Resources for Success

- These are people you or your students can go to if you need extra help or assistance. The teachers are wonderful helpers, but sometimes you may need one of these other resources to provide extra support.

Verification vs Registration

Registration:

Registration is for new students only. If your student is currently enrolled in DISD, they are already registered.

Verification:

- Will occur during the summer via Info Snap (you will need a current email address and info snap code)
- Go to Denton ISD homepage. Click the Parent tab and it will take you to the information page.
 - *Verification is a two step process.*
 1. Complete the information as a RETURNING STUDENT (print verification page when completed)
 2. When you come up for schedule pick up, you will need to have a **RECENT** copy of your proof of residency, drivers license, and the verification sheet from Info Snap.

TIME

Classes start at 8:15 sharp!

- Students will change classes/teachers throughout the day
- You will have 8 periods plus+ *(advisory time two days a week)*

School ends at 3:35!

Parent Drop Off and Pick Up is in the **BACK** of the school by the covered awning.

Helpful Resources

Making the Transition to “Middle School”

Team Concept

- * What are Teams?

- * Why are they a good idea?

Our computer system randomly assigns teams.

We do not honor TEAM requests....

Did you know...?

- Each teacher has a website.
- Many teachers list their daily assignments and sometimes attach homework assignments.
- Go to www.dentonisd.org
- Choose Harpool at the top of the page.
- Choose the team and then the teacher
- This is a great tool to use if your student is absent! If it's not listed, be sure to have them ASK THEIR TEACHER!!!

Get Involved!

Some clubs and organizations you can join.....

- Dungeons and Dragons Club
- Technology Explosion
- Coding Club
- Builder's Club
- Academic UIL
- Art Club
- Run Club
- FCA
- Stand Up Crew

RUN

Stand Up Crew

- The goal of Stand Up Crew is to promote a positive culture among HMS students.
- Our students work to promote inclusiveness, kindness, and standing up against inappropriate behavior.
- The club is open to all 3 grades. It's a great way for sixth graders to get involved at HMS!

Organization/The 6th Grade Agenda

Agenda

- 6th grade students are required to take their agenda everywhere.
- It is their hall pass and it helps to keep them organized.
- CHECK it every night AND discuss it with your child!
- Tickets are stapled to the back of the agenda.

Behavior Supports & Policies

ID Badges

- Your child will be required to have it with them at all times while at school.
- Your child will get their picture made for their ID at schedule pickup or the first week of school.
- Students can leave it in their locker overnight so they don't leave it at home!

Lockers

- Everyone gets a hall locker with a combination lock on it.
- Students should NOT share their combination or locker with ANYONE!
- Students should cover their lock when putting in the combination.
- Students should keep lockers closed and locked when they aren't getting something out or putting something in. This helps to keep their stuff **SAFE!**

HMS Electronic Device Policy

- Students **CAN** bring their own device to school.
- From 8:15 am to 3:35 pm devices should be off and in locker.
- If heard or seen, will be taken up and \$15 fee to get it back.
- Devices are **NOT** allowed in the hallways (except before or after school), bathrooms, locker rooms, or cafeteria.
- Students do **NOT** have to bring a phone. We have devices at school for students to use 😊

School Wide Discipline Policy

We want to "Brand" your child

Tickets

Once a student has lost all tickets and served two detentions, they will be referred to the office. If student behavior is severe, it could result in an office referral on the first offence.

Dress Code

- Skirts and shorts must be at least finger tip length- even on “Special Event Days”
- Shirts must be long enough to raise your arms and not show skin.
- Tank tops 3 finger rule.
- No holes in jeans, shorts or skirts above the knee
-
- No leggings, jeggings, or yoga pants!
-
- Only natural hair color is allowed.

ATTENDANCE

Attendance

- In middle school, all absent notes go to the Attendance Clerk's office which is located at the front of the office.
- Notes have to be turned in within 72 hours, or three days, after the absence or it will be considered unexcused. School excuses may now be submitted by email as a convenient option, hmsnotes@dentonisd.org
- The Texas attendance rules state that a student must attend school 90% of the time it is offered even if they have an excused absence. If your child misses more than 90% they will have the opportunity to make up seat time in Saturday School.

Attendance Policies

What is an excused absence, per the state law?

- *medical illness
- *board approved extracurricular activities
- *medical appointments
- *death or serious illness of immediate family member (with documentation)
- *religious holy days
- *family emergencies (approved by admin)
- *weather and road conditions that make traveling dangerous
- All other absences, unless excused by admin, will be unexcused. Failure to turn in notes within 72 hours will result in an unverified absence. Unexcused absences will most likely not be addressed unless they exceed **3 in 4 weeks** or **10 in 6 months**.

Different from Elementary?

- *Attendance is taken EVERY period—8 times a day.
- *Harpool permits 8 parent notes per YEAR. All other absences will need medical documentation.
- *As always, communication is KEY!

Grading Practices

4-1 Grading vs Percent Grading

Elementary Grading:

- Standards Based on a 4-1 Grading measure.
- Looking for Mastery of the Content

Percent Grading:

- Standards Based on a 100-1 % Grading measure.
- Looking for Mastery of the Content

For example, a 3 in elementary might be equivalent to a 70-85 in middle school. This is only an example and not meant to be exact. These numbers will slide on a scale depending on the assignment, content, etc.

HMS Grading Policy

*MINOR grades - 40% of final grade
(**Formative Assessment**—quizzes, daily work, independent practice, etc) Homework is assigned but not a grade. Ticket taken if not complete.

*MAJOR grades - 60% of final grade
(**Summative Assessment**—tests, essays, projects, etc)

A: 90 – 100

B: 80 – 89

C: 70 – 79

F: 69 and below

Reassessment Policy

- Students have the opportunity to reassess within 4 days of receiving feedback
- All **MAJOR** summative grades below a 70 **MUST** be reassessed if the student is failing
- Students must complete all required components of the reassessment process:
 - *all formative assessments related to work must be completed
 - *student engages in additional learning opportunities as designated by teacher
 - *teacher selects the time for reassessment

- Students receiving a 69 or below on a major assessment will be required to reassess if they are failing.
- They will have to follow all teacher guidelines (tutorials, extra practice, etc.) to be able to reassess.
- Students who do not reassess within the given time frame (4 day maximum) will be assigned a discipline consequence.

Instruction to Support Future Academic Success (all grade levels)
 Students identified as needing additional math and/or reading instruction will be placed into a math and/or reading intervention class. This class may take the place of an elective class. The purpose of this course is to support individualized student needs in the foundational area of mathematical and reading skills. Texas Administrative Code requires remediation for any student who fails to demonstrate satisfactory performance on the State of Texas Assessments of Academic Readiness (STAAR) exam and lab courses fulfill this requirement.
