

Nette Shultz Walker Dismissal (3:00 pm)

- **Pre-k, kindergarten,** and **1st grade** student walkers are united with their older siblings inside the building and dismissed outside the front entrance at 3:00 pm.
- **Pre-K, kindergarten,** and **1st grade** students should have an adult or older student walk with them. **Pre-K, kindergarten,** and **1st grade** children without older siblings will be released first; please be waiting outside the front entrance before 3:00 PM.
- Children and parents walking home should quickly clear the space outside the front of the school and outside the 2nd-5th wing so car dismissal can begin quickly.
- **2nd, 3rd, 4th,** and **5th** grade student walkers who do NOT have siblings in pre-K, kindergarten, or 1st grade will be dismissed at 3:00 pm out the front of the 2nd-5th grade wing on the south side of our campus by the Emerson driveway.
- Children with bikes or scooters home must not ride them on campus property. They should instead walk alongside their bike and wait until they have crossed the street and are off campus grounds. Students should only cross at designated crosswalks when they leave campus. Children are expected to listen, show respect, and follow directions from crossing guards.
- Parents of children walking home from school on their own should practice walking with them in advance so they can take the safest route home.

 = safest preferred routes for walkers and bike riders
