

Nette Shultz Walker Dismissal (3:00 pm)

- **Kindergarten** and **1st grade** student walkers are united with their older siblings inside the building and dismissed outside the front entrance at 3:00 pm. These students must have an adult or older sibling to walk with them at dismissal.
- **Kindergarten** and **1st grade** walkers without older siblings will be released first; please be waiting outside the front entrance before 3:00 PM.
- **2nd, 3rd, 4th, and 5th** grade student walkers who do NOT have siblings in kindergarten or 1st grade will be dismissed at 3:00 pm out the front of the 2nd-5th grade wing on the south side of our campus by the Emerson driveway.
- Children and parents walking home should quickly clear the spaces outside of the school entrances so our staff can begin car dismissal quickly. Students will leave campus at dismissal and will not stay to play on our playgrounds.
- Children with bikes or scooters home must not ride them on campus property. They should instead walk alongside their bike and wait until they have crossed the street and are off campus grounds. Students must only cross at designated crosswalks when they leave campus. Children are expected to listen, show respect, and follow directions from crossing guards and staff members.
- Parents of children walking home from school on their own should practice walking with them in advance so they can take the safest route home.

Blue line = safest preferred routes for walkers and bike riders
