Use the following codes:

Adapting to Change: BKSİY
Your Learning Traits: VNCPJ
Let's Breathe: EKQWM

- Take care of your body by eating balanced, if you can. When your body does not get the nutrients it needs, that causes your body stress. So, if we can avoid putting extra stress on our bodies let's do it.
- Stay hydrated, always! Drink half your body weight in ounces of water per day!
- Get at least 8 hours of sleep!
- Work on a gratitude journal. (open this [link](#))
- Search the web/ pinterest for "self-care" ideas!

● Art Challenge

If you would like to reach out to nursing homes in our area, here's your chance! Residents would love some digital art to brighten their day! Some examples of what to send include digital art work, videos of kids singing or acting, reading poems, or even virtual cards showing we care! Let's show some love for our Denton seniors!

If you or your kids would like to participate, they can send any works to dentonkidscare@gmail.com, or email your art to your teacher and they can pass it on.
