

Nette Shultz Walker Arrival (7:10 - 7:40 am)

Parents, please teach your children these guidelines for **walking** or **biking** to school:

- Be safe by only crossing the street using a crosswalk, and always look both ways for cars before crossing. Students are expected to listen and follow directions from crossing guards. Walkers must remain on sidewalks always and never walk in the parking lot, driveway, or grass.
- Once students cross the crosswalk and are on our campus sidewalks, they may not ride their bikes/scooters, but should walk alongside them on sidewalks.
- All student walkers and car riders will enter through the front of the school. Now that construction has finished, the bus lane can only be used by school buses and daycare buses. Students are not allowed to walk to school using the bus lane.
- Students arriving to school after 7:40 am are considered tardy. Children should be in their classrooms ready to learn at 7:40.

 = safest preferred routes for walkers and bike riders
