI will determine your need and recommend services. Fees are based on a sliding scale.

## Eligibility

To receive services through Early Childhood Intervention, you must be eligible\* in the following ways:

- Live in one of these counties:
  - Denton
  - Ellis
  - Erath
  - Hood
  - Johnson
  - Navarro
  - Palo Pinto
  - Parker
  - Somervell
  - Tarrant
  - Wise
- Have a medically diagnosed condition that will probably result in a developmental delay ([see brochure below](#))
- Have a developmental delay or difficulty with these skills:
  - Communication – language or speech
  - Cognitive – thinking, learning, playing, reasoning
  - Motor – physical development
    - Gross motor, such as using large muscles, to sit up, crawl, walk
    - Fine motor, such as using small muscles, to grab small objects
    - Oral motor, such as using the mouth, to suck, chew
  - Social/emotional – curious, enjoys playtime, interacts with others
  - Self-help – Taking care of own needs (eating, drinking, washing hands, potty training)
- Have an auditory or visual impairment, determined by local school district certified staff.

## The Special Supplemental Nutrition Program for Women, Infants and Children (WIC Program)

**WIC**

**Since 1974**  
The Foundation of  
Healthy Families

**What is WIC?** WIC was established as a permanent program in 1974 to safeguard the health of low-income women, infants, and children up to age 5 who are at nutritional risk. This mission is carried out by providing nutritious foods to supplement diets, nutrition education (including breastfeeding promotion and support), and referrals to health and other social services. Find out more: <http://www.fns.usda.gov/wic/about-wic-wic-glance>

### Where is WIC available?

The program is available in all 50 States, 34 Indian Tribal Organizations, American Samoa, District of Columbia, Guam, Commonwealth of the Northern Mariana Islands, Puerto Rico, and the Virgin Islands. While funded through grants from the Federal Government, WIC is administered by 90 State agencies, with services provided at a variety of clinic locations including, but not limited to, county health departments, hospitals, schools, and Indian Health Service facilities. To find the WIC offices serving your area go to: <http://www.fns.usda.gov/wic/contacts>

### What food benefits do WIC participants receive?

The foods provided through the WIC Program are designed to supplement participants' diets with specific nutrients. WIC authorized foods include infant cereal, baby foods, iron-fortified adult cereal, fruits and vegetables, vitamin C-rich fruit or vegetable juice, eggs, milk, cheese, yogurt, soy-based beverages, tofu, peanut butter, dried and canned beans/peas, canned fish, whole wheat bread and other whole-grain options. For infants of women who do not fully breastfeed, WIC provides iron-fortified infant formula. Spe-

cial infant formulas and medical foods may also be provided if medically indicated. Learn more about food benefits here: <http://www.fns.usda.gov/wic/wic-food-packages>

### Program benefits include more than food.

WIC benefits are not limited only to food. Participants have access to a number of resources, including health screening, nutrition and breastfeeding counseling, immunization screening and referral, substance abuse referral, and more. Find out more: <http://www.fns.usda.gov/wic/wic-benefits-and-services>

### Am I eligible?

Pregnant, postpartum, and breastfeeding women, infants, and children up to age 5 who meet certain requirements are eligible. These requirements include income eligibility and State residency. Additionally, the applicant must be individually determined to be at "nutrition risk" by a health professional or a trained health official. To find out if you might be income eligible for WIC benefits go to: <http://wic.fns.usda.gov/wps/pages/start.jsf>

## How WIC Helps

WIC supplemental foods have shown to provide wide ranging benefits. They include longer, safer pregnancies, with fewer premature births and infant deaths; improved dietary outcomes for infants and children; improved maternal health; and improved performance at school, among others. In addition to health benefits, WIC participants showed significant savings in healthcare costs when compared to non-participants. Learn more about how WIC helps:

<http://www.fns.usda.gov/wic/about-wic-how-wic-helps>

## What is “nutrition risk” and why is it important?

Two major types of nutrition risk are recognized for WIC eligibility: medically-based risks such as anemia, underweight, history of pregnancy complications, or poor pregnancy outcomes; and dietary risks, such as inappropriate nutrition/feeding practices or failure to meet the current Dietary Guidelines for Americans. Women, infants, and children at nutrition risk have much greater risk of experiencing health problems. Learn more about nutrition risk:

<http://www.fns.usda.gov/wic/wic-eligibility-requirements>

## I’m eligible, what do I do next?

Those who are interested in applying for benefits should contact their State agency to request information on where to schedule an appointment. Applicants will be advised on what to bring to the appointment in order to verify eligibility. Contact your State agency here:

<http://www.fns.usda.gov/wic/contacts/>

## EBT makes it easier to use food benefits.

In most WIC State agencies, participants receive paper checks or vouchers to purchase food, while a few distribute food through centralized warehouses or deliver the foods to participants’ homes. However, all WIC State agencies have been mandated to implement WIC electronic benefit transfer (EBT) statewide by October 1, 2020. EBT uses a magnetic stripe or smart card, similar to a credit card, that participants use in the check-out lane to redeem their food benefits. EBT provides a safer, easier, and more efficient grocery experience and provides greater flexibility in the way WIC participants can shop. Find out more and check if your State supports EBT:

<http://www.fns.usda.gov/wic/wic-electronic-benefits-transfer-ebt>

## Focus on breastfeeding.

Even though breast milk is the most nutritious and complete source of food for infants, nationally less than 30% of infants are breastfed at 1 year of age. A major goal of the WIC Program is to improve the nutritional status of infants; therefore, WIC mothers are encouraged to breastfeed their infants, unless medically contraindicated. Pregnant women and new WIC mothers are provided breastfeeding educational materials and support through counseling and guidance. Explore the benefits of breastfeeding and find helpful resources here:

<http://www.fns.usda.gov/wic/breastfeeding-promotion-and-support-wic>

## WIC Facts

- If you participate in another assistance program you may be automatically income-eligible for WIC.
- Breastfeeding mothers are eligible to participate in WIC longer than non-breastfeeding mothers.
- More than half of the infants in the U.S. participate in WIC.
- WIC participants support the local economy through their purchases.
- WIC works with farmers markets to help increase participant access to provide fresh, locally grown fruits and vegetables. Find out more here:

<http://www.fns.usda.gov/fmnp/wic-farmers-market-nutrition-program-fmnp>
