Hello Texans,

We are so excited to get our 2022-2023 school year started! At Sam Houston, it is important to us that we connect with our families throughout the school year, build relationships with the community, and ensure all students are learning at high levels. We want to provide as many opportunities as we can for families to be involved on campus this school year. We have a unique opportunity to rebuild after several year of closed doors and we are super excited to have our Sam Houston families as part of our journey.

Below the many ways you will be able to visit us during the year:

- Meet the Teacher Night
- Volunteering
- Fall Carnival in October
- Classroom parties and learning celebrations
- Lunch on campus with your child
- Curriculum Nights/STEM Night
- Fine Arts performances
- PTA-sponsored family engagement events
- Field Trips
- Field Day

******In order to allow teachers to focus their supervision safely on students and avoid large crowds in the hallways as children arrive, we will not allow visitors to walk their children to classrooms in the morning throughout the school year. However, because we know it is important for families to get to know their child's teacher, snap those memorable pictures, and know where your child's classroom is, we are allowing families of students in all grade levels to walk their children to class on Thursday, August 11th, and Friday, August 12th. In addition, our Pre-K and Kinder parents may walk their children to class on Monday, August 15th. Please bring your photo ID and be prepared to follow all campus sign-in procedures. We will have tables set up in the front foyer where we will collect ID's and ask that you sign in on the sheet provided. We will need grace and patience with the crowd as we work to ensure the safety of our campus is the number one priority. Please be prepared to exit the building by 7:40 am so we can start our day of learning.******

We are looking forward to partnering with you and having a great year together!

Tiffany & Michelle
