# Alexander Elementary Family Handbook

2023-2024

#### Daily Schedule: Arrival, Lunch & Dismissal, Late Pick-ups

#### Arrival

- Daily Schedule: Doors open at 7:15AM.
  - Students dropped off prior to 7:15AM are unsupervised. Alexander staff monitoring begins at 7:15AM.
- Breakfast is served 7:15-7:35AM
  - Students who arrive before 7:30AM walk to either the cafeteria or sit outside their classrooms and are monitored by school personnel.
- Students should be in their classrooms before the 7:40AM schoolbell.
  - Students are escorted into the Front Office when arriving after 7:40AM.

### Lunch

- School Cafe account to add money and look at the menu for breakfast and lunch.
- Parents are welcome to come have lunch with their child. Parents and visitors may sit on the stage with their child.
- Food can be brought into the Cafeteria for parent's personal child.

### Daily Schedule: Arrival, Lunch & Dismissal, Late Pick-ups

#### **Dismissal**

#### Walkers:

- Dismiss at 2:55PM
- Students dismissing as a walker will need to be off campus by 3:05PM.
- Any students not picked up by 3:05pm will be taken to the Front Office and a guardian must fill out the "Late Pick-Up Form" with school personnel.

#### Car Riders:

- Students being picked up in a car must be picked up between 3:00-3:15PM
- School-provided Car Tags are displayed everyday in vehicle.
  - 2022-2023 Car Tags are available beginning August 9 at Meet the Teacher. After August 9, please visit the Front Office.
- After 3:15PM, students are checkout of the Front Office by guardian after completing "Late Pick-up Form" with school personnel.

#### Student Dismissal Changes

 When a parent contacts the office to change how a child is going home that day, the changes will be only accepted before or by 1:30pm.

#### **Attendance**

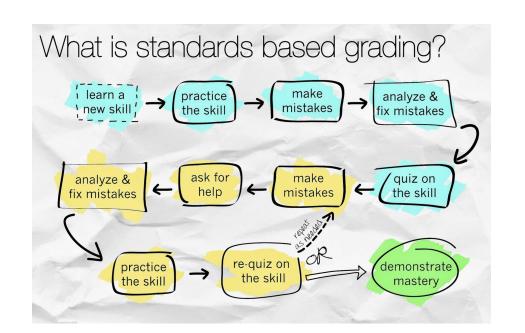

- Attendance is compulsory (Truancy)
  - Intervention plan is created when there are excessive tardies/absences. This can include parent classes, court appearance, summer school, etc.
  - You will get a warning first
- Doctors appointments should be scheduled after school or at the end of the school day, if possible.
  - Parent has to submit the medical attendance excuse form online within 3 days
- Missing school is missing a day of learning, please only miss if it is absolutely necessary
  - It affects the school funding which in turn affects the resources schools can provide for your student's learning.
- If you know you're going to miss let the teacher know ahead of time so they can send home school work
- Tardiness:
  - Learning starts at 7:40 am, be sure to drop your child off by at least 7:30 am so they have time to get to class and make a schedule at home.
  - If they need breakfast they need to be here when the school opens at 7:15am and go straight to the cafeteria to eat.
  - 3 tardies = 1 absence
- If your child has any anxiety about coming to school whether its due to stress/bullying/anxiety, encourage them to tell a trusted adult at school.
- Please don't take a vacation during the school week, it affects their learning and they could fall behind.
- If your child misses too many days of school and they are behind grade level they could be held back in their grade level another year.
- 15+ missed school days <u>may</u> result in retention

### Field Trips

- Background checks are REQUIRED!
   <a href="https://forms.dentonisd.org/Forms/volunteerapplication">https://forms.dentonisd.org/Forms/volunteerapplication</a>
- If you do not pass your background check, you will not be allowed to attend the field trip at all.
- No extra family members
  - Siblings
  - Aunts, uncles, etc.
- The child must return to the school on the bus afterwards unless approved by admin
- Parents have "given permission" for field trips at the moment of registration
- Homeroom teachers are responsible for picking up and keeping student medication during the field trip.

### **PTA (Parent Teacher Association)**

We know that active and engaged families are the key to success for our students! We need your support and input!

#### PTA Volunteers:

- Support classroom teachers and school. You may help weekly, monthly, or annually to fit your personal schedule
- Support in the development and organization of school and classroom events (such as class parties, Open House, Festivals/ Carnival, Field Day, Science night, Fundraisers,...) (This is your chance to have input!)

#### Membership Cost

How do these fees support your child?

Local:PTA supports the campus with resources and opportunities for all students.

State: PTA advocates for families at every level of policy-making. Help us back the future of Every Child with One Voice!

### **SEL-Social Emotional Learning**

#### What it is?

Response to students emotional needs so they can be ready to learn.

#### What it looks like

- Restorative Circles
- Morning Meetings: Include 2 min connections
- Daily Check-ins- Rhythm App
- Each classroom has a designated cool down spot/area with tools such as sensory items, zones of regulations poster, timers
- Teachers who are trained to be Trauma Informed Teachers
- Sensory Pathways in Halls

#### DISCIPLINE FLOW CHART

- Treatment Agreement
- Cool Down Space
- Use of Student Response Team
- Parent Communication at all times
(both phone AND email)
- Use of Preventative Interventions
- Document behavior Documentation Form
- Office Referrals after repeated behaviors

and proof of interventions practiced.

IS THIS BEHAVIOR TEACHER MANAGED OR AN OFFICE REFERRAL?

### TEACHER MANAGEMENT STRATEGIES

Reflect on Classroom Structures and Routines

Proximity Control to Student -Move closer to student without invading personal space

Nonverbally Redirect Verbally Redirect

verbally redirect

Restate or Remind Student of Classroom Expectations

Revisit Classroom Treatment Agreement

- -Parent conference (day of incident)

## BEHAVIOR BELIEF SYSTEM

### **DISCIPLINE:**

Discipline is the process of teaching appropriate behavioral expectations by providing natural, logical consequences to create opportunities for students to learn how their actions impact themselves and the world around them. Discipline helps students establish healthy intrinsic boundaries that will enable them to be successful in all situations, both inside and outside of the school building.

### **BELIEFS REGARDING DISCIPLINE:**

- We seek to understand the root of behavior, presuming positive intent of the child. Discipline is not punitive, but a process.
- Discipline is a form of love because it sets up children for success in life.
- Consequences ALONE do not teach proper behavior. It is a piece of the puzzle.
- Discipline situations are an opportunity to teach and reinforce proper behavior.
- We believe children taking ownership of their choices is an impactful piece of learning the impact of their decisions.
- Consequences should be logical to the behavior exhibited.
- Parents are the foundational piece for students learning proper behavior.
- A united and collaborative teacher, parent, admin partnership is a vital component of student success.

### PURPOSE OF DISCIPLINE PLAN:

- Provide clarity, consistency, and structure as a school community.
- Collaboratively develop behavioral expectations that are conducive to a safe, positive and productive learning environment, maintaining our campus focus on learning and teaching.
- Invite parents to participate in the reinforcement of proper behavior expectations at home.
- Staff and teachers to know their responsibility in the process and equip them with tools to respond appropriately.
- Model and reinforce good choices that set students up for success in life.
- Teach students proper behavior, including self-control, responsibility for actions, and healthy conflict resolution and proper ways to solve problems.

#### PREVENTATIVE INTERVENTION:

Strategies implemented to prevent undesirable behaviors. Instead of waiting for problem behaviors to occur, proactive techniques implemented successfully decrease the likelihood of problem behaviors and promote safe and positive behavioral choices in the classroom.

### SCHOOL-WIDE TIGHTS + EXPECTATIONS

- Treatment Agreements in every classroom in the building
  - Living documents, referred to daily, revisited to reinforce and remind of expectations.
  - Students and teachers co-create together and all sign to show ownership and agreement to the treatment expectations.
- Cool-Down Spot or Calm Down Corner in every classroom in the building.
  - o 5 minute limit -
- Panther Dens: Regulation Stations for students and an adult to visit to regulate emotion prior to re-entering classroom or receiving consequence.
- Zones of Regulations posters displayed and communicated in every classroom.
  - Goal: Students will be able to communicate their emotional zone throughout their day and/or de-escalation process.
- Awareness of the Student Code of Conduct- Students and staff will be briefed on the Student Code of Conduct by Ms. Henderson and Mrs.Pearson.
- Positive Parent Communication- Every teacher will make one positive phone call or
  email to every student's family at the beginning of the year. This sets the tone for
  positive communication prior to parents receiving any behavioral or consequence
  communication. It sends the message that our staff and teachers believe in their child
  and see the good in them.
- CHAMPS Expectations: Teachers, staff and students will be trained in CHAMPS Expectations.
  - Posters will be displayed in all common areas to maintain campus-level CHAMPS expectations.
  - CHAMPS Expectations will be posted and referred to in the classroom to communicate expected behavior to students during instruction.
- Emergency Sub Plans: All teachers will have a folder to include Emergency Sub Plans for unexpected absences. These can be easily accessed by teammates, admin, or subs.

### DISCIPLINE MATRIX

#### TIER 1: CLASSROOM/TEACHER MANAGED

Role of Student Response Team: Teachers should utilize the student response team in these instances to help manage classroom while teacher has conversation with student.

Parent contact and teacher-student converstation should be documented for possible future instances.

Consequences should include teacher to student conversations about the cause of the behavior, restating expectations, options of acceptable behaviors next time, etc.

Repeated/Chronic Behavior = 3 instances of behavior. Move to Tier 2 strategies.

#### BEHAVIOR / OFFENSE

Persistently not following classroom or hallway CHAMPS expectations

Throwing objects in classroom

Eloping the classroom

Being unkind to a friend; conflict with peers

Disrespect/Defiance of teacher/classroom rules

Examples: work refusal, refusal to participate, making faces/eye rolling, noises, arguing, distracting other students, cheating/lying

Misuse of technology

Profanity, vulgar language, or obscene gestures

Purposeful minor physical contact, including poking, tripping, bumping into someone

Student using cell phone in class

Property misuse (minor vandalism and stealing minor items)

Dress code violation

### LOGICAL CONSEQUENCE EXAMPLE:

Teacher/student discussion, modeling and practicing appropriate behaviors

Clean-up classroom during non-instructional time

Teachable moment, teacher to student conversation. Could use student response team to cover class so that conversation can be had privately. Conversation includes giving students options for what to do when they need a break.

Teachable moment, teacher to student conversation, student restorative conversation. Can use student response team to cover class so that conversation can be had privately.

Teacher/student conference.

Modeling appropriate behaviors and giving choice alternatives

Contact parent regarding teacher/student conversation

Student loses technology access for at least one full school day. Parents are notified. Teacher student conversation, reminding them of the acceptable use policy.

Teacher student conversation, discussing student's emotions and how to better react in those moments. Giving choices for next time.

Teachable moment, teacher to student conversation, student restorative conversation. Can use student response team to cover class so that conversation can be had privately. Model appropriate behaviors.

Following district cell phone policy. Give cell phone to front office. Contact parent to pick up phone from the front office.

 $\begin{array}{c} \text{Student teacher conversation, restorative} \\ \text{conversations, parents contacted} \\ \text{(conference), replacing stolen item(s)} \end{array}$ 

Contact parent for change of clothes. Discuss with student and parent the Denton ISD dress code.

### CLASSROOM INTERVENTIONS

- -Refer to Treatment Agreement and specific student's ownership and agreement to expected behaviors.
- -Praise positive behavior
- -Model appropriate behavior
- -Remind student of CHAMPS expectations
- -Hallway conversations away from peers
  - -Change student's seat
- -Time in the cool down corner of the classroom
- -Use of Panther Dens for break
  - -Sensory pathway

For Tier 1 behaviors, you do NOT submit an office referral. See Tier 3 page for behaviors that require an immediate office referral.

### DISCIPLINE MATRIX

#### TIER 2

Role of Student Response Team: Teachers should utilize the student response team to remove the student from the classroom for a break, time in the Panther Dens, etc.

Student behavior must be documented in the Behavior Documentation Google Form.

#### **BEHAVIOR / OFFENSE**

Repeated/Chronic of
Tier I Behaviors:
3 instances of behavior with
the use of Tier 2 interventions.

Move to Tier 3.

### LOGICAL CONSEQUENCE

- -Loss of privileges
- -Reflection sheet during non-instructional time
  - -Phone call home
  - -Parent conference
- -Silent lunch in Thinking Room

### CLASSROOM INTERVENTIONS

- Point sheet / Behavior Plan (Managed by teacher and communicated with parents.
   Students can earn rewards for positive behavior and work towards goals.)
- Student Response Team to respond to escalated behavior
  - -Refer to Treatment Agreement and specific student's ownership and agreement to expected behaviors.
  - -Refer student to counselor
    - -Praise positive behavior
- Model appropriate behavior
  - -Remind CHAMPS expectations

For Tier 2 behaviors, you do NOT submit an office referral. Instead, refer student to counselor and assign logical classroom consequences. See Tier 3 page for behaviors that require an immediate office referral.

### DISCIPLINE MATRIX

#### TIER 3

Role of Student Response Team: Teachers utilize SRT to remove student from classroom to deescalate behavior. Once behavior is de-escalated, student is escorted to the front office to administrators.

Refer student to DMTSS Committee.

Schedule follow-up parent conference.

Student behavior must be documented in the Google Form.

Submit Office Referral

### BEHAVIOR / OFFENSE (ZERO TOLERANCE)

- -Assault towards Students and/or Staff (Spitting, biting, fighting, pushing, throwing down, punching)
