 - Safe place
 - Know your audience
- **Communication**
 - Encourage participation and communication
 - Listen to understand
 - Give time to process

Agenda: PLC Ideas

There has been a request to have more vertical time such as K/1, 1/2, 2/3, 3/4,4/5 time together with the grade levels together.

There has also been a request to have scheduled PLC days such as the ones we had in prior years where subs would rotate through the day and each grade level had time. This would be used to discuss the 4 critical questions with a focus on what are we doing with the kids who don't know it yet.
