

Nette Shultz Car Drop-Off (7:10 - 7:40 am)

- Parents dropping students off by car may choose to use either the north driveway off Hanover Dr. or the south driveway off Emerson Ln. All students will enter through the front entrance of the school.
- The Emerson driveway is one-way only. The driveway entrance is to the east down the hill and the exit is to the west close to the school building.
- Drive slowly, safely, and courteously. Show respect to crossing guards and do not obstruct crosswalks with your vehicle.
- Pull up to farthest drop-off spot and come to a full stop. A safety patrol student or staff member will open your door and help your child out of your vehicle. Please do not allow your child to exit your vehicle except at one of the designated spots.
- Please have children ready to exit your vehicle quickly with their belongings.
- Car drop-off ends promptly at 7:40 am when the tardy bell rings. After 7:40, parents must park and walk their children to the office to be signed in as tardy.
- All students walk to their classrooms at 7:25. Students eating breakfast in the cafeteria are asked to arrive to school at 7:10 so they can be in class on time.
