16	Raul Ortega, 3rd grade, (E.P. Rayzor Elementary School)	W6 .5	B7 .5	W9 .5	withdrew	

To read the wallchart: The number in the second column is the USCF rating. Points: win=1 point; draw=.5; loss=0. Wallchart is cumulative. For example, if the score reads 1 and the player wins again the score goes to 2 in the next column. Team score is top four scorers on team added together. A team must have at least two students from same school or same homeschool.

NOTE: There was a three-way tie for the top HS individual trophies. In the blitz playoff for the individual trophies, William defeated Sergio. Then Sergio defeated Gerardo. William's tiebreaks from the main event were also better. Therefore, William got the first place trophy, Sergio got the second place trophy, and Gerardo got the third place trophy.

There were no MS teams. For the HS team, the top four scores from A Maceo Smith added up to 10 points (first place team). The top four scores from Denton HS added up to 8.5 points (second place team).
