

## *Harpool Middle School Band*

September 2014

To Our Friends and Business Neighbors:

The Harpool Middle School Band is a symbol of excellence in the North Texas area. With continued success in competitions as well as outstanding academic performance, this group of students continually achieves it all.

Recently, the Harpool Middle School Symphonic Band was invited to perform at the prestigious Music for All National Festival in Indianapolis, IN. The festival, which takes place March 12-14, 2015 includes groups from across the country. Harpool is 1 of only 5 Middle School Bands in the nation selected to perform at the festival.

The Harpool Band is generously supported by the Denton Independent School District; however, the Harpool Band Program must raise funds to cover additional expenses necessary to continue our commitment to excellence. These expenses include providing expert clinicians and instructional programs for the students. Particularly in the 2014-2015 school year, we will need additional assistance to help students prepare for and travel to the Music for All National Festival, where our students will represent our community on a national level. For these reasons, we ask you to consider making a tax deductible contribution to the Harpool Band.

Harpool Band, as part of Denton ISD is considered a tax-exempt organization that may receive charitable contributions according to the IRS Code Section 170(c) (1). Our band offers many benefits to the community through entertaining at concerts and various sporting and community events. The band promotes education in music and encourages the next generation of learners by preparing students to pursue excellence through music into Guyer High School and beyond.

Please see our individual and corporate sponsorship forms. We welcome the opportunity to discuss any questions you may have regarding the support of the Harpool Band Program.

Sincerely,

Bryan Stone  
Director of Bands
